

# Download Free Can You Be Gay And Christian Responding With Love Truth To Questions About Homosexuality Michael L Brown Read Pdf Free

**Holy Homosexuals** Aug 10 2021 "Yes, you can be gay or lesbian and Christian! What does it mean for lesbian and gay people that Jesus was tempted "like we are in every way?" Fundamentalists have created God in their image. What if God has qualities other than being "right wing, upper middle class, white, male?" Rev. Piazza challenges us to look at God from a different angle"--Page [4] of cover.

**Homosexuality and Christian Community** Feb 04 2021 Contributors to this volume, all members of the Princeton Theological Seminary faculty, address the various exegetical, interpretive, and practical issues pertaining to the issue of homosexuality in the church. These include the ordination of homosexuals and the blessing of homosexual unions, as well as broader issues dealing with liturgical and theological language about God and the role of the church in a pluralistic society. The contributors speak of these various issues as theological educators, ministers, and committed Christians. They ask, What do the scriptures say about homosexuality and related issues? How should the scriptures inform our theological reflection? and How do we live faithfully in regard to this matter? And like the Christian community at large, the contributors are not of one mind on any of these issues; many times they are in considerable disagreement. *Homosexuality and Christian Community* will help to guide churches and individuals engaged in theological reflection about the place of homosexuals in the church.

*No Ordinary Child* Oct 20 2019 When Jacqueline Ley's 23-year-old son told her that he was gay, she was shocked and hurt. Her fundamentalist Christian background told her that homosexuality was sinful and that her son had

placed himself beyond the pale. But she underwent a remarkable transformation of attitude. A mother's journey from craving 'normality' for her child to celebrating him as a blessedly extraordinary creature of God.

**The Lesbian and Gay Christian Movement** Jan 23 2020 Founded in 1976, the Lesbian and Gay Christian Movement (LGCM) has become the largest and most prominent group in Britain fighting to change the Christian Church's attitudes towards homosexuality. This book looks at LGCM's position.

**Gay by God** May 07 2021

*Stranger at the Gate* Jun 20 2022 Spearheading the fight against the increasingly vocal homosexual community are the leaders of the so-called "religious right," men and women who denounce gays and lesbians from their pulpits and encourage their followers to enact laws against them.

**Homosexuality and Christian Faith** Jul 29 2020 Issues surrounding homosexuality threaten to divide the Christian churches and the people within them. This unique resource presents short pieces from some of the nation's most prominent church leaders - Protestant and Catholic, mainline and evangelical - who address the fundamental moral imperatives about homosexuality. Together they invite the reader to open his or her heart to the Spirit, to tolerance, and to Gospel values. Through personal testimony, factual clarification, and moral suasion, they provide much-needed clarity on the biblical witness and biblical authority, the nature or character of homosexuality and sexual orientation, and many related topics. Contributors include Elise Boulding, Ignacio Castuera, John B. Cobb Jr., William Sloane Coffin, Peggy Campolo, Bishop Paul Egertson, James A. Forbes Jr., Maria Harris, Barbara Kelsey, Morton Kelsey, Gabriel Moran, David G. Myers, Richard Rohr, O.F.M., Ken Sehested, Carole Shields, Donald W. Shriver Jr., M. Mahan Siler Jr., Lewis B. Smedes, and Walter Wink.

*Undivided: Coming Out, Becoming Whole, and Living Free From Shame* Jan 15 2022 Vicky Beeching, called "arguably the most influential Christian of her generation" in *The Guardian*, began writing songs for the church in her teens. By the time she reached her early thirties, Vicky was a household name in churches on both sides of the pond.

