Return to Planet Tad Nov 27 2022 Tad is back and he's blogger than ever, in a laugh-out-loud sequel to the book Jon Stewart called "hilarious to anyone who ever went through, is currently in, might go or flunked out of middle school." Tad may have survived seventh grade, but his troubles are just getting started. From his first sort-of date (a disaster) to his first semiformal dance (a bigger disaster), all Tad wants to do is make it out of this year alive. But that's not the only reason he keeps a blog. Tad also has a lot of important thoughts he needs to get off his chest, like: I don't get the phrase "you are what you eat." It seems to me like the only people that's true for are cannibals. This highly illustrated and hilarious book is by the Emmy® Award-winning head writer of Last Week Tonight with John Oliver and is based on a column in MAD Magazine. Through a series of daily entries, readers are treated to a year in Tad's blog that will leave them in stitches. MAD Magazine and all related characters and elements are trademarks of and © E.C. Then They Came For MeJun 10 2021 UK journalist falsely imprisoned by the Iran police state NOW A MAJOR MOTION PICTURE DIRECTED BY JON STEWART Maziar Bahari left London in June 2009 to cover Iran's contested presidential elections for Newsweek magazine. He thought he'd be returning in just a few days to Paola, his pregnant fiancée. Instead, he was incarcerated under false charges of espionage in Iran's most notorious prison. His release came four months later, only after a global campaign supported by Hillary Clinton. While suffering regular beatings, forced confessions, and threats of execution, Bahari draws strength from the experiences of his family in the past: his father was imprisoned by the shah in the 1950s, and his sister by Ayatollah Khomeini in the 1980s. Exposing the contradictions at the heart of Ahmadinejad's paranoid regime, this inspiring and often witty story of one family's courage in the face of repression is also a

beautifully written portrait of modern Iran.

OK, Let's Do Your Stupid Idea Feb 25 2020 LONGLISTED FOR THE RATHBONES FOLIO PRIZE 2021 'One of the year's funniest books' i Paper 'Funny, smart, soulful and sometimes devastating ... It made me laugh and cry' EMILIE PINE, author of Notes to Self _____

Patrick Freyne has tried a lot of stupid ideas in his life. Now, he is here to tell you about them: like the time (aged 5) he opened a gate and let a horse out of its field, just to see what would happen; or the time (aged 19) he jumped out of a plane for charity, even though he didn't much care about the charity and was sure he'd end up dead; or the time (aged old enough to know better) he used a magazine as a funnel for fuel when the petrol cap on his band's van broke. He has also learned a few things: about the power of group song; about the beauty of physically caring for another human being; about childlessness; about losing friends far too young. Life as seen through the eyes of Patrick Freyne is stranger, funnier and a lot more interesting than life as we generally know it. Like David Sedaris or Nora Ephron, he creates an environment all his own - fundamentally comic, sometimes moving, always deeply humane. OK, Let's Do Your Stupid Idea is a joyous reading experience from an instantly essential new writer.

Jottings from a Far Away Place May 29 2020 Ranging on the fringes of imagination and erudition, forming a mosaic of stories, maxims and sketches, at once fragmentary and cumulative, Jottings from a Far Away Place combines the timeless, mannered assurance of the Eastern discursive essay with the experimentation of the Western avant-garde. As the focus shifts between fantastic tales and studies of viciousness, the reader is treated to, among myriad other things, the adventures of a Taoist guitar player, a bloody episode with Countess de Bathory, a recipe for cinnabar sauce, and the story of a man who has been reincarnated as a spoon. A book that is like a collection of bulletins from the world of dreams."

What they want most of all is a great story to tell their future kid about where he or she came from. Their search leads them to gestational surrogacy, a road less traveled where they'll be borrowing a stranger's ladyparts for nine months. Thus begins Jerry and Drew's hilarious and unexpected journey to daddyhood. From then on, they're in uncharted waters. They're forced to face down homophobic baby store clerks, a hospital that doesn't know what to do with them, even members of their own family who think what they're doing is a little nutty. One thing's for sure. If this all works out, they're going to have an incredible birth story to tell their kid.
