"In Sickness and in Health Until Death Do Us Part", is the story of how the author providentially met and eventually married her forever love, her late husband Kenn Samuel Mason. Despite repeated health challenges, they remained true to their marriage vow to support and love each other, in sickness and health until death did they part. She has chosen to share here story as a means of encouragement to others. She has found that to love

and be loved in such a fulfilling relationship brings happiness and peace. "I didn't think it was possible to love a book more than book 1, & then book 2 stepped up & said, 'hold my beer!'" "I truly didn't think anything could top book 1, and I was WRONG! Leo and Maria's story continues in this book & oh what an epic take it is! This second book was PERFECT from beginning to end!" I've built my life on fucking secrets. One after the other. They've been my foundation and my fortress for as long as I can remember. They keep me safe. Secure in the knowledge that only I truly know what is

going on. It's my protection. Her protection. What she doesn't know saves her from what I dread most. Her death. It's what fueled me as a child and what I drowned in as I grew up. I was raised in hell, brought up in darkness. I've always ruled my own life. Always held control. Dominance. But when I come home & find her sitting in my chair, ruling over my kingdom, I'll be damned if I speak first. What's more, she's doing it with a fire in her eyes that deserves to be beaten out of her as I take her across my knee and remind her who is really in control. Not just in this life, but over her body. Her mind. Her

pleasure, and her pain. All she has to do is keep fucking tempting me. Keep looking at me as if I'm the devil, and I'll find great pleasure in watching as she experiences a whole new level of hell. Praise: "Wow! I didn't think it could get any better! Holy smokes book two came out of left field and it was so damn good! Wow another 5 starrer! So many more twists and turns that you get whip lash, but in a good way. Definitely recommend!! You will get sucked in and spit back out!" "Montgomery delivers in her twists of all twists in this book!! Leo is seriously a badass! Last book you

thought you had him all figured out. NO ma'am! He comes in with a shocker on this one!! I love Maria, I feel like she found her voice and who she is in this book. The love story is made for the ages. Seriously so glad I read this book!" "Evelyn serves up so many plot twists you have to keep your head on swivel I found myself saying "wait! What?!" A lot. I love the couple in this duology Leo and Maria are amazing. Where in the first book you see Leo's character transform more. This book you get to see Maria's character grow exponentially." "I have officially crowned Evelyn Montgomery the QUEEN of

unexpected twists. Evelyn Montgomery delivered a wild, action packed, emotion filled, hot as Hades, rollercoaster ride of a story that will keep you guessing, keep you on the edge of your seat, and keep you obsessively reading until the last word!" handful. Most of the time, you will find yourself exhausted from everything physically, emotionally, mentally and even financially. Moreover, the good wives find themselves standing despite these difficulties, with lipstick on and no tears at all. I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I

build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it

grows closer, I can't help but wonder-can I let her go, or could this one be forever? Striking in its simplicity, moving in its message, and profound in its purpose . . . We never know when true love will take hold of us. Perhaps that's part of its beauty and mystery - what makes it so precious and all-consuming. Once we have it, we never want to let it go. Heart and Soul tells the story of two people who experienced the depth and joy of true love, even when faced with tremendous hardship. Through a series of intimate, original poems and several heartfelt narratives, Bea and John Boxx share

their moving love story - one that was not defined by circumstances or time, but by complete devotion to each other. Ardent professions of commitment and poignant personal accounts encourage total abandon to a truly fearless form of love - the kind that encompasses both heart and soul.
