A Concise History of Slovakia Apr 24 2020

A Concise History of Germany Jan 26 2023 This book provides a clear and informative guide to the twists and turns of German history from the early middle ages to the present day. The multi-faceted, problematic history of the German lands has provided a wide range of debates and differences of interpretation. Mary Fulbrook provides a crisp synthesis of a vast array of historical material, and explores the interrelationships between social, political and cultural factors in the light of scholarly controversies. First published in 1990, *A Concise History of Germany* now appears in an updated second edition.

A Concise History of Italy Feb 27 2023 A concise history of Italy from the fall of the Roman empire in the west to the present day.

A Concise History of Greece Nov 19 2019 This book provides a concise, illustrated introduction to the history of modern Greece, with a new final chapter about Greek history and politics to the present day. 56 illustrations. 10 maps.

A Concise History of the French Revolution Feb 03 2021 This concise yet rich introduction to the French Revolution explores the origins, development, and eventual decline of a movement that defines France to this day. Through an accessible chronological narrative, Sylvia Neely explains the complex events, conflicting groups, and rapid changes that characterized this critical period in French history. She traces the fundamental transformations in government and society that forced the French to come up with new ways of thinking about their place in the world, ultimately leading to liberalism, conservatism, terrorism, and modern nationalism. Throughout, the author focuses on the essential political events that propelled the Revolution, at the same time deftly interweaving the intellectual, social, diplomatic, military, and cultural history of the time. Neely explains how the difficult choices made by the royal government and the revolutionaries alike not only brought on the collapse of the Old Regime but moved the nation into increasingly radical policies, to the Terror, and finally to the rise of Napoleon Bonaparte. Written with clarity and nuance, this work offers a deeply knowledgeable understanding of the political possibilities available at any given moment in the course of the Revolution, placing them in a broad social context. All readers interested in France and revolutionary history will find this an engaging and rewarding read.

A Concise History of South Africa Jan 02 2021 This book provides succinct coverage of the history of South Africa from the introduction of agriculture 1500 years ago up to and including the government of Nelson Mandela.

A Concise History of Portugal Nov 24 2022 A third edition of this reliable and accessible single-volume history of Portugal, bringing the story up to date by addressing recent changes to Portugal and Europe.

A Concise History of Revolution Oct 11 2021 From rebellion to revolution -- Social movements and revolution -- Revolutionary states -- Revolutionary polities.

A Concise History of History Apr 17 2022 An incisive account of the entire history of historical writing worldwide by one of the leading intellectuals in the field.

A Concise History of Britain Mar 24 2020

National Geographic Concise History of the World Dec 01 2020 A chronology of world history ranges from the dawn of humankind to the present day, examining important events, milestones, ideas, and personalities that occurred simultaneously in different regions of the world.

Born in Blood and Fire Dec 21 2019 *Born in Blood and Fire*, Fourth Edition has been extensively revised to heighten emphasis on current cultural analyses of Latin American society and facilitate meaningful connections between the Encounter and the present. Throughout the Fourth Edition, a new full-color design highlights an enriched and expanded map and illustration program. This, along with new quizzing and assessment options and a new edition of the companion reader, offers students and instructors more support than ever before.

A Concise History of Theatre Apr 05 2021 "This streamlined, engaging text helps students understand the events, places and people that have influenced the history of theatre... Upon completing this book, readers will be able to: Identify the major time periods and geographic areas associated with the history of theatre; Distinguish relevant characteristics of theatre in diverse times and places; Describe the underlying cultural, economic, and political environments as they affected theatre in different times and places; Associate major participants who made theatre within their historical and regional context."-- Publisher description.

A Concise History of India Jan 14 2022 Two distinguished historians, Barbara Metcalf and Thomas Metcalf, come together to write a new and accessible account of modern India. The narrative, which charts the history of India from the Mughals, through the colonial encounter and independence, to the present day, challenges imperialist notions of an unchanging and monolithic India bounded by tradition and religious hierarchies. Instead the book reveals a complex society which is constantly transforming and reinventing itself in response to political and social challenges. The book is beautifully composed and richly illustrated. It will be essential reading for anyone who wants to understand India, her turbulent past and her present uncertainties.

