Love and family. War and secrets. Betrayal and redemption. #1 New York Times bestselling author Susan Wiggs returns with a deeply emotional and atmospheric story that spans oceans and decades, from the present-day Delaware shore to the battlefields of WWII France. Widowed by an unspeakable tragedy, Camille Palmer has made her peace with the past and settled into the quiet safety of life with her teenage daughter Julie in a sleepy coastal town. Then the arrival of a mysterious package breaks open the door to her family's secret past. In uncovering a hidden history, Camille has no idea that she's embarking on an adventure that will utterly transform her. Camille, Julie, and Camille's father return to the French town of his youth, sparking unexpected memories — recollections that will lead them back to the dark days of the Second World War. And it is in the stunning Provençal countryside that they will uncover their family's surprising history. While Provence offers answers about the past, it also holds the key to Camille's future. Along the way, she meets a former naval officer who stirs a passion deep within her — a feeling that she thought she'd never experience again. “Susan Wiggs seamlessly melds historical drama with contemporary romance,” raves Mary Kay Andrews. Now, this hugely popular author has created her biggest, most powerful story yet — a beautiful and heartfelt novel that celebrates the bonds of family and pays homage to the sacrifices of the past. As the great fire of 1871 rages across Chicago, two young lovers with no hope of rescue marry, only to survive and have to face lies they have both told. When cartoonist Sarah Moon is faced with her cancer survivor husband's infidelity, she returns home to California, where she discovers that unexpected change and an old flame can be like a breath of fresh air for both her body and soul. Book 3 of the Calhoun Chronicles by #1 New York Times bestselling author Susan Wiggs. Washington, D.C., 1870s At a glittering White House gala, Abigail Cabot discovers the man of her dreams. Only, he's not interested...yet. So the gifted lady astronomer, whose passion for measuring stars has left her woefully lacking in social graces, seeks someone to educate her...someone who is a master at the art of seduction. Jamie Calhoun's handsome looks and easy charm have made him as popular on the Senate floor as he is with the capital's most attractive women. But secretly he loathes the cynical, manipulative man he's become. Initially, he befriends Abigail as a means to a political end. But somewhere along the way the plan goes awry. First laughter and then love take them completely by surprise in this wildly romantic story. For a man convinced he's incapable of love and a woman who believes she can reach the stars, could this be a match made in heaven? A historical romance. When she returns home to her family's lakeside cottage, Kate discovers that a teenager has moved in without permission, and she becomes involved in the girl's situation while dealing with a neighbor with a dangerous secret. “Never underestimate the power of a group of women. Fierce, thoughtful and dramatic—this is a story of true courage.” —Susan Wiggs, New York Times bestselling author She would stop at nothing to protect the women under her care. Inside a century-old row house in Brooklyn, renegade Sister Evelyn and her fellow nuns preside over a safe haven for the abused and abandoned. Gruff and indomitable on the surface, warm and wry underneath, little daunts Evelyn, until she receives word that Mercy House will be investigated by Bishop Hawkins, a man with whom she shares a dark history. In order to protect everything they've built, the nuns must conceal many of their methods, which are forbidden by the Catholic Church. Evelyn will go to great lengths to defend all that she loves. She confronts a gang member, defies the church, challenges her own beliefs, and faces her past. She is bolstered by the other nuns and the vibrant, diverse residents of the shelter—Lucia, Mei-Li, Desiree, Esther, and Katrina—whose differences are outweighed by what unites them: they've all been broken by men but are determined to rebuild. Amidst her fight, Evelyn discovers the extraordinary power of mercy and the grace it grants, not just to those who receive it, but to those strong enough to bestow it.
