with latest chapter *Slow Burn Historical Fantasy Novel* Elise had about to change into the dress that was lying on the corner of her bed when she heard a knock lightly calling from her door. Curious, she turned the door knob only to have a tall man towering in front of her. "Master Ian!" She called. Ian smiled with the usual mischievous smirk that he always used. His crimson eyes trailing a little over her room and spotted the black dress over her bed and shifted his eyes over to the woman in front of him. He stepped forward and spoke. "Where did you acquire that dress?" "Mr. Harland gave it to me." Elise replied and strained her neck to see Ian's brows knitted in its elegance. "Do you know why a man would love to give a woman a dress?" He gave the riddle that she always had to think twice before replying. But this time, she found no answer and instead shook her head. "I don't know." His grin grew bewitching as though something had stirred deep inside the scarlet eyes that he had. He slowly slid his hand over the collar of her dress, sending a cold shiver that startled her for a moment due to its freezing temperature. After unbuttoning the first two buttons on her collar, he tilted his head down, whispering to her ears. "Because they want to be the one to undress the cloth." He paused and kissed her neck, turning the pale skin to red before retracting his move to fix his eyes on her and leisurely replied. "Unfortunately, you can't wear the dress over there with this." He chuckled and passed a box over to her hand. "And the fortunate news is I prepared a dress for you." Elise was a cursed little girl who could see ghosts. Her family hated her and threw her from one adoptive family to another. However, misfortune didn't act alone. When she was brought up by her aunt, she was sold as a slave. When she had thought she would become nothing but a sacrifice to the sorcerer, she was saved by a man whose identity was far different than a normal mythical being. *** This book is ORIGINAL and it is not Translation Join Author's discord: <https://discord.gg/YPKueb4> After being released from prison, and determined to stay out of trouble, Jase Hollister returns home to Strawberry Valley, Oklahoma where his plans to live a nice, simple life are thwarted by the arrival of hot-blooded Southern beauty and down-on-her-luck waitress Brook Lynn Dillon.

And even though he'd expressed little-to-no desire for any publicity, book tours, or similar, it was clear this was an author just waiting to be broken out - despite himself, if necessary. When she suggested attending a romance convention his response -

Library Journal An annotated cosmology of Anne Rice's Vampirism from A(kasha) to Z(enobia)--all fifteen books of the Vampire Chronicles detailed, by a longtime Anne Rice reader and scholar; the who, what, where, why, (and often) how of her beloved characters, mortal and 'im', brought together in a book for the first time.

Illustrated by Mark Edward Geyer. An Alphabettery of Anne Rice's Vampire Chronicles gathers together, from all fifteen of the books in the series, the facts, details, story lines, genealogies of her characters, vampiric subjects, geographical influences, and cultural and individual histories, all of which Rice painstakingly researched and invented during her 40-year career--to date--through which she has enchanted and transported us. Here are concise, detailed biographies of every character, no matter how central or minor to the cosmology. Revealed are the intricacies and interconnectedness of characters and subjects throughout. We see how Akasha (Queen of Egypt and the first vampire) is connected to Mekare (the inheritor of the title of the Queen of the Damned), etc., and how these characters connect back to the darkest rebel outlaw of them all, Lestat de Lioncourt ... And we see, as well, the ways in which Rice's vampires have evolved from warring civilizations to isolated covens to a unified race of blood drinkers led by their hero-wanderer and sole monarch, Prince Lestat. For devoted and first-time Anne Rice readers alike, *An Alphabettery of Anne Rice's Vampire Chronicles* will be the holy grail of lore and revelation for those who have been, and continue to be, mesmerized by the worlds within worlds of these beloved tales of the undead.