A Concise History of Australia Mar 04 2021 Australia is the last continent to be settled by Europeans, but it also sustains a people and a culture tens of thousands years old. For much of the past 200 years the newcomers have sought to replace the old with the new. This book tells how they imposed themselves on the land, and brought technology, institutions and ideas to make it their own. It relates the advance from penal colony to a prosperous free nation and illustrates how, as a nation created by waves of newcomers, the search for binding traditions was long frustrated by the feeling of rootlessness, until it came to terms with its origins. The third edition of this acclaimed book recounts the key factors - social, economic and political - that have shaped modern-day Australia. It covers the rise and fall of the Howard government, the 2007 election and the apology to the stolen generation. More than ever before, Australians draw on the past to understand their future.

A Concise History of the New Deal Jul 08 2021 This book provides a history of the New Deal, exploring the institutional, political, and cultural changes experienced by the United States during the Great Depression.

A Concise History of the Third Reich Jan 22 2020 This is an authoritative history of the twelve years of the Third Reich from its political takeover of January 30, 1939 to the German capitulation in May 1945.

A Concise History of New Zealand Oct 19 2019 The story of this rugged and dynamic land is beautifully narrated, from its origins in Gondwana to the twenty-first century.

A Concise History of Australia Jun 26 2020 Macintyre revisits *A Concise History of Australia* to provoke readers to reconsider Australia's past and its relationship to the present.

A Concise History of Switzerland Jul 20 2022 Despite its position at the heart of Europe and its quintessentially European nature, Switzerland's history is often overlooked within the English-speaking world. This comprehensive and engaging history of Switzerland traces the historical and cultural development of this fascinating but neglected European country from the end of the Dark Ages up to the present. The authors focus on the initial Confederacy of the Middle Ages; the religious divisions which threatened it after 1500 and its surprising survival amongst Europe's monarchies; the turmoil following the French Revolution and conquest, which continued until the Federal Constitution of 1848; the testing of the Swiss nation through the late nineteenth century and then two World Wars and the Depression of the 1930s; and the unparalleled economic and social growth and political success of the post-war era. The book concludes with a discussion of the contemporary challenges, often shared with neighbours, that shape the country today.

A Concise History of the Middle East Oct 31 2020 *A Concise History of the Middle East* provides a comprehensive introduction to the history of this turbulent region. Spanning from pre-Islam to the present day, it explores the evolution of Islamic institutions and culture, the influence of the West, modernization efforts in the Middle East, the struggle of various peoples for political independence, the Arab-Israel conflict, the reassertion of Islamic values and power, the issues surrounding the Palestinian Question, and the Middle East post-9/11 and post-Arab uprisings. The twelfth edition has been fully revised to reflect the most recent events in, and concerns of, the region, including the presence of ISIS and other non-state actors, the civil wars in Syria and Yemen, and the refugee crisis. New parts and part timelines will help students grasp and contextualize the long and complicated history of the region. With updated biographical sketches and glossary, and a new concluding chapter, this book remains the quintessential text for students of Middle East history.

A Concise History of Brazil Oct 23 2022 The second edition of *A Concise History of Brazil* features a new chapter that covers the critical time period from 1990 to the present, focusing on Brazil's increasing global economic importance as well as its continued democratic development.

A Concise History of France Aug 21 2022 This is the most up-to-date and comprehensive study of French history available ranging from the early middle ages to the present. Amongst its central themes are the relationships between state and society, the impact of war, competition for power, and the ways in which power has been used. Whilst taking full account of major figures such as Philip Augustus, Henri IV, Louis XIV, Napoleon and de Gaulle, it sets their activities within the broader context of changing economic and social structures and beliefs, and offers rich insights into the lives of ordinary men and women. This third edition has been substantially revised and includes a new chapter on contemporary France - a society and political system in crisis as a result of globalisation, rising unemployment, a failing educational system, growing social and racial tensions, corruption, the rise of the extreme right, and a widespread loss of confidence in political leaders.

