Half a Life Apr 30 2021 In this powerful, unforgettable memoir, acclaimed novelist Darin Strauss examines the far-reaching consequences of the tragic moment that has shadowed his whole life. In his last month of high school, he was behind the wheel of his dad's Oldsmobile, driving with friends, heading off to play mini-golf. Then: a classmate swerved in front of his car. The collision resulted in her death. With piercing insight and stark prose, Darin Strauss leads us on a deeply personal, immediate, and emotional journey—graduating high school, going away to college, starting his writing career, falling in love with his future wife, becoming a father. Along the way, he takes a hard look at loss and guilt, maturity and accountability, hope and, at last, acceptance. The result is a staggering, uplifting tour de force. Look for special features inside, including an interview with Colum McCann.

Books do Furnish a Life Jan 08 2022 'A rich feast of his essays, reviews, forewords, squibs and conversations, in which talent and passion are married to deep knowledge.' Matt Ridley 'Enjoy the unfailing clarity of his thought and prose, as well as the grandeur of his vision of life on Earth.' - Mark Cocker, Spectator 'Richard Dawkins is a thunderously gifted science writer.' Sunday Times Including conversations with Neil DeGrasse Tyson, Steven Pinker, Matt Ridley and more, this is an essential guide to the most exciting ideas of our time and their proponents from our most brilliant science communicator. **Books Do Furnish a Life** is divided by theme, including celebrating nature, exploring humanity, and interrogating faith. For the first time, it brings together Richard Dawkins' forewords, afterwords and introductions to the work of some of the leading thinkers of our age - Carl Sagan, Lawrence Krauss, Jacob Bronowski, Lewis Wolpert - with a selection of his reviews to provide an electrifying celebration of science writing, both fiction and non-fiction. It is also a sparkling addition to Dawkins' own remarkable canon of work. Plenty of other scientists write well, but no one writes like Dawkins... here is Dawkins the teacher, the scholar, the polemicist, the joker, the aesthete, the poet, the satirist, the man of compassion as well as indignation, the slayer of superstition and, above all, the scientist. - Areo Magazine

Terry Pratchett: A Life With Footnotes Aug 23 2020 'Always readable, illuminating and honest. It made me miss the real Terry.' - NEIL GAIMAN 'Sometimes joyfully, sometimes painfully, intimate . . . it is wonderful to have this closeup picture of the writer's working life.' - FRANK COTTRELL-BOYCE, OBSERVER 'Spins magic from mundanity in precisely the way Pratchett himself did.' - THE TELEGRAPH 'As frank, funny and unsentimental as anything its subject might have produced himself.' - MAIL ON SUNDAY ----- At the time of his death in 2015, award-winning and bestselling author Sir Terry Pratchett was working on his finest story yet - his own. The creator of the phenomenally bestselling Discworld series, Terry Pratchett was known and loved around the world for his hugely popular books, his smart satirical humour and the humanity of his campaign work. But that's only part of the picture. Before his untimely death, Terry was writing a memoir: the story of a boy who aged six was told by his teacher that he would never amount to anything and spent the rest of his life proving him wrong. For Terry lived a life full of astonishing achievements: becoming one of the UK's bestselling and most beloved writers, winning the prestigious Carnegie Medal and being awarded a knighthood. Now, the book Terry sadly couldn't finish has been written by Rob Wilkins, his former assistant, friend and now head of the Pratchett literary estate. Drawing on his own extensive memories, along with those of the author's family, friends and colleagues, Rob unveils the full picture of Terry's life - from childhood to his astonishing writing career, and how he met and coped with what he called the 'Embuggerance' of Alzheimer's disease. A deeply moving and personal portrait of the extraordinary life of Sir Terry Pratchett, written with unparalleled insight and filled with funny anecdotes, this is the only official biography of one of our finest authors. 'Of all the dead authors in the world, Terry Pratchett is the most alive.' - JOHN LLOYD

A Book of Life Feb 26 2021 Peter Kingsley is famous as both a historian and a teller of the future long before it appears. Exquisitely written, his **Book of Life** is a wide open door into the timeless magic and unfathomable mystery we have managed to forget.

