Darren Hobbs is a recently married, born-again Christian, who thinks he has the perfect life--that is, until he meets Daniel Johnson. Daniel is a rebel who loves to party, and is anything but a Christian. This doesn't stop Darren and Daniel though, for they are attracted to each other despite the fact that Darren is married and Daniel has a long-term girlfriend. It isn't easy for them, for before they know what happens, the boys are soon taken on a journey full of love, pain, and angst while learning from

each other that some things you just don't question. In this “brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY). #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be “positive” all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. “F\*\*k positivity,” Mark Manson says. “Let's be honest, shit is f\*\*ked and we have to live with it.” In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not*

Giving a F\*\*k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives. Let's face it, today's consumers has access to information and is often times just as well informed as you the seller. So what you need is an edge! You need something that's going to help you close more deals faster and hopefully bigger. *99 Things You Wish You Knew Before Going into Sales* is a book designed specifically for salespeople on the run. Sales trainer Victor Antonio has compressed over 20 years worth of sales experience into bite-size sales techniques that you can apply immediately. Whether you're selling product or services, the techniques in this book will astound you and how effective, yet simple they are to use. Whether you're dealing with a small retail sale or a large account, it doesn't matter. This book covers the full sales spectrum from the simple to the complex deal. Here you'll find

strategies and techniques that not only teach you how to sell, but more importantly exposes the thought process behind why people make buying decisions. The more you understand how buyers buy, the more effective you'll be in making your sales presentation and eventually closing more deal. And, for those of you who are veteran salespeople with years of experience, you're going to find the latest in sales and consumer research that will help you sharpen your sales saw by giving you that extra insight that your competitors don't have. You're busy! I'm busy! We're all busy! That's why we've designed '99 Things You Wish You Knew Before Going into Sales' was developed. What you need is a book a like this that delivers no fluff and gets straight to what you need to go out and SELL MORE NOW. In the book you'll find 99 tips and techniques that will either remind you of something you should've been doing or teach you something you should be doing to close more sales. Even the best-of-the-best never stop learning. Those top 5-10% of salespeople in any given company are the same salespeople who are always looking for that added advantage in selling. You can afford this book. You can afford a few minutes out of your day to improve. What you can't afford is not reading what's inside! Don't just buy a copy for yourself, buy a few extra for your salespeople or colleagues; they'll thank you for it! The CEO of Yum! Brands, Inc., the world's largest restaurant company, offers a guide to maximizing leadership skills and motivating people. David Novak is the best at leadership, whether teaching it in this book or practicing it at Yum!--Warren Buffett. The summary of The Things You Can See Only When You Slow Down – How to Be Calm in a Busy World presented here include a short review of the book at the start followed by quick overview of main points and a list of important take-aways at the end of the summary. The Summary of Things That Are Only Visible When One Takes Time to Slow Down describes how our fast-paced world can quickly become overwhelming for a person if they allow it to. Even relatively minor setbacks can give the impression of being catastrophic, which makes

the more significant challenges seem even more insurmountable. We give ourselves the space we need to be able to slow down, take some deep breaths, and find happiness that is authentic and long-lasting when we practise mindfulness and compassion with both ourselves and others. The Things You Can See Only When You Slow Down summary includes the key points and important takeaways from the book *The Things You Can See Only When You Slow Down* by Haemin Sunim. Disclaimer: 1. This summary is meant to preview and not to substitute the original book. 2. We recommend, for in-depth study purchase the excellent original book. 3. In this summary key points are rewritten and recreated and no part/text is directly taken or copied from original book. 4. If original author/publisher wants us to remove this summary, please contact us at [support@mocktime.com](mailto:support@mocktime.com). The time is overdue for a step by step guide to teach women how to get the material things they really want from men. Courtship and chivalry are at an all-time low; just listen to most of today's pop music and watch the videos and movies; where is the love? Today you will set your own rules and forget everything you were taught to believe about love and life. Instead, you will learn how to divorce yourself from your emotions in order to acquire the material things you want from men. From chapter to chapter you will learn every skill, technique, and secret that has successfully worked for other women and it can work for you. This book is a guilty pleasure to the most independent woman because even she will benefit from this information. Enjoy! **THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM** 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of *Daisy Jones & The Six* in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and

reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. *The Seven Husbands of Evelyn Hugo* is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth. Don't miss the new novel from Taylor Jenkins Reid, *Carrie Soto is Back*, out now. The multimillion-copy bestselling book of spiritual wisdom about the importance of slowing down in our fast-paced world, by the Buddhist author of *Love for Imperfect Things* “Wise advice on how to reflect and slow down.” —Elle Is it the world that's busy, or is it my mind? The world moves fast, but that doesn't mean we have to. This bestselling mindfulness guide by Haemin Sunim (which means “spontaneous wisdom”), a renowned Buddhist meditation teacher born in Korea and educated in the United States, illuminates a path to inner peace and balance amid the overwhelming demands of everyday life. By offering guideposts to well-being and happiness in eight areas—including relationships, love, and spirituality—Haemin Sunim emphasizes the importance of forging a deeper connection with others and being compassionate and

forgiving toward ourselves. The more than twenty full-color illustrations that accompany his teachings serve as calming visual interludes, encouraging us to notice that when you slow down, the world slows down with you. A woman longs to be loved. So when there is a lack of connection with her husband, the hurt can run deep. With encouraging examples from her marriage and those of women surveyed, author and speaker Julie Clinton models how readers can start important conversations with their husbands and express their deepest thoughts about topics of faith, life and love, including: Hurts: How he distances her emotionally or physically Sex: What she likes, dislikes, and desires for sexual and nonsexual touch The Past: Secrets, prior sexual relationships, abortion, abuse, shame God: Her needs for spiritual leadership, prayer, and spiritual intimacy Dreams: Her hopes and her desire for mutual goals These intimacy solutions will spark reconnection in a marriage and will remind couples of their deep affection for one another and the strength and beauty of a relationship that is based on truth, acceptance, and forgiveness. The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good

habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. '101' covers the basic Principles of Economics in terms that even the most mediocre of students will be able to grasp. It then extrapolates these basic values into the convoluted landscape the politicians and businessmen have gotten us into. Economics always sounds confusing and even daunting to the point of terrifying if you listen to the newscasters. It doesn't have to be and nothing will make it clearer than the guidelines presented in this book. STOP IN THE NAME OF LOGIC! Before you make another decision that deals with your life or business, read '101!' You will learn how to deal effectively with: choosing a career buying a home using your credit cards planning for retirement training you kids in how to deal with money All decisions have an effect today and years down the road. Most political mistakes are made because they don't grasp the long term effect. Reading this book will make you wiser in every facet of your life. Join the fans of Laura's writing: You taught me all I need to know about marketing Laura's writing is all you need to get the take on business Boy you sure get things right. Are you ready for the next step of your life? Are you prepared for what lies ahead of you? Has science, biology, language, arts, history, and geography adequately prepared you for life

after high school? If you are like most students, your life has been orchestrated by parents, guardians, teachers, and guidance counselors. Everything that needs to be done happens without you even thinking about it. Your curriculum is planned, transcripts are sent, schedules are prepared. You show up, take the test, and move on. This book focuses on the top 100 things every user needs to know about Windows Vista. If you drink apple juice with cinnamon, look after your gums, read, dance and take an aspirin a day - you are well on your way to preventing Alzheimer's disease. When bestselling author Jean Carper discovered she had the Alzheimer's gene, she was determined to find out if there was anything she could do to help herself. In this book, she teaches readers how to take simple and effective steps to prevent Alzheimer's disease, providing the scientific rationale behind the tools in the book and detailing instructions on how readers can apply particular steps to their lives. Many years of counseling have enabled Dr. Henry Cloud to observe people trying to work out the most important issues of life: relationships, career, fulfillment, meaning, pain, hurt, loss, despair, and addictions. If we sincerely want to "get life right" and quit repeating the same mistakes over and over again, *9 Things You Simply Must Do* provides the practical guidance we need to live life to its fullest . . . every moment. Want to know what women do behind closed doors? Maybe you've heard the myths and you just have to know the truth behind what she really thinks. Are you that brave man who will go where no man has gone before? Enter inside a woman's mind? Enter at your own risk; things will never be the same after you've picked this guide up. Come inside and see the four things that a woman won't tell. This is the guide for the curious man. Why do some leaders get and accomplish what they want as a matter of routine, while others seem to regularly experience frustration and setbacks? Why do some leaders achieve their goals and reach new heights, while others barely "hang in there" and survive? Based on his groundbreaking psychological study of the ways that successful individuals think and

