The City of Zirdai Sep 10 2021 It's suicide, Shyla. You're the prize they want. Through her courage and tenacity, Shyla Sun-Kissed has awoken the power of The Eyes of Tamburah. But this feat only marks the beginning of the challenges that the magical order, the Invisible Sword, faces to free the underground city of Zirdai. Though they have allies among the monks and splinter cells inside the city, Shyla knows the Invisible Sword doesn't have the strength

to win. With the group fracturing due to the strain of losses from their latest ordeal, thinly veiled suspicions and endless disagreements, it's up to Shyla to forge a new united order. When both the draconian Water Prince and brutal Heliacal Priestess learn of Shyla's new powers, life becomes even more complicated as they will stop at nothing to capture Shyla and take the magic of The Eyes for themselves. Hunted at every turn and unable to hide, Shyla and the Invisible Sword must use every resource at their command - and unearth new ones - in their race to save the city from destruction. But their enemies always seem to be one step ahead. And the cost to win the battle may be more than Shyla would ever be willing to pay...

The Healer Series Complete Collection Feb 21 2020 The complete collection is now available in a box set! Discover the mystical world of the Healer Series, from New York Times bestselling author Maria V. Snyder. Touch of Power Avry of Kazan is the last Healer in the fifteen realms. Hunted, with a bounty on her head, she must decide who is worth healing and what is worth dying for. Scent of Magic Coming out of hiding, Avry is on a mission to find her sister, stop a megalomaniacal king by infiltrating a holy army, and stop a looming war. Taste of Darkness With the armies of the Fifteen Realms in disarray and the dead not staying down, Avry's healing powers are needed now more than ever. And her heart-mate is missing, possibly forever. Torn between love and loyalty, Avry must choose her path carefully.

Defending the Galaxy Oct 11 2021 Year 2522. ?Oh. My. Stars. Junior Officer Ara Lawrence here, reporting for duty. Again. It's situation critical for the security team and everyone in the base - including my parents - with a new attack from the looters imminent, a possible galaxy-wide crime conspiracy and an unstoppable alien threat. But this all pales in the face of my mind-blowing discovery about the Q-net. Of course, no one believes me. I'm not sure I

believe me. It could just be a stress-induced delusion. That's what my parents seem to believe... Their concern for me is hampering my ability to do my job. I know they love me, but with the Q-net in my corner, I'm the only one who can help the security team beat the shadowy aliens from the pits we discovered. We're holding them at bay, for now, but the entire Milky Way Galaxy is in danger of being overrun. With battles on too many fronts, it's looking dire. But one thing I've learned is when people I love are in jeopardy, I'll never give up trying to save them. Not until my dying breath. Which could very well be today...

Poison Study Jan 26 2023 Choose: A quick death. . . or a slow poison. . . About to be executed for murder, Yelena is offered an extraordinary reprieve. She'll eat the best meals, have rooms in the palace - and risk assassination by anyone trying to kill the Commander of Ixia. And so Yelena chooses to become a food taster. But the chief of security, leaving nothing to chance, deliberately feeds her Butterfly's Dust - and only by appearing for her daily antidote will she delay an agonising death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can't control. Her life is threatened again and choices must be made. But this time the outcomes aren't so clear.

Shadow Study Apr 17 2022 As Yelena searches for the person whose poisoned arrow stripped her of her magic, Valek finds his job and life in danger as he attempts to broker peace in Ixia.

Storm Glass Jun 07 2021 Untrained. Untested. Unleashed. As a glassmaker and a magician-in-training, Opal Cowen understands trial by fire. Now it's time to test her mettle. Someone has sabotaged the Stormdancer clan, killing their most powerful magicians. The Stormdancers particularly the mysterious and mercurial Kade require Opal's unique talents to prevent it from

happening again. But when the mission goes wrong, Opal must tap into a new kind of power as stunningly potent as it is frightening. And the deeper she delves into the mystery, the more distorted things appear. With lives hanging in the balance Opal and Kade must learn to control unknown powers powers that could lead to disaster beyond anything they've ever seen.

Chasing the Shadows Sep 22 2022 Year 2522. Lyra Daniels is dead. Okay, so I only died for sixty-six seconds. But when I came back to life, I got a brand new name and a snazzy new uniform. Go me! Seriously, though, it's very important that Lyra Daniels stays dead, at least as far as the murdering looters, know. While dying is the scariest thing that's happened to me, it morphed my worming skills. I can manipulate the Q-net like never before. But the looters have blocked us from communicating with the rest of the galaxy and now they believe we've gone silent, like Planet Xinji (where silent really means dead). A Protector Class spaceship is coming to our rescue, but we still have to survive almost two years until they arrive - if they arrive at all. Until then, we have to figure out how to stop an unstoppable alien threat. And it's only a matter of time before the looters learn I'm not dead and returns to finish what they started. There's no way I'm going to let the looters win. Instead I'll do whatever it takes to save the people I love. But even I'm running out of ideas...

