A retelling of the old nursery rhyme, with additional lyrics and beautiful watercolor illustrations. Bigger and better than ever The two previous editions of the book known by home improvement retailers as "Big Red" sold nearly 600,000 copies. This new edition features a larger portrait format for better visual clarity, and incorporates a new page layout style. But all the features that made the original America's best-selling "bible" of home repair are still present here—thousands of color photographs and detailed step-by-step directions. The third edition also includes more than 30 projects not found in the original edition, as well as more than 300 new photos. YFM660R This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work. The sport compact performance market is hot and getting hotter - and while the Honda Civic and Acura Integra have long been the dominant players in the market, a newcomer is emerging as a popular car for performance modifications - The Ford Focus. Well-built, inexpensive, good looking, and easy to modify, the Focus is quickly catching the Hondas in terms of market popularity. This book shows Focus owners exactly what it takes to improve their car's performance, from simple modifications like installing a new air intake to radical mods like installing a turbocharger. The author also shows what those modifications can do, with before-and-after dyno tests for each modification. There's also extensive info on suspension and brake modifications for better handling and braking. It's a one-stop shop for those who want a sharper, faster Focus.