Life of a Song Oct 13 2019 Who knew that Paul McCartney originally referred to Yesterday as 'Scrambled Eggs' because he couldn't think of any lyrics for his heart-breaking tune? Or that Patti LaBelle didn't know what 'Voulez-vous couches avec moi

ce soir?' actually meant? These and countless other fascinating back stories of some of our best-known and best-loved songs fill this book, a collection of the highly successful weekly *The Life of a Song* columns that appear in the FT Weekend every Saturday. Each 600-word piece gives a mini-biography of a single song, from its earliest form (often a spiritual, or a jazz number), through the various covers and changes, often morphing from one genre to another, always focusing on the 'biography' of the song itself while including the many famous artists who have performed or recorded it. The selection covers a wide spectrum of the songs we all know and love - rock, pop, folk, jazz and more. Each piece is pithy, sparkily written, knowledgeable, entertaining, full of anecdotes and surprises. They combine deep musical knowledge with the vivid background of the performers and musicians, and of course the often intriguing social and political background against which the songs were created.

The Life of Lines Oct 25 2020 To live, every being must put out a line, and in life these lines tangle with one another. This book is a study of the life of lines. Following on from Tim Ingold's groundbreaking work *Lines: A Brief History*, it offers a wholly original series of meditations on life, ground, weather, walking, imagination and what it means to be human. In the first part, Ingold argues that a world of life is woven from knots, and not built from blocks as commonly thought. He shows how the principle of knotting underwrites both the way things join with one another, in walls, buildings and bodies, and the composition of the ground and the knowledge we find there. In the second part, Ingold argues that to study living lines, we must also study the weather. To complement a linealogy that asks what is common to walking, weaving, observing, singing, storytelling and writing, he develops a meteorology that seeks the common denominator of breath, time, mood, sound, memory, colour and the sky. This denominator is the atmosphere. In the third part, Ingold carries the line into the domain of human life. He shows that for life to continue, the things we do must be framed within the lives we undergo. In continually answering to one another, these lives enact a principle of correspondence that is fundamentally social. This compelling volume brings our thinking about the material world refreshingly back to life. While anchored in anthropology, the book ranges widely over an interdisciplinary terrain that includes philosophy, geography, sociology, art and architecture.

Dante's New Life of the Book Feb 09 2022 Dante's *New Life of the Book* examines Dante's *Vita nuova* through its transformations in manuscripts, printed books, translations, and adaptations. Eisner investigates how these different material manifestations participate in the work, drawing attention to its distinctive elements.

A Life in Books Mar 10 2022 "A *Life In Books* is an illuminated novel containing 101 books within it, all written by Lehrer's protagonist, author Bleu Mobley, who finds himself in prison looking back on his life and career. Mobley's autobiography/apologia is paired with a review of all 101 of his books. Each book is represented by its first-edition cover design and catalogue copy, and more than a third of his books are excerpted. The resulting retrospective contrasts the published writings (which read like short stories) with the author's confessional memoir, forming a most unusual portrait of a well-intentioned, obsessively inventive (but ethically challenged) visionary."--Publisher description.

A Life of Being, Having, and Doing Enough Nov 18 2022 From the moment we are born, we are seekers. Our culture obsessively promotes the pursuit of money, success and self-improvement. At the end of each activity-jammed day, though, we collapse into bed discouraged by everything we have not checked off on our to-do lists, in despair that whatever we have accomplished is never enough. Worse still, when our dreams become derailed by the inherent tragedies of life—job loss, financial peril, sickness, or the death of a loved one—we feel devastated by the pain and injustice of it all. Nationally renowned author, therapist, and minister Wayne Muller offers healing for the perpetually stressed in *A Life of Being, Having, and Doing Enough*. By learning compassion and mercy for ourselves and by recognizing what is most profoundly true about who we are and what we need, we can gain the self-acceptance so that whatever we choose to do, in this moment, it is wholly enough. Muller mixes the writings of great spiritual and political leaders with inspirational anecdotes from his own life, inviting us to derive more satisfaction from less and pull gratitude out of the ashes of grief. The answer to what he describes as "authentic happiness" lies not in seeing the glass as half full instead of half empty. In reality, he writes, the glass is always half full and half empty. The world is neither broken nor whole, but eternally engaged in rhythms between joy and sorrow. With Muller's guidance, we may find ourselves on the most courageous spiritual pilgrimage of our lives.