The Value of Everything Dec 21 2019 Who really creates wealth in our world? And how do we decide the value of what they do? At the heart of today's financial and economic crisis is a problem hiding in plain sight. In modern capitalism, value-extraction - the siphoning off of profits, from shareholders' dividends to bankers' bonuses - is rewarded more highly than value-creation: the productive process that drives a healthy economy and society. We misidentify takers as makers, and have lost sight of what value really means. Once a central plank of economic thought, this

concept of value - what it is, why it matters to us - is simply no longer discussed. Yet, argues Mariana Mazzucato in this penetrating and passionate new book, if we are to reform capitalism - to radically transform an increasingly sick system rather than continue feeding it - we urgently need to rethink where wealth comes from. Who is creating it, who is extracting it, and who is destroying it? Answers to these questions are key if we want to replace the current parasitic system with a type of capitalism that is more sustainable, more symbiotic: that works for us all. The Value of Everything will reignite a long-needed debate about the kind of world we really want to live in.

“The answer is no, Lyra,” my mother utters her favorite—I swear—phrase. No means I have to travel with them to another planet—again. No means leaving all my friends fifty years in the past. Thanks, Einstein. Seventeen-year-old Lyra Daniels can’t truly blame Einstein or her parents for their impending move across the Milky Way Galaxy. It’s all due to the invention of the Q-net, which made traveling the vast distances in space possible—with one big caveat: the time dilation. But that never stopped Lyra’s ancestors from exploring the Milky Way, searching for resources and exoplanets to colonize. What they didn’t expect to find is life-sized terracotta Warriors buried on twenty-one different exoplanets. ... Make that twenty-two. As the Galaxy’s leading experts on the Warriors, Lyra’s parents are thrilled by the new discovery, sending them—and her—fifty years into the future. Her social life in ruins, she fills her lonely days by illegally worming into the Q-net. The only person close to her age is the annoyingly irresistible security officer who threatens to throw her into the brig. After the planet they just left goes silent—meaning no communications from them at all—security has bigger problems to deal with than Lyra, especially when vital data files go missing. But

that's just the beginning, because they're not as alone as they thought on their new planet... and suddenly time isn't the only thing working against them.

The Eyes of Tamburah May 06 2021 2020 PRISM Award Winner: Fantasy He thinks you are the thief... Shyla is a researcher who resides in the underground desert city of Zirdai, which is ruled by the wealthy Water Prince and brutal Heliacal Priestess. Even though Shyla is sun-kissed - an outcast, considered cursed by the Sun Goddess - she is still renowned for uncovering innumerable archaic facts, lost artefacts, ancient maps, and obscure historical documents. Her quiet life is about to change when Banqui, an archaeologist, enlists her services to find The Eyes of Tamburah: legendary gemstones that bestow great magic on their wielder. These ancient objects can tip the balance of power and give whoever possesses them complete control of the city. But chaos erupts when The Eyes are stolen soon after they're found - and Shyla is blamed for the theft. Forced to flee, with the Prince's soldiers and the Priestess' deacons on her trail, Shyla must recover the jewels and clear her name. A quest that will unearth secrets even more valuable than The Eyes of Tamburah themselves...

Southern Slavery and the Law, 1619-1860 Jul 28 2020 This volume is the first comprehensive history of the evolving relationship between American slavery and the law from colonial times to the Civil War. As Thomas Morris clearly shows, racial slavery came to the English colonies as an institution without strict legal definitions or guidelines. Specifically, he demonstrates that there was no coherent body of law that dealt solely with slaves. Instead, more general legal rules concerning inheritance, mortgages, and transfers of property coexisted with laws pertaining only to slaves. According to Morris, southern lawmakers and judges struggled to reconcile a social order based on slavery with existing English common law (or, in Louisiana, with continental civil law.) Because much was left to local interpretation, laws varied between and even within states. In addition, legal doctrine often differed from local practice. And, as Morris reveals, in the decades leading up to the Civil War, tensions mounted between the legal culture of racial slavery and the competing demands of capitalism and evangelical Christianity.

Magic Study Feb 27 2023 With her greatest enemy dead, and on her way to be reunited with the family she'd been stolen from long ago, Yelena should be pleased. But though she has gained her freedom, she can't help feeling isolated in Sitia. Her Ixian background has changed her in many ways—and her newfound friends and relatives don't think it's for the better.... Despite the turmoil, she's eager to start her magic training—especially as she's been given one year to harness her power or be put to death. But her plans take a radical turn when she becomes involved with a plot to reclaim Ixia's throne for a lost prince—and gets entangled in powerful rivalries with her fellow magicians. If that wasn't bad enough, it appears her brother would love to see her dead. Luckily, Yelena has some old friends to help her with all her new enemies....

