The Great Wall of Confinement Nov 27 2022 "China is so big and so diverse that, as in the proverbial blind man touching an elephant, contemporary descriptions that vary dramatically can all be true. Few visitors to glittering Shanghai or Shenzhen, for example, will get any impression of the gaping gray maw of the government's prison camp system that Philip Williams and Yenna Wu, basing themselves on a vast range of Chinese sources, illuminate in erudite detail. The authors look at every facet of the camps, place them within China's historical tradition, and compare them with modern analogues. Throughout, literary and autobiographical sources give the 'feel' for the deadening world of the camps."—Perry Link, author of *The Uses of Literature: Life in the Socialist Chinese Literary System*

"The Great Wall of Confinement deals with issues ranging from the legal grounding—or the lack of any—of the Chinese concentration camp system, to its technical implementation, its discursive manifestation, and its physical as well as psychological impact. A book like this is long overdue. With this work, Williams and Wu have made an important contribution to the fields of Chinese legal and literary studies."—David Der-wei Wang, author of *The Monster That Is History*

"The Great Wall of Confinement is an excellent book. It synthesizes an already significant corpus of writings on Chinese prisons and labor camps, marshals an array of literary sources as essential historical source materials, and compares the literature of Chinese incarceration with its Soviet and European counterparts. The value of this important study stems equally from its tone—a rare combination of a level-headed quality with a very fine sensitivity to the human tragedy recounted in this literature."—Jean-Luc Domenach, author of *Où va la Chine? (Where does China Go?)*

"The Great Wall of

Confinement has attempted to lift part of the veil on China's long lasting tragedy: the use of imprisonment, torture, forced labor against its citizens, whether criminals, feeble minded or simply political opponents. The angle is new; the question is to find out how Chinese have written on this subject, whether in fiction or reportage, the way they went about telling their stories, how much they said, or withheld. Through Philip Willams and Yenna Wu's thought-provoking analysis of such writings, of the cultural origins of forced labor and imprisonment in imperial and Communist China, one comes closer to this sinister reality, which remains to this day one of the best kept secrets of our planet."—Marie Holzman, President of the Association Solidarité Chine

*Hellmira* Oct 22 2019 Long called by some the "Andersonville of the North," the prisoner of war camp in Elmira, New York, is remembered as the most notorious of all Union-run POW camps. It existed for only a year—from the summer of 1864 to July 1865—but in that time, and for long after, it became darkly emblematic of man's inhumanity to man. Confederate prisoners called it "Hellmira." Hastily constructed, poorly planned, and overcrowded, prisoner of war camps North and South were dumping grounds for the refuse of war. An unfortunate necessity, both sides regarded the camps as temporary inconveniences—and distractions from the important task of winning the war. There was no need, they believed, to construct expensive shelters or provide better rations. They needed only to sustain life long enough for the war to be won. Victory would deliver prisoners from their conditions. As a result, conditions in the prisoner of war camps amounted to a great humanitarian crisis, the extent of which could hardly be understood even after the blood stopped flowing on the battlefields. In the years after the war, as Reconstruction became increasingly bitter, the North pointed to Camp Sumter—better known as the Andersonville POW camp in Americus, Georgia—as evidence of the cruelty and barbarity of the Confederacy. The South, in turn, cited the camp in Elmira as a place where Union authorities withheld adequate

food and shelter and purposefully caused thousands to suffer in the bitter cold. This finger-pointing by both sides would go on for over a century. And as it did, the legend of Hellmira grew. In *Hellmira: The Union's Most Infamous POW Camp of the Civil War*, Derek Maxfield contextualizes the rise of prison camps during the Civil War, explores the failed exchange of prisoners, and tells the tale of the creation and evolution of the prison camp in Elmira. In the end, Maxfield suggests that it is time to move on from the blame game and see prisoner of war camps—North and South—as a great humanitarian failure.

My Friend, the Enemy Jun 22 2022 A young girl is separated from her family and put in a concentration camp, but she finds ways to survive and deal with her fears. This story teaches children that they are in charge of their attitudes and not victims of the things that happen to them. Part of the Children of Courage series. Full-color pastel illustrations.

