Picking up shortly

after the events in the sizzling New York Times bestseller *Just One Night*—which the New York Journal of Books declared “gives *Fifty Shades of Grey* a run for its money”—this sexy e-short, told from the perspective of Robert Dade, delves further into his tumultuous love affair with Kasie Fitzgerald. “If you won’t be ruthless for love, how valuable is that love?” Robert Dade is a man who knows what he wants and never hesitates to go after it. Money, power, and—at long last—the woman he loves, Kasie Fitzgerald, are now his. But after so many years of living by his own rules will he really make the compromises

necessary to keep Kasie by his side? And when a man even richer and more ruthless than he is takes an interest in Kasie, will Dade be able to protect her? Or will his controlling nature drive her toward the very danger he seeks to shield her from? The seductive second tale in the New York Times bestselling *Just One Night* series, *Just Once More* introduces some of the fascinating characters from the wild new Kyra Davis novel, *Just One Lie*—the long-awaited next full-length work in the internationally beloved series. Mystery writer and dabbling recreational sleuth Sophie Katz is head

over heels in love—with a three-bedroom Victorian. Kira Dawson has the power to burn vampires to a crisp. The problem is, she doesn't know it yet. The even bigger problem is, she's dating one. When Kira Dawson moves to South Carolina, she meets Luke, a blond goofball who quickly becomes her best friend, and Tristan, a mysterious bad boy who sends shivers down her spine. Kira knows they're keeping secrets, but when she discovers Tristan's lust for blood and her own dormant mystical powers, Kira is forced to fight for her life and make the heartbreaking decision between the familiar comfort

of friendship and the fiery passion of love. From bestselling author Kaitlyn Davis comes a paranormal romance perfect for fans of Twilight, The Vampire Diaries, and Buffy The Vampire Slayer. Ignite is the first book in the Midnight Fire series and it is approximately 65,000 words.

Part 1 of Deceptive Innocence—the first book in the sensual, thrilling Pure Sin trilogy by New York Times bestselling author Kyra Davis (Just One Night). A beautiful young woman is out for revenge—only to find the man she's targeting has secrets as dangerous as her own, and a passion she cannot resist. Ever since her mother died while serving time for a

murder she didn't commit, Bell's been focused on one thing: revenge. She knows her mother was set up by the head of the powerful Gable family, international bankers who will crush anyone for profit, or amusement. Now she's determined to take the Gables down—from the inside. Seducing her way into the life—and bed—of the family's rebellious youngest son, Lander, she figures it should be easy to uncover the secrets she needs to destroy his family. But Lander turns out to be much more complicated than Bell ever could have imagined. He's enticing, intelligent,

mysterious—and their sexual chemistry is off the charts. Lander is still the target, but once Bell gives in to her desire to touch him, he starts seeming much less like an enemy... Which is why her anger is more necessary than ever: Memories of her mother must help fuel her quest for justice to the very end. Part 3 of the Just One Night series. One wild night in a Vegas hotel changed everything for Kasie. Sleeping with a powerful, sexy stranger made her rethink her impending marriage, and a whole lot more. As her affair threatens her job and the sexy billionaire Robert Dade becomes more controlling, Kasie has to figure out if her passion is leading her down a path she really wants. She's seduced by his gifts of power, success,

and adventure, she's overwhelmed by what he can make her feel with a single touch, the way he can make her ache for him with just a look. But is the cost of absolute power and pleasure a price Kasie can afford? And does she truly know this man who says he can give her everything...or is he still a stranger after all? \* This Book Will Save Your Life is an uplifting story about one man's efforts to bring himself back to life. Richard is a modern-day everyman, a middle-aged divorcee trading stocks out of his home in Los Angeles who needs no one. His life has slowed almost to a standstill until two

incidents conspire to hurl him back into the world. One day he wakes up with a knotty cramp in his back, which rapidly develops into an all-consuming pain. At the same time a wide sinkhole appears outside his living-room window, threatening the foundations of his house. A vivid novel about compassion and transformation, This Book Will Save Your Life reveals what can happen if you are willing to open yourself up to the world around you. Since her debut in 1989, A. M. Homes has been among the boldest and most original voices of her generation, acclaimed for the psychological

accuracy and unnerving emotional intensity of her storytelling. Her keen ability to explore how extraordinary the ordinary can be is at the heart of this touching and funny novel, which was shortlisted for the Richard & Judy Book Club in 2007. Fueled by revenge, Bell, determined to take down the family that framed her mother for murder, seduces her way into the life—and bed—of Lander Gable to destroy them all, but her plans become complicated when their sexual chemistry turns into something more. Simultaneous. Kasie knows who she's supposed to be. But one

passionate night with a mysterious stranger will teach her who she wants to be. You should sleep with a stranger, her best friend whispers in her ear as they take to Vegas for one last pre-wedding fling. Despite her best intentions, when Kasie Fitzgerald enters the casino and sees him, a man whose tailored clothes belied a powerful, even dangerous, presence, she loses herself to the moment. Maybe it's the dress, much shorter than she'd ever normally wear, or the Scotch, but something makes her give herself over to him more completely than she's ever done with a man before. It was supposed to

be just one night. But right as she's thinking she wants more, he shows up in her office with an agenda. As the billionaire CEO of a company that's engaged her PR firm, his demands just became her reality...and he desires so much more than just some attention in the boardroom. **NEW YORK TIMES BESTSELLER •** After a sudden change of plans, a remarkable woman and her loyal group of friends try to figure out what she's going to do with the rest of her life—from Terry McMillan, the bestselling author of *How Stella Got Her Groove Back* and *Waiting to Exhale* **NAMED ONE OF THE BEST**

