Finding Emma Aug 05 2021 A mother's near-obsessive devotion to her missing daughter threatens to destroy more than one family. Megan is the harried but happy stay-at-home mother of three little girls living in a small town. Her life implodes when her youngest daughter, Emma, disappears on her third birthday. Two years later, Megan is preparing to commemorate Emma's birthday and the anniversary of her kidnapping, compelled to keep her name alive in the minds of her community and her family. Her commitment to Emma, however, borderlines on obsession as she follows the families of little girls who look like the daughter she lost. Her obsession with finding Emma has distanced Megan from both friends and family. Her two older daughters are resentful of her relentless and fruitless search for their sister, and her husband pleads with her to accept that Emma is gone so that the family can move on with their lives. Meanwhile, in the same small town, Jack is beginning to question his wife's secrecy about their adored granddaughter, Emmie. As Dottie slips into dementia and becomes increasingly protective over Emmie, he can't help but wonder if there could be a dark secret that Dottie is keeping from him. Jack and Megan's worlds finally intersect at the town carnival, when Megan snaps a photograph of a little girl on her grandfather's shoulders.

**Just Between Us** Oct 19 2022 Don't look at her, don't look at her, don't look at her. I haven't seen her since she got arrested. I try not to look and I don't want anyone in the courtroom to know I'm looking. Instead I look down at the silk tie I got for the homecoming dance but let my eyes dart back up and hope that my hair hides where I'm looking. She looks a lot older than I remember. Harsher. Thinner. Her mouth—God the things she did with that mouth—is set in a frown and lines have formed around it. She's only twenty-eight but now she looks forty. She's staring at me. Like she's trying to tell me something. What am I supposed to do? Lie? We got caught doing it. There's no way I can lie my way out of that. Her douchebag of a husband sits behind her. Asshole. If he hadn't been such a jerk, hitting her and always telling her what a loser she is, then she wouldn't have needed me. No matter how many ways they spin it, I was not the victim. I knew exactly what I was doing. I take a deep breath and remember the first time I met Mrs. Anderson... Monica. It's time for me to tell my side of the story.
