Laughter follows in this second chance romance where pretend dating leads to secret relationships and a whole lot more. Lexi As a curvy American girl spending her senior year in Japan, the last thing Lexi expected was to find a guy. So, when Forrest Wolf, the drop-dead gorgeous American star of Japan’s baseball league, crossed the bar to meet her, you can excuse her skepticism. The man was used to thousands of people chanting his name

every night. No, she immediately shut him cocky ass down... his incredibly tight, cocky ass... how long had it been since she had had sex, again? Why is it that after a girl gives in to a guy, and they have the most incredibly night of their lives, the guy could beg the girl for her number and then still not call? In Forrest's case, it may have to do with him being traded to an American team days after they met? Maybe. So, when Lexi returns home and gets a dream job offer dependent on getting an interview with him, what is she to do? Could this be a second chance at love? Or will that get ruined when, after again staring at his cocky ass, things "get complicated" in a restaurant bathroom... and everyone hears them... and posts it on social media? Yikes! Forrest Wolf Forrest was the biggest thing in baseball... during college. In the majors, he partied his way into being a bust. But then he went to Japan, cleaned up his ways and became a star. So, why is it that when he is then made the face of Portland's new team, he again crashes and burns? It's because Forrest has a huge secret. His name is Bradley Morrow and he is the sexy billionaire owner of Forrest's new team. Before Forrest knew who he was, the two hooked up. Now Forrest can't get his off-limits boss out of his mind. Was that what went wrong between Forrest and Lexi? Maybe. Could he explain that to Lexi, who has amazingly reappeared in his life? And, would Lexi mind pretending to be his girlfriend to convince his boss that their night together meant nothing to him? Forrest has never fallen in love with a guy before. And, as sexy and charming as Bradley is, Forrest needs to keep a tight grip on his heart. Bradley Morrow Ley believes that the fastest way to make a billion dollars is to find someone with a great mind. And, the fastest way to lose a billion dollars is to find someone with a great body. Not only does his star player have the best body he has ever seen, but so does his sexy girlfriend Lexi... that is if she really is his girlfriend. Whatever is going on between those two, Ley knows that they are both off-limits. He's Forrest's boss, after all. Could the three of them even attempt a secret relationship with the whole world watching? On the other hand, what's the use of having all of the money in the world if you don't have love? Kelsey Atwood is a private detective with a problem. She came from a family of hunters, growing up on the wrong side of the supernatural world. Tracking down bail jumpers and deadbeat dads may not make her a lot of friends, but it's a lot safer than the life she turned her back on. She was hoping to escape from the nightmares of her past, but her latest case has brought them right back to her door. A young woman has gone missing, and she didn't go willingly. When Kelsey discovers that the girl is actually a shifter, she knows she should drop the case and walk away. But this shifter was a sweet kid, and she's in serious trouble. More females are missing and the evidence points to a legendary killer. Bodies are piling up, and her case is becoming center stage for a conflict that could shatter the fragile peace between wolves and vampires. As the hunt intensifies, she finds herself trapped between two men—Gray, a magnetic half-demon lawman, and the ancient vampire Marcus Vorenius. A Hunter: A Thieves Series Novel by Lexi Blake An actress in danger. A bodyguard on a mission. A passion neither can resist. She's everything he detests about Hollywood. After spending my entire acting career being cast as the airhead, I finally have the serious role I've been dying for, and I screw it all up during a four martini dinner with my ex. Now, thanks to the morality clause in my contract, I might lose the role of a lifetime. My only hope is to convince the media (and my eccentrically conservative director) that I've entered a committed relationship. But when I use my brother's costume party to launch Operation Fake Fiancé, I end up in front of the camera with the wrong guy, leaving my reputation—and the fate of my career—at his

mercy. Any other guy I could sweet talk into playing the supporting role I need, but not Officer Cade Watts. Not the man who hates everything about me. Not the man who would most revel in seeing me fail. He's everything she needs. I don't care how good it felt to have her in my arms. I don't care that I can't close my eyes without remembering the way she tastes or the sound of her moan. I want nothing to do with Janelle Crane. Her scheme to fake an engagement to save her own career is exactly the kind of manipulative Hollywood crap I left LA to escape. But when her fan mail turns threatening and the tragedies befalling her former co-stars seem to be anything but coincidence, everything changes. Now I don't just want to play the part of Janelle's fake fiancé, I demand it. I won't let my jaded heart cost me another case. I may not trust Janelle but I do care, and the only way I know she's safe is if I'm holding her close. This personalized book is a wonderful way to say "Happy Birthday" to a child named LEXI.