A Book For Life Feb 21 2023 'The A List Shaman' - The Times Magazine 'A must-read packed full of aha moments.' - Naomie Harris OBE, Actor 'It's interesting, fun and it's relevant to all of us ... Perhaps the key thing for me is the feeling that Jo is talking from her heart rather than writing from her brain ... It's important.' - Sarah Stacey, Victoria Health Jo Bowlby is a world-renowned Shaman, coach and mentor. This very special book is filled with insights and practices which for centuries were only known by spiritual teachers and their devotees, but which Jo Bowlby has used to underpin her powerful work as a Shaman, coach and mentor. 'Really enjoying this. Not your usual self-help book. It's succinct, very well written and not selling nonsense. Highly recommended.' - Levison Wood

The Death and Life of Great American Cities May 20 2020 In this classic text, Jane Jacobs set out to produce an attack on current city planning and rebuilding and to introduce new principles by which these should be governed. The result is one of the most stimulating books on cities ever written. Throughout the post-war period, planners temperamentally unsympathetic to cities have been let loose on our urban environment. Inspired by the ideals of the Garden City or Le Corbusier's Radiant City, they have dreamt up ambitious projects based on self-contained neighbourhoods, super-blocks, rigid 'scientific' plans and endless acres of grass. Yet they seldom stop to look at what actually works on the ground. The real vitality of cities, argues Jacobs, lies in their diversity, architectural variety, teeming street life and human scale. It is only when we appreciate such fundamental realities that we can hope to create cities that are safe, interesting and economically viable, as well as places that people want to

live in. 'Perhaps the most influential single work in the history of town planning... Jacobs has a powerful sense of narrative, a lively wit, a talent for surprise and the ability to touch the emotions as well as the mind' New York Times Book Review
This Book Will Save Your Life Jul 22 2020 This Book Will Save Your Life is an uplifting story about one man's efforts to bring himself back to life. Richard is a modern-day everyman, a middle-aged divorcee trading stocks out of his home in Los Angeles who needs no one. His life has slowed almost to a standstill until two incidents conspire to hurl him back into the world. One day he wakes up with a knotty cramp in his back, which rapidly develops into an all-consuming pain. At the same time a wide sinkhole appears outside his living-room window, threatening the foundations of his house. A vivid novel about compassion and transformation, *This Book Will Save Your Life* reveals what can happen if you are willing to open yourself up to the world around you. Since her debut in 1989, A. M. Homes has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her keen ability to explore how extraordinary the ordinary can be is at the heart of this touching and funny novel, which was shortlisted for the Richard & Judy Book Club in 2007.

The Life of Stuff Nov 06 2021 Shortlisted for the James Tait Black biography prize 2019 'A moving memoir.' Sunday Times 'Gripped me from the first page.' Clover Stroud, author of *My Wild and Sleepless Nights* 'A gripping read... a riveting piece of writing.' Radio 4 _____ What do our possessions say about us? Why do we project such meaning onto them? What becomes of the things we leave behind? Only after her mother's death does Susannah Walker discover how much of a hoarder she had become. Over the following months, Susannah has to sort through a dilapidated house filled to the brim with rubbish and treasures - filling bag after bag with possessions. But what she's really in search of is a woman she'd never really known or understood in life. This is her last chance to piece together her mother's story and make sense of their troubled relationship. What emerges from the mess of scattered papers, discarded photographs and an extraordinary amount of stuff is the history of a sad and fractured family, haunted by dead children, divorce and alcohol. *The Life of Stuff* is a deeply personal exploration of mourning and the shoring up of possessions against the losses and griefs of life, which also raises universal questions about what makes us the people we are. _____ 'Compelling and moving.' Ruth Hogan 'An excellent memoir.' Cathy Rentzenbrink

A Life for a Life Jul 14 2022 Nobody can get into the mind of an erratic killer--except an unpredictable detective. When a young man is found lying on a station platform with a hole in his head, DI Kate Young is called in to investigate the grisly murder. But the killing is no one-off. As bodies start to pile up, she is faced with what might be an impossible task--to hunt down a ruthless killer on a seemingly random rampage. Meanwhile, Kate has her own demons to battle as she struggles to come to terms with her husband's death. And she is hell-bent on exposing corruption within the force and bringing Superintendent John Dickson to justice. But with the trail of deception running deeper--and closer to home--than she could ever have imagined, she no longer knows who she can trust. With her grip on reality slipping, Kate realises that maybe she and the killer are not so different after all. But time is running out and Kate is low on options. Can she catch the killer before she loses everything?