*The Jackal: Prison Camp* Apr 28 2020 The location of the glymera's notorious prison camp was lost after the raids. When a freak accident provides Nyx clues to where her sister may still be doing time, she becomes determined to find the secret subterranean labyrinth. Embarking on a journey under the earth, she learns a terrible truth -- and meets a male who changes everything forever.

Rightlessness Apr 08 2021 In this bold book, A. Naomi Paik grapples with the history of U.S. prison camps that have confined people outside the boundaries of legal and civil rights. Removed from the social and political communities that would guarantee fundamental legal protections, these detainees are effectively rightless, stripped of the right even to have rights. Rightless people thus expose an essential paradox: while the United States purports to champion inalienable rights at home and internationally, it has built its global power in part by creating a regime of imprisonment that places certain populations perceived as threats beyond rights. The United States' status as the guardian of rights coincides with, indeed depends on, its creation of rightlessness. Yet rightless people are not

silent. Drawing from an expansive testimonial archive of legal proceedings, truth commission records, poetry, and experimental video, Paik shows how rightless people use their imprisonment to protest U.S. state violence. She examines demands for redress by Japanese Americans interned during World War II, testimonies of HIV-positive Haitian refugees detained at Guantanamo in the early 1990s, and appeals by Guantanamo's enemy combatants from the War on Terror. In doing so, she reveals a powerful ongoing contest over the nature and meaning of the law, over civil liberties and global human rights, and over the power of the state in people's lives.

*The Ruhleben Prison Camp* Oct 15 2021 Excerpt from *The Ruhleben Prison Camp: A Record of Nineteen Months' Internment* The Ruhleben Camp is only one of about a hundred and fifty prisoners of war camps in Germany, but its name is probably the most widely known on this side of the North Sea, owing to its being the camp in which all British civilians of military age in the German Empire are concentrated, and to the frequency with which its affairs have engaged the attention of both Houses of Parliament in this country. I was interned there for nineteen months, from November 6, 1914, unto June 6, 1916. Previous to my internment I was imprisoned for a few days in September, 1914, solely on the ground of my being a British subject, in the Stadtvogtei Gefangnis, Berlin. On the day of my removal to Ruhleben I was again locked up for a few hours in that same jail, which served as a collecting - station, and five months later I was lodged within its walls for the third and longest period. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. **Great Escapes #1: Nazi Prison Camp Escape Jun 10 2021** Are you ready for some of the most exciting, death-defying escape stories ever told? Perfect for fans of the **I Survived** series, the first installment in a brand-new, edge-of-your-seat series based on real events! In spring 1942, Royal Air Force pilot Bill Ash's plane was shot down by Germans, who captured and eventually brought him to Stalag Luft III, a notorious camp for prisoners of war. The Germans boasted that the camp—which was isolated, heavily guarded, and surrounded by wire fences—was escape proof. But Ash was ready to prove them wrong. He, along with other POWs, would dig tunnels, hide in shower drains, or jump on trucks—all in the name of freedom. Because resisting the Germans was their mission, and escaping was their duty. From reluctant reader to total bookworm, each book in this page-turning series—featuring fascinating bonus content and captivating illustrations—will leave you excited for the next adventure!

*Do the Birds Still Sing in Hell? - He escaped over 200 times from a notorious German prison camp to see the girl he loved. This is the incredible true story of Horace Greasley* Feb 04 2021 Horace 'Jim' Greasley was 20 years old in the spring of 1939 when Adolf Hitler invaded Czechoslovakia and latterly Poland. There had been whispers and murmurs of discontent from certain quarters and the British government began to prepare for the inevitable war. After seven weeks training with the 2nd/5th Battalion Leicester, he found himself facing the might of the German army in a muddy field south of Cherbourg, in Northern France, with just thirty rounds of ammunition in his weapon pouch. Horace's war didn't last long. He was taken prisoner on 25th May 1940 and forced to endure a ten week march across France and Belgium en-route to Holland. Horace survived...barely... Many of his fellow comrades were not so fortunate. Falling by the side of the road through sheer

exhaustion and malnourishment meant a bullet through the back of the head and the corpse left to rot. After a three day train journey without food and water, Horace found himself incarcerated in a prison camp in Poland. It was there he embarked on an incredible love affair with a German girl interpreting for his captors. He experienced the sweet taste of freedom each time he escaped to see her, yet incredibly he made his way back into the camp each time, sometimes two, three times every week. He brought food back to his fellow prisoners to supplement their meager rations. He broke out of the camp over two hundred times and towards the end of the war even managed to bring radio parts back in. The BBC news would be delivered daily to over 3,000 prisoners. This is an incredible tale of one man's adversity and defiance of the German nation. ?

