"Look no further: the What's Happening to Me? Books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well. Susan Meredith answers the questions young girls want to ask but might feel afraid to. It's all there: getting

measured up for a bra, periods, using towels and tampons, feeling, diet, health and hygiene and there is also a section on what happens to boys. The text is informal, chatty, full of useful facts and packed with considerate advice and support.
