[Behavioral Modeling and Linearization of RF Power Amplifiers](#) Oct 27 2022 Wireless voice and data communications have made great improvements, with connectivity now virtually ubiquitous. Users are demanding essentially perfect transmission and reception of voice and data.

The infrastructure that supports this wide connectivity and nearly error-free delivery of information is complex, costly, and continually being improved. This resource describes the mathematical methods and practical implementations of linearization techniques for RF power amplifiers for mobile communications. This includes a review of RF power amplifier design for high efficiency operation. Readers are also provided with mathematical approaches to modeling nonlinear dynamical systems, which can be applied in the context of modeling the PA for identification in a pre-distortion system. This book also describes typical approaches to linearization and digital pre-distortion that are used in practice.

Beach Babe Billionaire Feb 28 2023 I may be worth billions, but I'm ready to get down and dirty with the local lifeguard. Sage I'm a free spirit trapped in an "old money" conservative family. Right before my thirtieth birthday, my father, sick of my bohemian lifestyle, gives me an ultimatum: tear down The Surf Shack in Huntington Beach and build a five-star restaurant. Or lose my trust fund AND his multi-billion dollar company. Jax As the owner of The Surf Shack, I've promised to keep my late father's shop running while juggling my full-time job as a beach lifeguard. Even if the hot little thing in a business suit tempts me with her conflicting personalities. Is she a business shark in a designer suit? Or a Mother Earth loving hippie who wants to get dirty with me? Ultimately, we have to decide what's worth fighting for: love or fortune. Beach Babe Billionaire is the fourth book in a series of small town romance novels with a splash of humor from a USA Today Bestselling author. If you like strong, sassy heroines, witty banter, and happily ever afters set at the beach, then you'll love Marika Ray's Beach Squad series.