Surviving Federal Prison Camp Jan 06 2021 Do any of us ever think about going to prison? Or being the focus of an investigation by the Federal Bureau of Investigation? How does it feel having your life turned upside down by a tenacious Federal Prosecutor who wants you in jail? Have you ever been threatened with obstruction of justice, tax evasion or being subpoenaed before the Grand Jury? Can you imagine having to make a decision to plead guilty to save your sanity? Think how intimidating it is to fight a giant with unlimited money, resources and power. Can you imagine how you would feel when a judge sentences you to prison? Jerry Luongo was an upstanding member of his community and his church, a revered elected official, a family man and an educator whose life was committed to children. In April of 2001, his world began to come apart. He began to face all those questions. When he was sentenced to a Federal Prison Camp, he had nowhere to turn for information. When he was released, he promised to help others in the same predicament. This book is for you and your family. It will help guide you through the maze at a most difficult time. Book jacket.

Sonnets from a Prison Camp May 22 2022

Two Slices of Bread Dec 05 2020 As a young child in WW2, Ingrid Coles was interned in a Japanese concentration camp.

Two Slices of Bread traces Ingrid's background and growing-up years in Holland, reveals the secret of her successful life in her country of adoption (New Zealand); and how she overcame the hurts and hurdles of the past-even to how she forgave her captors.

Story of Camp Douglas Apr 20 2022 If you were a Confederate prisoner during the Civil War, you might have ended up in this infamous military prison in Chicago. More Confederate soldiers died in Chicago's Camp Douglas than on any Civil War battlefield. Originally constructed in 1861 to train forty thousand Union soldiers from the northern third of Illinois, it was converted to a prison camp in 1862. Nearly thirty thousand Confederate prisoners were housed there until it was shut down in 1865. Today, the history of the camp ranges from unknown to deeply misunderstood. David Keller offers a modern perspective of Camp Douglas and a key piece of scholarship in reckoning with the legacy of other military prisons.

Lost Childhood Mar 27 2020 The author recounts her childhood experiences as a Japanese prisoner during World War II.

Living with the Enemy Jun 30 2020 This account shows what life was like inside the Great War German prisoner-of-war camp built at Poundbury hill fort in Dorchester, Dorset, and reveals the extraordinary stories - some dramatic, some tragic, others humorous - that resulted from the forced co-existence between enemies.

Outwitting the Hun Nov 03 2020

Outwitting the Hun Oct 03 2020 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Lost Time Mar 20 2022 The first translation of painter and

writer Józef Czapski's inspiring lectures on Proust, first delivered in a prison camp in the Soviet Union during World War II. During the Second World War, as a prisoner of war in a Soviet camp, and with nothing but memory to go on, the Polish artist and soldier Józef Czapski brought Marcel Proust's *In Search of Lost Time* to life for an audience of prison inmates. In a series of lectures, Czapski described the arc and import of Proust's masterpiece, sketched major and minor characters in striking detail, and movingly evoked the work's originality, depth, and beauty. Eric Karpeles has translated this brilliant and altogether unparalleled feat of the critical imagination into English for the first time, and in a thoughtful introduction he brings out how, in reckoning with Proust's great meditation on memory, Czapski helped his fellow officers to remember that there was a world apart from the world of the camp. Proust had staked the art of the novelist against the losses of a lifetime and the imminence of death. Recalling that triumphant wager, unfolding, like Sheherazade, the intricacies of Proust's world night after night, Czapski showed to men at the end of their tether that the past remained present and there was a future in which to hope.

*Surviving a World War II Prison Camp* Aug 25 2022 During World War II, Louis Zamperini survived a plane crash, 46 days stranded on a life raft at sea, and two years in a prisoner-of-war camp. Discover how his strong will and positive attitude helped him survive against all odds.