A Concise History of France Mar 16 2022 This book provides a clear and up-to-date guide to French history from the early middle ages to the present--from Charlemagne to Chirac. Among the book's central themes are the relationship between state and society, the impact of war and the use of political power. Substantially re-written to take account of recent research, this second edition includes a new chapter on contemporary France; a society and political system in crisis as a result of globalization, international terrorism, racial tension and a loss of confidence in political leaders.

The Concise History of Ireland Aug 09 2021 Appealing to the specialist and general reader alike, this handsomely presented book tells the story of Ireland from earliest times to the present, using a combination of words, maps, photographs and illustrations.

A Concise History of Wales Feb 21 2020 Based on historical research and debates about Wales and Welshness, this volume offers an authoritative and accessible account of the period from Neanderthal times to the opening of the Senedd, the home of the National Assembly for Wales, in 2006. Within a remarkably brief and stimulating compass, Geraint H. Jenkins explores the emergence of Wales as a nation, its changing identities and values, and the transformations its people experienced and survived throughout the centuries. In the face of seemingly overwhelming odds, the Welsh never reconciled themselves to political, social and cultural subordination, and developed ingenious ways of maintaining a distinctive sense of their otherness. The book ends with the coming of political devolution and the emergence of a greater measure of cultural pluralism. Professor Jenkins's lavishly illustrated volume provides enthralling material for scholars, students, general readers, and travellers to Wales.

A Concise History of Economic Thought Jul 28 2020 This book presents a brief history of economic thought from the 17th century to the present day. Each chapter examines the key contributions of a major economist or group of economists and includes suggestions for further reading. Economists covered include Keynes, Marshall, Petty and Jevons, and less familiar theorists such as Galiani and Turgot.

A Concise History of Portugal May 06 2021 This concise, illustrated history of Portugal offers an introduction to the people and culture of the country, its empire, and to its search for economic modernisation, political stability and international partnership. The book studies the effects of the vast wealth mined from Portuguese Brazil, the growth of the wine trade, and the evolution of international ties. The Portuguese Revolution of 1820 to 1851 created a liberal monarchy, but in 1910 the king was overthrown and, by 1926, had been replaced by a dictatorship. In 1975 Portugal withdrew from its African colonies and turned north to become a democratic member of the European Community in 1986. Researched during the years which followed the fall of Portugal's dictators in 1974, this book has become the standard single-volume work. The second edition brings the story up to date and discusses the state of historical writing on Portugal at the turn of the millennium.

A Concise History of Hungary Feb 15 2022 A comprehensive history of the land, people, society, culture and economy of Hungary.

A Concise History of the Catholic Church (Revised Edition) Jun 07 2021 Expanded and updated for the new millennium. Covering the life of Christ, the election of Pope Benedict XVI, and everything in between, *A Concise History of the Catholic Church* has been one of the bestselling religious histories of the past two decades and a mainstay for scholars, students, and others looking for a definitive, accessible history of Catholicism. With a clarity that will appeal to any reader, Thomas Bokenkotter divides his study into five parts that correspond to the major historical and epochal developments in Catholicism. His authoritative, thorough approach takes readers from the Church's triumph over paganism, through "the sound and fury of renewal," to a new section devoted to such topics as dissent and current developments in the ecumenical movement. Informative illustrations throughout the book, new to this edition, enrich the reader's experience, and the addition of a wide-ranging bibliography increases its value as a sourcebook.

CONCISE HISTORY OF LUDLOW. Dec 13 2021

A Concise History of the Russian Revolution Sep 10 2021 Examines the 1917 Russian Revolution, including Lenin's rise to power, the killing of the Romanovs, and the famine of 1921.