**Being Gay, Being Christian** Oct 24 2022 Is it possible to be both gay and Christian? This book explains, calmly and logically, that the two are not mutually exclusive. With the support of some of the finest scientific and theological minds, Dr Stuart Edser presents a compelling case for tolerance and acceptance, rejecting the traditional Christian view that gay people are

either sick or sinful as a result of their sexual orientation. While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church, he invites the reader to a new experience of God. Dr Edser is uniquely qualified to explain the biology, psychology and sociology of being gay, as well as to examine the Bible, its interpretation, and traditional Christian teaching on sexual morality. Not only does he have a wealth of experience grounded in the Church (both Catholic and Protestant), but he is also a psychologist, author and researcher. Moreover, he threads his own extraordinary story through the text, using this and his experience as a clinician to guide his thinking. In particular, he offers a positive and rational voice so often glaringly absent from the Church's utterances on homosexuality. He argues passionately for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately. And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally. **BEING GAY, BEING CHRISTIAN** is a call for reformation within the Christian church, an appeal to modernity in our approach to knowledge and a practical self-help book for people who are struggling with their sexuality, so they can find both self-esteem and a connection with God. It will be of particular interest to:

- People confused about their sexuality
- Young gay people
- Gay people who go to church
- Christian families and friends of gay people
- Clergy and church workers.

**Black, Gay, British, Christian, Queer** Jul 21 2022 If the church is ever tempted to think that it has its theology of grace sorted, it need only look at its reception of queer black bodies and it will see a very different story. In this honest, timely and provocative book, Jarel Robinson-Brown argues that there is deeper work to be done if the body of Christ is going to fully accept the bodies of those who are black and gay. A vital call to the Church and the world that Black, Queer, Christian lives matter, this book seeks to remind the Church of those who find themselves beyond its fellowship yet who directly suffer from the perpetual ecclesial terrorism of the Christian community through its speech and its silence.

*Single, Gay, Christian* Nov 25 2022 In an age where neither society nor the church knows what to do with gay Christians, Greg Coles shares his story—a story about a boy in love with Jesus who, at the fateful onset of puberty, realized his sexual attractions were persistently and exclusively for other guys. This honest, hopeful account shows life through one man's eyes and assures all people: "You are not a mistake."

The Bible, Christianity, & Homosexuality Apr 18 2022 There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).

**Two Views on Homosexuality, the Bible, and the Church** Oct 12 2021 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters, and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. Two Views on Homosexuality, the Bible, and the Church brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars--well accomplished in their fields and conversant in issues of sexuality and gender--articulate and defend each of the two views: Affirming – represented by William Loader and Megan K. DeFranza Traditional – represented by Wesley Hill and Stephen R. Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people--especially those most affected by this topic--the contributors wrestle deeply with the Bible and theology, especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Is God anti-gay? Mar 17 2022 A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: \* Should Christians attend gay weddings? \* Isn't the Christian view of sexuality dangerous and harmful? \* Is it sinful to experience same-sex attraction?

**Can You Be Gay and Christian?** Jan 27 2023 Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

**Christian and Gay Harmony** Feb 22 2020 Bringing about harmony is the goal of this book. Sadly there has evolved distrust and misunderstandings between the gay and Christian communities. This unfortunate state of affairs exists today and the goal of this book is to present reason and information to create harmony instead of discord. It is an easy to read book that presents the viewpoints from each community. The conclusion and solution is for each community to listen, learn, and love. How to do this is explained in the conclusion of the book.

Christianity, Social Tolerance, and Homosexuality Sep 30 2020 "Truly groundbreaking work. Boswell reveals unexplored phenomena with an unflinching erudition."—Michel Foucault John Boswell's National Book Award-winning study of the history of attitudes toward homosexuality in the early Christian West was a groundbreaking work that challenged preconceptions about the Church's past relationship to its gay members—among them priests, bishops, and even saints—when it was first published twenty-five years ago. The historical breadth of Boswell's research (from the Greeks to Aquinas) and the variety of sources consulted make this one of the most extensive treatments of any single aspect of Western social history. Christianity, Social Tolerance, and Homosexuality, still fiercely relevant today, helped form the disciplines of gay and gender studies, and it continues to illuminate the origins and operations of intolerance as a social

force.