Wolf – Black Dagger Prison Camp 2 Aug 01 2020 Der attraktive Wolven Lucan arbeitet als Drogendealer. Nicht ganz freiwillig allerdings, und so ganz ungefährlich ist sein Job auch nicht, denn er schmuggelt die Drogen heimlich für das berühmt-berüchtigte Hochsicherheitsgefängnis der Glymera. Dort begegnet er eines Tages der hinreißenden Rio, der Stellvertreterin des mächtigen Drogenbosses Mozart. Als ein Deal schief geht, und Rio in tödliche Gefahr gerät, ist es an Lucan, die Frau zu retten, die er nicht mehr vergessen kann ...

A Child in Prison Camp Jan 18 2022 When Shizuye Takashima,

"Shichan" as she was called, was eleven years old, her entire world changed forever. As a Japanese-Canadian in 1941, she was among thousands of people forced from their homes and sent to live in internment camps in the Canadian Rockies. Although none had been convicted of any crime, they were considered the enemy because the country was at war with Japan. In this true story of sadness and joy, Shichan recalls her life in the days leading up to her family's forced movement to the camp, her fear, anger, and frustration as the war drags on, and the surprising joys in the camp: a Kabuki play, holiday celebrations, and the ever-present beauty of the stars.

Slow Dying Dec 17 2021 Following the Bosnian War and his immigration to the U.S., Serbian refugee Milenko Milanovic would awaken from horrifying dreams-- vestiges of his eight-month imprisonment in the Bosnian war camp at Visoko. For years, Milanovic's memories remained suppressed, but his experiences lived on in the loose-leaf diary he had kept hidden in the lining of his jacket. After his release, he compiled these notes a harrowing volume that details his capture and subsequent internment. This edition presents his diary in English for the first time, accompanied by contributions from his fellow prisoners and Milanovic's own reflections on his imprisonment and life as a refugee.

Camp 165 Watten May 10 2021 Drawing on oral testimonies and other sources, this book contains the history of one of the most secretive prisoner of war camps in the United Kingdom.

*In Battle & Captivity* May 29 2020 Initially published in 1917 under the title *On the Right of the British Line*, this is the first book written by the extraordinary Captain Gilbert Nobbs. Dedicated to his ever loving wife, the harrowing memories and experiences of Nobbs at the Battle of the Somme and after are captured here in a rare account of what proved to be one of the most ultimately futile battles and the agonising aftermath.??Following his journey from the fields of the Somme into German custody, *In Battle & Captivity 1916-1918* provides an unflinching report of the dramatic losses felt during the horrific Battle of the

Somme. However, the book manages to maintain a message of hope that, despite experiencing the barbarity of German captivity, there can still be happiness, as Nobbs proclaimed, 'I do not deplore the loss of my sight, for I can say in all sincerity that I was never happier in my life than I am today.'??During the Somme Offensive he led his company in an assault on the German trenches and sustained a shot to the head, which left him permanently blind when the bullet exited through his right eye. Grievously wounded, Nobbs lay undiscovered in a shell-hole as the battle raged round him. After two days he was found and awoke to find himself in a German hospital. Once his wounds had been treated Nobbs was sent to a POW camp where he remained for three months. ??Fortunately, one month later the truth was discovered, and in December 1916, Nobbs returned to England, where his home, wife and family awaited him. This is the astonishing autobiographical account of Henry Gilbert Nobbs, an extraordinary man of inexhaustible energy whose memoirs will forever provide one of life's enduring monuments to the human spirit.

*Prison Camps of the Civil War* Sep 13 2021 Looks at the situation of prisoners in the Civil War, where they were held, their care, and eventual exchange or release, including diagrams of Andersonville and Libby Prisons.

*Ruhleben, a Prison Camp Society* Jan 30 2023 "Ruhleben internment camp was a civilian detention camp during World War I. It was located in Ruhleben, then a village 10 km (6.2 mi) to the west of Berlin, now split between the districts of Spandau and Charlottenburg-Wilmersdorf. The camp was originally a horse racecourse ... The camp detainees included male citizens of the Allied Powers living, studying, working or on holiday in Germany at the outbreak of World War I. They also included the crews of several civilian ships stranded in German harbours or captured at sea. There were also quite a number of fishermen captured from trawlers which were sunk in the North Sea in the first days of the war - these were mainly men from Hull, Grimsby and Boston. The camp contained between 4,000 and 5,500 prisoners, most of them British."--Wikipedia.