behave, Dr. Henry Cloud presents a simple yet profound roadmap to help leaders-and those who want to become leaders-arrive at greater levels of personal growth and corporate influence than they previously thought were possible. The good news for all of us is that leadership success is not limited to vague notions of "charisma" nor traditional advantages like graduate degrees and connections, but much more to a pattern of thinking and moving forward that learns from mistakes and stays focused on goals. It's frustrating when competitors or colleagues win the promotion or the contract that was supposed to be yours-especially when you're better and more qualified. Instead of complaining, it's time to ask a simple question: what exactly is it that they are doing different to give them an edge? Author Rebecca Bonnington, a successful leadership coach and corporate trainer, believes that the answer to that simple question can give you a step-by-step approach to set yourself apart from competitors. With this guidebook to outshining your competition, you can learn how to leverage core values to pick the career that's right for you; start with the end in mind in order to accomplish your goals; and control emotions to help you think in purposeful ways. Bonnington, who has coached hundreds of leaders and entrepreneurs throughout the world, helps you uncover both the obvious and the elusive and be better equipped to succeed in business and in life. A Practical guide for any young person considering a military career that analyzes the traditional career path and provides proven alternatives that lead to success, options and most importantly maintenance of the individual and freedom of action. In this transformational book, the authors have used ground-breaking research to develop four primary patterns of relating to one another that shed light on our actions--and how we can learn to love and be loved even better. College is about way more than just frats and finals. It's a time to learn new skills, encounter different cultures, test out potential careers, and take a stab at something new just because it sounds cool. To leave college a better, smarter, and more interesting person than

you were when you started, all you need is an open mind, a willing spirit, and (of course) this book! These 77 entries cover everything from negotiating the terms of an apartment rental to attending a school-sponsored lecture event to hosting a movie marathon—and supplemental sidebars provide tips for doing everything cheaply and well. (But remember: The most important thing to do? Graduate!)

101 Things You Need to Know Before Investing in Real Estate! By Patrick Snyder How much do you really know about your golf clubs? Did you know that:

- The lower the loft on your driver, the farther you'll hit it?
- Your new driver has a larger “sweet spot?”
- You are playing a stiff shaft, because it says so on it.
- Women's clubs are designed for women? Fine, but the problem is...

**NONE OF THOSE THINGS ARE TRUE**

Tom Wishon, one of the leading golf club designers in the world, takes you through 10 myths that most golfers believe about their golf clubs. “Most golfers are playing with clubs that will not—and can not possibly—meet their needs. They are designed from the factory to be wrong for their size strength and swing characteristics.” Do you think: That longer drivers will hit the ball farther? The faster you swing, the stiffer your shaft should be? That your clubs are “just like the ones the pros use?” Find out WHY those things are not true!

300 Things You Should Never Say To A Woman, is a humorous trek through the everyday fopas which plague most people on an everyday basis. Also, it is a helpful collection of verbal Don't'S, for anyone who wishes to avoid either turning off, or insulting a woman. While reading this book, some may say, "no one could be dumb enough to say something like that". Perhaps there are a few out there who are smart enough to know better, yet obviously not all are that privileged. Keep in mind, all the stories contained in this book are true stories, so obviously not everyone is as practiced in the delicate art of saying something constructive, without being offensive. So, this is the part where you read the internet description of a book and ask yourself, ¿Am I really going to pay a few moneys for this hunk of words and sentences?¿ Think hard.

We encourage you to. Judge this book by its cover. In fact, judge these next few sentences the closest. [SERIOUS] What's stopping you from doing the things you want to do? Our guess is you might feel stuck, or stagnate, or maybe you feel like all your efforts to grow, change, and do feel like you're pissing in the wind, with no real progress to show. That's ok, we've been there. Like OMGawd we've been there. Within this book are 100 THINGS, that we want you to do. Weird THINGS. Like really weird THINGS. We want you to do them, write about them, and use the momentum from doing them as a catalyst for whatever awesome possum stuff you really want to do. If you feel stuck, doing these THINGS will not only unstuck (is it unstuck? Unstick?) you, they will give you 100 new stories to add to your life's collection. This is our promise to you | Do the THINGS in this book, document your adventures from doing them, gain the precious MOMENTUM, and you will be able to use it for whatever you want to do. You should open it up and see if it helps. Peace! Welcome to our newest author, New York Times Best Selling author, Peggy McColl. "Is it the world that's busy, or is it my mind?" The world moves fast, but that doesn't mean we have to. In this timely guide to mindfulness, Haemin Sunim, a Buddhist monk born in Korea and educated in the United States, offers advice on everything from handling setbacks to dealing with relationships and loved ones, in a beautiful book combining his teachings with calming full-colour illustrations. Even as we speed toward what comes next, Haemin Sunim's messages of encouragement speak directly to the anxieties that have become part of modern life and remind us of the strength and joy that come from slowing down. Overwhelmingly popular in his native Korea, Haemin Sunim is a spiritual leader whose teachings transcend religions and borders and resonate with people of all ages. With insight and compassion drawn from a life full of change, he shows, as millions have seen, he succeeds at encouraging all of us to notice that when you slow down, the world slows down with you. Confession is good for the soul. It