**Does Jesus Really Love Me?** Mar 05 2021 *Does Jesus Really Love Me?: A Gay Christian's Pilgrimage in Search of God in America* is part memoir and part investigative analysis that explores the explosive and confusing intersection of faith, politics, and sexuality in Christian America. The quest to find an answer is at the heart of *Does Jesus Really Love Me?*—a personal journey of belief, an investigation, and a portrait of a faith and a nation at odds by award-winning reporter Jeff Chu. From Brooklyn to Nashville to California, from Westboro Baptist Church and their “God Hates Fags” protest signs, to the pioneering Episcopalian bishop Mary Glasspool—who proclaims a message of liberation and divine love, Chu captures spiritual snapshots of Christian America at a remarkable moment, when tensions between both sides in the culture wars have rarely been higher. Funny and heartbreaking, perplexing and wise, *Does Jesus Really Love Me?* is an intellectual, emotional, and spiritual pilgrimage that reveals a nation in crisis.

Critical Conversations Feb 16 2022 Christian parents need to be prepared to answer the myriad challenges teens might hear in today’s increasingly pro homosexual culture. “Why shouldn’t gays get married?” “Who says gay sex is wrong?” “Does the Bible actually say there’s anything wrong with homosexuality?” “Don’t you care that kids are being bullied just for being themselves?” To start the discussion, Gilson provides a brief history of the issues beginning with the sexual revolution of the 1960s. He explains how and why cultural attitudes have reversed on this subject in such a short timespan, leaving Christians scrambling for answers. This is perhaps the most complicated and contentious issue Christians face in today’s culture. Most churches are poorly equipped to handle it; parents are even less prepared. The good news is that parents need not have pat answers ready before they dive into conversations with their teens and preteens on this difficult topic. Learning together—parents struggling through these issues alongside their kids and leading them to biblical answers—has relational benefits. Answers are important, though, so manageable, nontechnical answers to common questions surrounding this issue are provided, as well as a guide to further resources.

**Washed and Waiting** Mar 25 2020 Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God’s No to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their

homo...

*God and the Gay Christian* Feb 28 2023 “God and the Gay Christian is a game changer. Winsome, accessible, and carefully researched, every page is brought to life by the author’s clear love for Scripture and deep, persistent faith. With this book, Matthew Vines emerges as one of my generation’s most important Christian leaders, not only on matters of sexuality but also on what it means to follow Jesus with wisdom, humility, and grace. Prepare to be challenged and enlightened, provoked and inspired. Read with an open heart and mind, and you are bound to be changed.” — Rachel Held Evans, author of *A Year of Biblical Womanhood* and *Faith Unraveled* As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to someday share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he’d been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • What does the story of Sodom and Gomorrah really say about human relationships? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* is likely to spark heated debate, sincere soul searching, even widespread cultural change. Not only is it a compelling interpretation of key biblical texts about same-sex relations, it is also the story of a young man navigating relationships with his family, his hometown church, and the Christian church at large as he expresses what it means to be a faithful gay Christian.

**The Joy of Being Gay** Apr 06 2021 I chose this title to share that being gay and Christian can be a joyous experience as indicated in the Bible, a book that the Protestants have revered for over four hundred years. Contrary to popular opinion, we gay people are not condemned in the Bible. We rejoice from the three single Gay men in the Bible to the two Gay marriages in there and to our very own covenant with God.

*Christianity, Social Tolerance, and Homosexuality* Nov 20 2019 John Boswell’s National Book Award–winning study of the history of attitudes toward homosexuality in the early Christian West was a groundbreaking

work that challenged preconceptions about the Church's past relationship to its gay members—among them priests, bishops, and even saints—when it was first published thirty-five years ago. The historical breadth of Boswell's research (from the Greeks to Aquinas) and the variety of sources consulted make this one of the most extensive treatments of any single aspect of Western social history. Now in this thirty-fifth anniversary edition with a new foreword by leading queer and religious studies scholar Mark D. Jordan, *Christianity, Social Tolerance, and Homosexuality* is still fiercely relevant. This landmark book helped form the disciplines of gay and gender studies, and it continues to illuminate the origins and operations of intolerance as a social force.