*Reports on British Prison-camps in India and Burma* Aug 13 2021

*The Zone* Feb 28 2023 Written in Sergei Dovlatov's unique voice and unmatched style, *The Zone* is a satirical novelization of Dovlatov's time as a prison guard for the Soviet Army in the early 1960s. Snapshots of the prison are juxtaposed with the narrator's letters to Igor Markovich of Hermitage Press in which he urges Igor to publish the very book we're reading. As Igor receives portions of the prison camp manuscript, so too does the reader. Arguably Dovlatov's most significant work, *The Zone* illuminates the twisted absurdity of the life of a prison guard: "Almost any prisoner would have been suited to the role of a guard. Almost any guard deserved a prison term." Full of Dovlatov's trademark dark humor and dry wit, *The Zone's* narrator is an extension of his author, and the book fittingly begins with the following disclaimer: "The names, events, and dates given here are all real. I invented only those details that were not essential. Therefore, any resemblance between the characters in this book and living people is intentional and malicious. And all fictionalizing was unexpected and accidental." What follows is a complex novel that captures two sides of Dovlatov: the writer and

the man.

*When Europe Was a Prison Camp* Dec 29 2022 In a compelling approach to storytelling, *When Europe Was a Prison Camp* weaves together two accounts of a family's eventual escape from Occupied Europe. One, a memoir written by the father in 1941; the other, begun by the son in the 1980s, fills in the story of himself and his mother, supplemented by historical research. The result is both personal and provocative, involving as it does issues of history and memory, fiction and "truth," courage and resignation. This is not a "Holocaust memoir." The Schrags were Jews, and Otto was interned, under execrable conditions, in southern France. But Otto, with the help of a heroic wife, escaped the camp before the start of massive transfers of prisoners "to the East," and Peter and his mother escaped from Belgium before the Jews were rounded up and sent to Auschwitz. Yet, the danger and suffering, the comradeship and betrayal, the naïve hopes and cynical despair of those in prison and those in peril are everywhere in evidence.

Uncle Tom at War - from Penmachno to Prison Camp Nov 15 2021 The story of Thomas Williams, born in Penmachno, Gwynedd, who worked as a tailor until he joined the Liverpool Scottish Regiment in November 1915. He was injured in France, and spent time in hospital in Ashton-under-Lyne before returning to the front in November 1917. Tom was shot and captured, and ended up in a prisoner-of-war camp in Germany. This is the story of Thomas Williams, born in Penmachno, Gwynedd, who worked as a tailor until he joined the Liverpool Scottish Regiment in November 1915. He was injured in France, and spent time in hospital in Ashton-under-Lyne before returning to the front in November 1917. Tom was shot and captured, and ended up in a prisoner-of-war camp in Germany. He was finally discharged from the army in March 1919. Throughout this time Tom was sending postcards and photographs home to his family. They illustrate the book wonderfully: one postcard was a photograph of twenty-three prisoners in the POW camp, with the inscription: Some Jolly Boys of Wales! The correspondence was addressed to Toms niece Kate, the

authors mother, who was ten when Tom came home from the war.

Theatre in the Solovki Prison Camp Jul 24 2022 There were theatres in many Soviet concentration camps. What were they like? Can we regard them as an artistic phenomenon? Do they constitute a distinct unity? This account provides answers to these questions as well as precise dates and names of the theatre managers, directors and actors. There were theatres in many Soviet concentration camps. What were they like? Can we regard them as an artistic phenomenon? Do they constitute a distinct unity? It has been difficult to answer these and many other questions concerning the term "concentration camp theatre" mainly because the KGB archives are still largely inaccessible and few are still alive of those who worked in the theatres of the "world behind the barbed wire". The most important theatre of this kind, serving as a model for others, was in the Solovki camp for political prisoners. This account provides precise dates and names of the theatre managers, directors and actors.