A Concise History of Bulgaria Sep 22 2022 This second edition of the history of Bulgaria now includes the vital period from 1995 to 2004.

A Concise History of Sweden Jun 19 2022 Neil Kent's book sweeps through Sweden's history from the Stone Age to the present day. Early coverage includes Viking hegemony, the Scandinavian Union, the Reformation and Sweden's political zenith as Europe's greatest superpower in the seventeenth century, while later chapters explore the Swedish Enlightenment, royal absolutism, the commitment to military neutrality and Pan-Scandinavianism. The author brings his account up to date by focusing on more recent developments: the rise of Social Democracy, the establishment of the welfare state, the country's acceptance of membership in the European Union and its progressive ecological programme. The book successfully combines the politics, economics and social and cultural mores of one of the world's most successfully functioning and humane societies. This is an informative and entertaining account for students and general readers.

A Concise History of the Modern World Nov 12 2021 By investigating the major changes in world history during the past 500 years, this book explains to what extent world forces have been responsible for shaping both the past and the present.

A Concise History of Finland May 26 2020 An up-to-date political, social and economic history of Finland from medieval times to the present. David Kirby traces the evolution of Finland's distinctive identity and of the Finnish national state from the long centuries under Swedish rule, through self-government within the Russian Empire, to independence in the twentieth century.

A Concise History of the Jewish People Sep 29 2020 This book describes the most important events and people in Jewish history from Abraham to the present day, in a very concise, accessible way. These 'read-bites' include up-to-date essays discussing the impact of 9-11; the Iraq War, Muslim Fundamentalism, and rise of European anti-Semitism on the Jewish People.

A Concise History of Russia Dec 25 2022 Accessible to students, tourists and general readers alike, this book provides a broad overview of Russian history since the ninth century. Paul Bushkovitch emphasizes the enormous changes in the understanding of Russian history resulting from the end of the Soviet Union in 1991. Since then, new material has come to light on the history of the Soviet era, providing new conceptions of Russia's pre-revolutionary past. The book traces not only the political history of Russia, but also developments in its literature, art and science. Bushkovitch describes well-known cultural figures,

such as Chekhov, Tolstoy and Mendeleev, in their institutional and historical contexts. Though the 1917 revolution, the resulting Soviet system and the Cold War were a crucial part of Russian and world history, Bushkovitch presents earlier developments as more than just a prelude to Bolshevik power.

A Concise History of Modern India May 18 2022 In a second edition of their successful Concise History of Modern India, Barbara Metcalf and Thomas Metcalf explore India's modern history afresh and update the events of the last decade. These include the takeover of Congress from the seemingly entrenched Hindu nationalist party in 2004, India's huge advances in technology and the country's new role as a major player in world affairs. From the days of the Mughals, through the British Empire, and into Independence, the country has been transformed by its institutional structures. It is these institutions which have helped bring about the social, cultural and economic changes that have taken place over the last half century and paved the way for the modern success story. Despite these advances, poverty, social inequality and religious division still fester. In response to these dilemmas, the book grapples with questions of caste and religious identity, and the nature of the Indian nation.

A Concise History of Wales Aug 29 2020 Based on the most recent historical research and current debates about Wales and Welshness, this volume offers the most up-to-date, authoritative and accessible account of the period from Neanderthal times to the opening of the Senedd, the new home of the National Assembly for Wales, in 2006. Within a remarkably brief and stimulating compass, Geraint H. Jenkins explores the emergence of Wales as a nation, its changing identities and values, and the transformations its people experienced and survived throughout the centuries. In the face of seemingly overwhelming odds, the Welsh never reconciled themselves to political, social and cultural subordination, and developed ingenious ways of maintaining a distinctive sense of their otherness. The book ends with the coming of political devolution and the emergence of a greater measure of cultural pluralism. Professor Jenkins's lavishly illustrated volume provides enthralling material for scholars, students, general readers, and travellers to Wales.