What a Life! Apr 18 2020 On August 17 1911--seven years before Max Ernst took up scissors and paste to create his early Dada art--WHAT A LIFE! was published in London by Methuen & Co. The authors, Edward Verrall Lucas (a travel writer) and George Morrow (an illustrator and regular contributor to PUNCH), produced their satirical autobiography using illustrations cut from the pages of Whiteley's General Catalogue. This inspired act of artistic vandalism was a precursor to many works of avant-garde art and satire. Black Scat Books brings this sublime work back to life in its Absurdist Texts & Documents series.

I Live a Life Like Yours Nov 13 2019 'Superb... up-ends received wisdom about disability... Humbling, dark, bright, defiant, generous... revolutionary' David Mitchell, author of *Cloud Atlas* A profoundly beautiful memoir about disability, difference, and living as a vulnerable body Jan Grue had just become a father when he inherited a stack of his childhood medical records. Following a diagnosis of spinal muscular atrophy at the age of three, the raft of doctors' notes, clinical descriptions and case histories defined his body as defective and his future as bleak and limited. They conjured a childhood nothing like the one he remembered, that failed to anticipate the life he lived now. *I Live a Life Like Yours* is Grue's beautiful, groundbreaking search for a literary language that could better tell his story. Writing with clear-eyed wisdom and bracing frankness, Grue folds insights from art, film and literature into an expansive account of who he was expected to be, and who he became. If it is a story of frustration with negligent institutions and the pain of stigma, it is also a story of the potential of acceptance and the gift of family. Unflinching, yet always compassionate, *I Live a Life Like Yours* is a fierce and tender reckoning with what it means to live as a vulnerable body.

A Del of a Life Aug 15 2022 THE #1 SUNDAY TIMES BESTSELLER: a hilarious and heartfelt new autobiography from the national treasure Sir David Jason 'There are British telly icons and then there is Sir David Jason. This book is such gold . . . an absolute delight' ZOE BALL _____ 'During my life and career I have been given all sorts of advice and learned huge amounts from some great and enormously talented people. I've been blessed to play characters such as Derek Trotter, Granville, Pop Larkin and Frost, who have changed my life in all sorts of ways, and taught me lessons that go far beyond the television set. And I've worked a few things out for myself as well, about friendship, ambition, rejection, success, failure, adversity and fortune. With any luck, some of these thoughts and observations will chime with episodes and challenges you have faced, or are facing, in your own life. And if they don't. . . well, hopefully, at the very least you'll get to have a good old laugh at my expense. So lean back, pour yourself a glass, and try not to fall through the bar flap . . .'

_____ 'An absolute delight . . . a romp with so much detail. Offers wisdom in difficult times . . . like being invited into his living room' BBC BREAKFAST 'It's beautifully written . . . so conversational and chatty . . . it's so lovely and warm' CHRIS MOYLES

A Life on Our Planet Dec 07 2021 With a new afterword, *Why You Are Here: A speech on the opening of the COP26 climate summit* As a young man, I felt I was out there in the wild, experiencing the untouched natural world - but it was an illusion. The tragedy of our time has been happening all around us, barely noticeable from day to day - the loss of our planet's wild places, its biodiversity. I have been witness to this decline. *A Life on Our Planet* contains my witness statement, and my vision for the future - the story of how we came to make this, our greatest mistake, and how, if we act now, we can yet put it right. We have the opportunity to create the perfect home for ourselves and restore the wonderful world we inherited. All we need is the will do so.