reveals the truth that we are, as any other sinner, saved by the grace of God. to that end, our greatest battles may be as grueling as those of David when he encountered the lion, the bear, or especially the giant Goliath. As this very personal story developed, snakes and other vicious creatures made themselves known. In essence, it became a revelation. Not every battle is won; sometimes we are overtaken, and the scars of defeat will live with us forever. In the end, it is most critical that we can boldly declare, "We have fought the good fight. We have finished the race. We have kept the faith." Ask yourself: How can one possibly get from here to there--from the place of utter despair to one of absolute victory? In *Some Things You Never Forget*, your own stories can become your path to victory, for in them you can find the God of the impossible. "'So maybe it's the stakes. If you kiss me in the snow, I will always wait for you to call first. If you trek out alone into the rugged wilderness to avenge your honor, I am coming in after you.'" This combined collection of short stories and literary essays by Amber L. Carter gives voice to what we wish those who made their way into our hearts could have known...and what we still need to know for ourselves after they've made their way out again. With the glittering twin cities of Minneapolis/St. Paul and the quiet woods of northwest Wisconsin serving as a backdrop to her chronicles of "'pounding love and crashing pain and that pretty ache'", Carter's keen and unflinching observations of the intricacies of the human heart - mixed with a complex vulnerability and a delightfully wry humor - make each piece both intensely absorbing and startlingly familiar. We no longer long for "happily ever after." We no longer believe in "you complete me" or *Mad Men* gender roles. But we all, still, love to love love. This book is an exploration of a love for a new generation---a love replete with intimacy and trust, a love with room for change and independence, a love without ownership. I began this book rather casually, after a Midsummer Night's date. The first chapter met with more enthusiasm than anything I had ever written. It was then

serialized on Elephant Journal, where it garnered millions of readers and an online community of 108,000. I felt like a donkey, who had accidentally won the love of a fairy queen-this new love was something we were all clearly puzzling over. Things I would like to do with You is a universal, personal and timeless exploration of love-a love that includes loneliness, humor, and friendship. May it be of benefit!~ Waylon Hart Lewis, Author 99 Things You Wish You Knew Before...Landing Your Dream Job Do you know how to cash in on your passions? Dozens of small tips that can make all the difference in your search You are trying to be a brilliant parent, but life's busy and although your kids are the biggest priority in your life, you can't do everything. If only you knew what things will have the biggest impact and make the most significant difference to your children's life. What will make the difference to how they turn out as people? What should you be doing with them, showing them or teaching them to give them the best chance of being happy and well balanced? What are the values, skills and life lessons that you must absolutely instil in them? What's the best use of your time together? The 10 Most Important Things

You Can Do For Your Children will help to relieve the worry by giving you very clear, objective advice on what you should be doing to secure a happy and healthy future for your children. If you concentrate on getting these 10 things right, you can be confident that you're doing everything that really matters. Each of the ten chapters of this incredible book is packed with sound principals, practical techniques and clever tactics that will equip you with all the vital skills you need to get your children safely from childhood to the end of their teens and beyond. In this life-changing book, you'll learn ten pathways of success that will help you redirect your mistakes and make way for success – physically, personally, and spiritually. Everyone makes mistakes, big and small. Sometimes our mistakes take us down the wrong path and send us spiraling into destructive life patterns, and sometimes we learn a lesson and never make the same mistake again. But how? How do we recognize our destructive patterns, make new choices, and then follow through? In *Never Go Back*, bestselling author Dr. Henry Cloud shares ten doorways to success – and once we walk through these new pathways, we never go back again. His proven method – based on grace, not guilt – outlines ten common life patterns that sabotage success and lays out clear, concrete steps you can take to overcome them. You'll see your relationships flourish, your personal life enhanced, and your faith strengthened. Dr. Cloud's powerful message reveals doorways to understanding – once you enter them, you will get from where you were to where you want to be. With a winning combination of eternal principles, spiritual wisdom, and modern scientific data, *Never Go Back* will put your heart in the right place with yourself and with God. In this groundbreaking new book, readers learn how small color changes can increase a homes value, minor repairs and de-cluttering tricks, how to rearrange furniture and art work, decorating tips and ideas, how to ensure a positive traffic flow through rooms, how to use mirrors and natural light, and much more. New York Times Bestseller Over 2.5 million copies sold For David

Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.