*Homosexuality and Christian Faith* Nov 13 2021 Ideal for individual or group use, this unique resource presents short pieces from some of the nation's most preeminent church leaders - women and men, Protestant and Catholic, mainline and evangelical - who address fundamental moral imperatives about homosexuality. Through personal testimony, factual clarification, and moral suasion, they invite the reader to open his or her heart to the Spirit, to Gospel values, and to full acceptance of gay and lesbian persons in the "family of God."

Costly Obedience Jun 08 2021 Though we often hear about the "gay problem" today, there is an even deeper problem in the church today--one that we often overlook. The call to follow Christ is a call to costly obedience for all, not just for gay Christians. Far too often, the church has elevated homosexuality above other sins and required a costly obedience from gays that it is unwilling to demand of others. And yet, the answer is not to weaken the demands of obedience. Instead, gay Christians who make the difficult choice to align their lives with the biblical view of sexuality are a gift to the church, reminding all of us that spiritual growth and maturity is costly. There is a price to pay in following Christ and devoting our lives to the call of the gospel, and it is one that we all must pay--gay and straight Christians alike. Through the stories and struggles of gay Christians who are reorienting their lives around the costly obedience required to follow Christ, Mark Yarhouse and Olya Zaporozhets call the church to reorient as well, leaving behind the casual morality that is widespread today to pursue the path of radical discipleship. Unlike any other book on homosexuality and the church, this is a call to examine your life and consider what God is asking you to lay down to take up your cross and follow him.

**Black, Gay and Christian** Jul 09 2021 Official Web Site for "Black, Gay &

Christian"<http://blackgaychristian.com>Op-

**Gay & Christian, No Contradiction** Nov 01 2020

**Homosexuality and the Christian** Sep 23 2022 "A leading Christian psychologist and researcher answers questions about same-sex relationships and sexual identity with clarity and empathy"--Provided by publisher.

**Straight to Jesus** Dec 26 2022 "Erzen is sensitive, savvy, and provocative. Her mastery of historical sources, ethnographic technique, and accessible writing style are evident throughout. She illuminates aspects of conservative Christianity central to the 'culture wars,' deepening our understanding of the movement's internal struggles over sexuality, gender, and family issues. Erzen has written a wonderful book."--Diane Winston, author of *Red-Hot and Righteous: The Urban Religion of the Salvation Army* "Tanya Erzen's wonderful and timely book provides us with a compelling cultural history of the Christian right in the post-war period--from the cold war to family and

sexual politics--as well as remarkable ethnographic insight into the dynamics of Exodus International. With compassion, humor, and insight, Erzen takes the reader through the ideological, organizational, and daily practices used in efforts to change people's theological and sexual orientations, from self-help to conversion testimony."--Faye Ginsburg, Professor of Anthropology, New York University, author of *Contested Lives*

**The Complete Christian Guide to Understanding Homosexuality** Aug 30

2020 One of the hot-button issues of our day is fully addressed in this comprehensive new resource on homosexuality. This well-researched and highly readable guide is the perfect go-to manual for families, church workers, counselors, pastors, civic leaders, schools, and those who themselves struggle with same-sex attraction. Readers will find the answers to these and many more important questions: What is homosexuality? Is the tendency for homosexuality genetic? How should the church respond? What's the proper response when a relative or friend announces they're gay? What are the legal and civic ramifications of homosexuality? Should homosexuals serve openly in the military? What about gay marriage and adoption? Authoritative authors Joe Dallas (*Desires in Conflict, When Homosexuality Hits Home*) and Dr. Nancy Heche (*The Truth Comes Out*) tackle the hard questions about same-sex attraction in this helpful volume.