Karl Lagerfeld Jul 02 2021 The definitive biography of Karl Lagerfeld--the last iconic fashion designer--now in paperback! "It starts with me and it ends with me." --Karl Lagerfeld Karl Lagerfeld stylized himself into a living logo and a myth of the fashion world. In *Karl Lagerfeld: A Life in Fashion*, journalist Alfons Kaiser, who knew Lagerfeld personally for many years, introduces readers to the public and private life of the charismatic fashion designer. Kaiser explores the many eras of Lagerfeld's life: the youthful outsider in the north German flatlands; the urbane genius in Paris; the tireless draftsman; the enthusiastic photographer; the passionate book collector; and the disciplined Prussian workaholic. What is behind this larger-than-life figure who, despite a massively public persona, kept his own life story a secret? Drawing from many previously untapped sources, this biography investigates the man behind the persona: the precocious boy who preferred to draw in the attic rather than play with his peers; the son who quarreled with his parents but never got away from them; Yves Saint Laurent's competitor, whom he outshone in the end; the brother, uncle, and friend--and finally, the partner of Jacques de Bascher, the great love of his life.

A Life of One's Own Dec 19 2022 How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In *A Life of One's Own* Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy – ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness – whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background.

from Indian author Arpita Jana is a book about the beauty of the human condition. Life in the modern world can be challenging and it's easy to lose sight of all we have to be thankful for. The author's main purpose in writing the book was to remind us just what a wonderful gift life is, while energizing and inspiring readers to live life to the fullest.

A Life of My Own Oct 17 2022 A Sunday Times Top 10 Bestseller As one of the best biographers of her generation, Claire Tomalin has written about great novelists and poets to huge success: now, she turns to look at her own life. This enthralling memoir follows her through triumph and tragedy in about equal measure, from the disastrous marriage of her parents and the often difficult wartime childhood that followed, to her own marriage to the brilliant young journalist Nicholas Tomalin. When he was killed on assignment as a war correspondent she was left to bring up their four children - and at the same time make her own career. She writes of the intense joys of a fascinating progression as she became one of the most successful literary editors in London before discovering her true vocation as a biographer, alongside overwhelming grief at the loss of a child. Writing with the élan and insight which characterize her biographies, Claire Tomalin sets her own life in a wider cultural and political context, vividly and frankly portraying the social pressures on a woman in the Fifties and Sixties, and showing 'how it was for a European girl growing up in mid-twentieth-century England ... carried along by conflicting desires to have children and a worthwhile working life.'

A Way of Life, Like Any Other Mar 18 2020 The hero of Darcy O'Brien's *A Way of Life, Like Any Other* is a child of Hollywood, and once his life was a glittery dream. His father starred in Westerns. His mother was a goddess of the silver screen. The family enjoyed the high life on their estate, Casa Fiesta. But his parents' careers have crashed since then, and their marriage has broken up too. Lovesick and sex-crazed, the mother sets out on an intercontinental quest for the right—or wrong—man, while her mild-mannered but manipulative former husband clings to his memories in California. And their teenage son? How he struggles both to keep faith with his family and to get by himself, and what in the end he must do to break free, makes for a classic coming-of-age story—a novel that combines keen insight and devastating wit to hilarious and heartbreaking effect.

Rock and Roll Will Save Your Life Feb 15 2020 Drooling fanatic, n. 1. One who drools in the presence of beloved rock stars. 2. Any of a genus of rock-and-roll wannabes/geeks who walk around with songs constantly ringing in their ears, own more than 3,000 albums, and fall in love with at least one record per week. With a life that's spanned the phonographic era and the digital age, Steve Almond lives to Rawk. Like you, he's secretly longed to live the life of a rock star, complete with insane talent, famous friends, and hotel rooms to be trashed. Also like you, he's content (sort of) to live the life of a rabid fan, one who has converted his unrequited desires into a (sort of) noble obsession. *Rock and Roll Will Save Your Life* traces Almond's passion from his earliest (and most wretched) rock criticism to his eventual discovery of a music-crazed soul mate and their subsequent production of two little superfans. Along the way, Almond reflects on the delusional power of songs, the awkward mating habits of drooling fanatics, and why Depression Songs actually make us feel so much better. The book also includes: • sometimes drunken interviews with America's finest songwriters • a recap of the author's terrifying visit to Graceland while stoned • a vigorous and credibility-shattering endorsement of Styx's Paradise Theater • recommendations you will often choose to ignore • a reluctant exegesis of the Toto song "Africa" • obnoxious lists sure to piss off rock critics But wait, there's more. Readers will also be able to listen to a special free mix designed by the author, available online at www.stevenalmond.com, for the express purpose of eliciting your drool. For those about to rock—we salute you!
