Bible School 1 Semester Apr 16 2022 The Bible teaches us that there is nothing more important than becoming like Jesus. The life of Jesus not only shows the full picture of who God is, but He shows us what it means to be human. He is the quintessential human. In Him we see what a perfect relationship with God looks like, how our moral outlook should be, and what constitutes a good and worthy life. Through the ages, the church has confirmed that the Bible is both the standard and the guide that instructs, confronts, and inspires us in the process of following Jesus. The way we understand, and experience God, ourselves, and the world around us should thus ultimately be based upon what the Bible teaches. This Bible School course is therefore intended to help you to base your life around the Word of God.
