That is unless I can convince the concierge, Lucy Wilson at 425 Madison to finally take me up on that offer to go out on a date. She's beautiful, friendly, and her compassion for each and every one of the residents is admirable. Something tells me that she doesn't see herself that way at all though. This is why I've made it my mission to break her out of her overly cautious shell starting with a lucky penny and a \$10 raffle ticket. It was all supposed to be a little fun but when a large dose of lucky graces us, everything suddenly becomes unexpected. Lucy He thinks I don't see him, but I do. Oh yes, I've been aware of the all too good looking Kevin Harper for quite some time now. The thing is, I'm not sure that we have enough in common and I sure don't have the free time for a social life between my job and school. Dating? That's pretty far down on the list of things I'd like to check off - not by choice. That is until Kevin convinces me that a little fun is good for the soul. What started as a \$10 raffle ticket turned into a vacation in Vegas and a whole lot of expectations that neither of us saw coming. I always believed in fairy tales, but I wonder if what we have is too good to be true. I can only hope that it's true what they say...After all, 425 Madison is the perfect place to fall in love.

*A Shout in the Ruins* Oct 29 2020 Set in Virginia during the Civil War and a century beyond, this novel by the award-winning author of *The Yellow Birds* explores the brutal legacy of violence and exploitation in American society. "A masterpiece. Powers has written a novel that includes all the ferocity, complexity, and racial violence of the American South" --- Philipp Meyer, author of *American Rust* Spanning over one hundred years, from the antebellum era to the 1980's, *A Shout in the Ruins* examines the fates of the inhabitants of Beauvais Plantation outside of Richmond, Virginia. When war arrives, the master of Beauvais, Anthony Levallois, foresees that dominion in a new America will be measured not in acres of tobacco under cultivation by his slaves, but in industry and capital. A grievously wounded Confederate veteran loses his grip on a world he no longer understands, and his daughter finds herself married to Levallois, an arrangement that feels little better than imprisonment. And two people enslaved at Beauvais plantation, Nurse and Rawls, overcome impossible odds to be together, only to find that the promise of coming freedom may not be something they will live to see. Seamlessly interwoven is the story of George Seldom, a man orphaned by the storm of the Civil War, looking back from the 1950s on the void where his childhood ought to have been. Watching the government destroy his neighborhood to build a stretch of interstate highway through Richmond, he travels south in an attempt to recover his true origins. With the help of a young woman named Lottie, he goes in search of the place he once called home, all the while reckoning with the more than 90 years he lived as witness to so much that changed during the 20th century, and so much that didn't. As we then watch Lottie grapple with life's disappointments and joys in the 1980's, now in her own middle-age, the questions remain: How do we live in a world built on the suffering of others? And can love exist in a place where for 400 years violence has been the strongest form of intimacy? Written with the same emotional intensity, harrowing realism, and poetic precision that made *THE YELLOW BIRDS* one of the most celebrated novels of the past decade, *A SHOUT IN THE RUINS* cements Powers' place in the forefront of American letters and demands that we reckon with the moral weight of our troubling history.

This book outlines some of these logistical components and their doctrinal relationship to the operation, as well as provides some new ideas. The chapters are formatted in a fashion that offer the reader the doctrinal concept that the operation or function is based on, and then presents new theories on how to better execute the logistical function or capability as it relates to the operation.

**Sex and Vanity** Dec 31 2020 **NEW YORK TIMES BESTSELLER** • A Good Morning America Book Club Pick The author of the New York Times bestselling phenomenon *Crazy*

Rich Asians takes you from Capri to NYC, where Lucie Tang Churchill finds herself torn between two men—and two very different cultures. On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendening with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.
