“Had me engrossed from the first page. Ms. Reisz’s writing is captivating.” —Fresh Fiction “Original sin is the Western world’s creation story.” According to the doctrine of original sin, humans are born bad and only God’s grace can bring salvation. In this captivating book, acclaimed historian James Boyce shows how these ideas have shaped the Western view of human nature right up to the present. The legacy of original sin takes many forms, including the distinctive discontent of Western people – the feelings of guilt and inadequacy associated not with doing wrong, but with being wrong. As well as an innovative history of Christianity, Boyce offers new insights into the making of the West. *Born Bad* traces a fascinating journey from Adam and Eve all the way to Adam Smith and Richard Dawkins in this sweeping story of a controversial idea and its remarkable influence. “What is wrong with me? This question has haunted the West for fifteen hundred years, but until recently it came with an answer – which was called original sin. Western people believed they were “born bad” because they had inherited the sin of the first humans.” — James Boyce “This highly original, readable book shows how the Christian idea that we are all somehow fundamentally warped has helped to shape democratic politics, free markets, sexual anxieties and even debates about whether dead babies go to heaven.” — Marion Maddox, author of *God Under Howard* and *Taking God to School* *The Original Sinners: The Red Years* collection contains four unforgettable, erotic stories and one tantalising, provocative novella collection. *THE SIREN* Some love stories you never forget. bestseller Tiffany Reisz turns back the clock on her Original Sinners series to the Victorian era in this kinky Christmas romance? Two days before Christmas 1871, the newly-minted Baron Marcus Stearns returns to London for the reading of his long-estranged and much-despised father's will, fully certain he will inherit nothing but the title. He receives the shock of his life when he learns that he and his sister Lady Claire will only inherit their late father's vast estate if he marries—immediately. Kingsley, the Baron's lover and devoted valet, offers a simple solution to a seemingly Herculean task—the Baron should simply marry his beautiful ward Eleanor. Yet while the Baron longs to do just that—he possesses a dangerous secret that threatens to destroy their marriage before it's hardly begun.