**Washed and Waiting** Aug 22 2022 Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay

Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex sexual intimacy and contemplate serious and difficult questions.

**Unconditional** May 19 2022 'Gay. The word seemed to hold the weight of eternity within its single syllable. As strange as it may seem, in all the years I had struggled with my sexuality, the idea that I could be 'gay' had simply never crossed my mind. I was a Christian! That was my whole life! And Christians weren't gay.' This could be the most important book you read this year. It's a memoir. An exploration of what is, and what could be. Most of all, it's a clarion call to the church - to rediscover the love that Jesus called us to. Unconditionally. 'So many gay, lesbian, bisexual, and transgender people give up on Christianity because they cannot reconcile who they are with what they were brought up to believe that the Bible teaches about sexuality. Here is a wonderfully told story of a brave young homosexual man who has struggled to hold onto his faith while still affirming himself as gay. This is a must-read.' Tony Campolo

**Living It Out** May 27 2020 A practical and affirming book for everyone dealing with the issue of sexuality, whether as a gay or lesbian Christian seeking to live with integrity, a friend or family member, or as a church leader seeking understanding and guidance. It suggests practical ways of managing and enriching relationships with God, the church, and others.

**Tenderness** Apr 25 2020 What would happen if gay Christians began to believe the truth about God—that he loves all people unconditionally? In *Tenderness*, Catholic writer and speaker Eve Tushnet says trusting God's love would be the beginning of a transformation, not only in the lives of gay Christians but also in the Body of Christ itself. She offers hope and companionship to those who have been deeply hurt by their parishes, a wound that also damaged their relationship with God. Tushnet also offers practical guidance from her own journey as a celibate lesbian. *Tenderness* explores scripture and history to find role models for gay Christians—including Jesus, King David, Ruth, St. John, Mary, poets, mystics, penitents, leaders, and ordinary gay people who have found unexpected paths of love. The book also offers guidance on living through or recovering from the painful experiences that are all too common in gay Christian life—from familial rejection and weaponized Christianity to ambivalence and doubt. Weaving her own story with resources, prayers, and practical actions that can help gay people trust that God loves them, Tushnet renews our understandings of kinship, friendship, celibacy and unmarried

life, ordered love, personal integrity, solidarity with the marginalized, obedience, surrender, sanctification, and hope. This book is primarily for gay Christians, but it also offers a window into their experiences and needs that will make it useful for anyone in pastoral care or who wants to be a better friend to the gay people they know.

*Gay is OK!* Sep 11 2021

**Gay Girl, Good God** Dec 14 2021 “I used to be a lesbian.” In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

*A War of Loves* Jun 27 2020 At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the profligate, unqualified grace of God for all people. David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him.

*Gay and Okay* Dec 22 2019 In *Gay and OK* I clarify what the Bible actually says about homosexuality. Specifically I deal with the "lobber verses" used by many against gays and explains what they actually say and mean. I also explains how the church's views on homosexuality have changed and that for

almost the first 400 years of church history they had no problem with it, but then gradually changed. I hope to answer any questions you may have on homosexuality and the Bible and for those who are gay lead to a reconciliation of your faith and sexual identity. For all I hope it will be a beginning of a different way of looking at and understanding the Bible and God. May you come to know the truth, get free and become all God has made you to be.

Bible, Gender, Sexuality Jan 03 2021 In Bible, Gender, Sexuality James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

**The Right to Be Christian in a Gay Rights America** Dec 02 2020 The aim of this book is to present a convincing Biblical argument as to why many Christians feel that they cannot support the homosexual lifestyle and to present a Constitutional argument as well as to why any attempt to force them to do so by means of some persecution or threat of persecution is a violation of their rights to freedom of religion and speech. The book gives Christians the tools they need to defend their faith when it comes to the issue of homosexuality and hones in on the position that a Christian's non-endorsement of homosexuality is a question of faith and religion, not a question of homophobia and bigotry.