Twelfth Night, Or, What You Will Jan 02 2021

Touch of Power Feb 15 2022 Laying hands upon the injured and

dying, Avry of Kazan absorbs their wounds and diseases into herself. But rather than being honored for her skills, she is hunted. Healers like Avry are accused of spreading the plague that has decimated the Fifteen Realms, leaving the survivors in a state of chaos. Stressed and tired from hiding, Avry is abducted by a band of rogues who, shockingly, value her gift above the golden bounty offered for her capture. Their leader, an enigmatic captor-protector with powers of his own, is unequivocal in his demands: Avry must heal a plague-stricken prince—leader of a campaign against her people. As they traverse the daunting Nine Mountains, beset by mercenaries and magical dangers, Avry must decide who is worth healing and what is worth dying for. Because the price of peace may well be her life....

*Maria's Island Aug 29 2020 A dramatic and moving story set in the same world as the international bestseller *The Island* from the celebrated novelist Victoria Hislop. The absorbing story of the Cretan village of Plaka and the tiny, deserted island of Spinalonga*

- Greece's former leper colony - is told to us by Maria Petrakis, one of the children in the original version of *The Island*. She tells us of the ancient and misunderstood disease of leprosy, exploring the themes of stigma, shame and the treatment of those who are different, which are as relevant for children as adults. Gill Smith's rich, full-colour illustrations will transport the reader to the timeless and beautiful Greek landscape and Mediterranean seascape.

Outside In Nov 24 2022 *Me? A leader? Okay, I did prove that there's more to Inside than we knew. That a whole world exists beyond this cube we live in. And finding that led to a major rebellion—between worker scrubs like me and the snobby uppers who rule our world. Make that ruled. Because of me, we're free. I thought that meant I was off the hook, and could go off on my own again—while still touching base with Riley, of course. He's the one upper I think I can trust. But then we learned that there's outside and then there is Outside. And something from Outside wants In.*

Inside Jul 08 2021 *The world of Inside is simple. Do your job, stay out of the way and don't dream of anything better. Because as every Scrub knows, there are no other options. Until Trella—the Queen of the Pipes, as some call her—gets involved with a revolution that will rock her world.... Trella was just doing a favor for a friend—her only friend. Hiding an injured man from the Pop Cops seemed easy enough—though dangerous. But then she discovered that the myths of Outside might be real.... Being Inside's hero only left Trella with more work. Ducking those responsibilities, she continued to explore her stark world—and found something she never expected. Strangers. From Outside...*

Hard on the heels of trouble in Zirdai city, Shyla Sun-Kissed and Rendor are ordered to report to the King of Koraha - a summons that is deadly to ignore. The King holds the key to Koraha's existence, but a formidable new enemy threatens Koraha's very survival and the King desperately needs Shyla and Rendor's help. Wielding a terrifying and unknown magical power that can convert opponents into devoted soldiers, the mysterious army is hellbent on usurping the crown. Shyla and Rendor are tasked with discovering who in the seven hells these insurgents are. And what their real endgame is. Trekking through the punishing conditions across the searing surface of Koraha, and facing numerous unseen foes and untold danger, they must follow the clues to uncover the truth before it's too late. The fate of the King and all the citizens of Koraha rests in their hands...*

María Sabina Oct 31 2020 *"María Sabina's Selected Works introduces and enhances the understanding of one of the world's most remarkable poets. Mr. Rothenberg frames her work within the larger context of 'ethnopoetics' with no academic reductionism whatsoever, a rare and indispensable service to a 'world poet' such as Maria Sabina. The translation of Maria Sabina, her 'autobiography' and her oral poetry, is exquisite, powerful,*

rendered with linguistic dignity."—Howard Norman "This book transmits not only a full and rich experience with one of the most extraordinary personalities and poetic voices of our time, but also a great lesson in our understanding of the relations between religious inspiration and its artistic expression. It enriches our perceptions of the nature and possibilities of oral composition, complementing what we already know of it from the study of the Homeric and other poems in its great tradition."—George Economou "María Sabina is one of the great figures of American shamanism. Her Chants is a masterpiece of indigenous visionary poetry. Her Life is the account of a woman who transcended her own culture and its material poverty to become one of the great women of the twentieth century. The veneration of her work continues beyond her death. To read her is to embark on a journey to the world of the extrasensorial."—Homero Aridjis "In the chants of María Sabina, we can appreciate the interplay of individual invention and traditional liturgy within the oral creativity of a non-literate society. The recordings of her words that have saved them from oblivion give us the opportunity to glimpse the emergence of a genius from the soil of the communal, religious folk poetry of a native Mexican campesino people."—Henry Munn
