Delphi Collected Works of P. G. Wodehouse (Illustrated) Sep 25 2022 An English comic novelist and short story writer, P. G. Wodehouse is best known as the creator of the young bachelor Bertie Wooster and his effortlessly superior manservant, Jeeves. Wodehouse penned over 90 books and secured a devoted readership across the world. His first success came as a writer of public school stories, based on his own childhood experiences, most notably introducing the strikingly original character, Psmith. These were followed by light romances, but in 1913, with the publication of the first Blandings Castle novel, 'Something New', he turned to farce, which became his preferred genre of work. Wodehouse is celebrated for his scholarly command of the English sentence, blended with vivid, far-fetched imagery and the uproarious slang of the late Edwardian era. His novels feature highly complicated plots and hilarious situations, revealing the hand of a master humorist. This comprehensive eBook offers the most complete edition possible of P. G. Wodehouse, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material.