BOOKS OF THE YEAR BY MARIE CLAIRE AND GOOD HOUSEKEEPING • “Poignant, funny and full of life, this is a balm for troubled times.”—People Loretha Curry’s life is full. A little crowded sometimes, but full indeed. On the eve of her sixty-eighth birthday, she has a booming beauty-supply empire, a gaggle of lifelong friends, and a husband whose moves still surprise. True, she’s carrying a few more pounds than she should be, but Loretha is not one of those women who think her best days are behind her—and she’s determined to prove wrong her mother, her twin sister, and everyone

else with that outdated view of aging wrong. It’s not all downhill from here. But when an unexpected loss turns her world upside down, Loretha will have to summon all her strength, resourcefulness, and determination to keep on thriving, pursue joy, heal old wounds, and chart new paths. With a little help from her friends, of course. When a mystery writer cries bloody murder, everyone blames her overactive imagination... Thriller scribe Sophie Katz is as hard-boiled as a woman who drinks Grande Caramel Brownie Frappuccinos can be. So Sophie

knows it's not paranoia or post-divorce, living-alone-again jitters, when she becomes convinced that a crazed reader is sneaking into her apartment to reenact scenes from her books. The police, however, can't tell a good plot from an unmarked grave. When a filmmaker friend is brutally murdered in the manner of a death scene in one of his movies, Sophie becomes convinced that a copycat killer is on the loose—and that she's the next target. If she doesn't solve the mystery, her own bestseller will spell out her doom. Cursing her grisly imagination (why, oh, why did she have to pick the

ax?), Sophie engages in some real-life gumshoe tactics. The man who swoops in to save her in dark alleys is mysterious new love interest Anatoly Darinsky. Of course, if this were fiction, Anatoly would be her prime suspect.... When Violet Eden loses the key to the gates of Hell she is forced to make a choice that carries apocalyptic consequences. When you're hanging off the edge of a volcano, how do you make the most important decision of your life? For Violet Eden the decisions between right and wrong are getting harder and harder. Because apparently being a half-angel

Grigori doesn't always make you right. Where is the good in having to choose between the life of her best friend and saving humanity? How does she balance a soul-crushing need for her Grigori partner, Lincoln, and the desire to keep him safe at all costs? And what if the darkest exiled angel of all, Phoenix, isn't as bad as she thought? Both sides-Angels vs. Exiles-are racing to decipher an ancient scripture that would allow anyone banished to the Underworld to return. And at the very center: Violet. She only has one chance to make the right choice... The Embrace Series: Embrace (Book 1) Entice (Book 2)

The warning signs were there. No neon signs, mind you, just little sparks at the end of a very long string. Funny that I could have been blind enough

not to realize that the string was a lighted fuse. When her boyfriend of three months, Tad Showers, proposes, twenty-six-year-old April thinks that everything in her life is finally falling into place. Tad's exactly the kind of man April wants: smart, ambitious and wildly romantic. But soon after they're married, the honeymoon ends. Tad's crazy, extravagant gestures are starting to look less romantic and more...well, just plain crazy. Is it normal for her

husband to never mention his family, rack up secret credit card debt and get less sleep than your average insomniac? Are you still supposed to stand by your man, even if it turns out he isn't who you thought he was? When she promised "for richer or poorer, in sickness and in health," this isn't what she pictured. But sometimes you don't get the life you imagined. And sometimes you have to figure out how to write your own happy ending. Kyra Davis, the New York Times bestselling author of *Just One Night*, returns with book one in the thrillingly erotic *Pure Sin* series featuring a

beautiful young woman out for revenge—until she falls in love with the one man whose secrets are as dangerous as her own. (Note: this volume collects Parts 1 - 3 of the previously serialized *Deceptive Innocence* ebook series.) Ever since Bell's mother died while serving time for a murder she didn't commit, Bell's been focused on one thing: revenge. She knows her mother was set up by Jonathon Gable, the head of both the powerful Gable family and an international banking corporation. Now she's determined to take him down—from the inside. Bell needs access to the Gable

home and offices, so she poses as a bartender to seduce her way into the bed—and life—of Jonathon’s rebellious youngest son, Lander. He’s not a typical Gable, spending more time in the dive bars of Harlem than the posh cocktail lounges of the Upper East Side. He has an attraction to danger, a vulnerability Bell isn’t shy about exploiting. It should be easy to uncover the secrets she needs to destroy his family and clear her mother’s name. But it turns out Lander is much more complicated than she ever imagined. He’s enticing, intelligent, mysterious—plus their sexual

chemistry is off the charts. Even though Bell knows he’s the enemy, she can’t help but be moved, both physically and emotionally, by the man she swore was just a target. When he finds out the truth she’s sure both their hearts and her plan will be crushed...until she begins to realize that Lander might be hiding his own secrets, darker than she ever imagined. From Kyra Davis, New York Times bestselling author of *Just One Night*, comes Book Two in the *Pure Sin* series that *Sinfully Sexy* is calling “angsty, intriguing, and off the charts sexy.” The beautiful, angry Bell has revenge in her heart and Lander Gable in her sights. She’s

seduced her way into his arms with the intent to destroy his wealthy family. But now that she’s there, lust and passion have begun squeezing out that desire for vengeance. It’s a dangerous game Bell is playing, and sex, mystery, and lies are the most intriguing game pieces of all. In this enchanting contemporary romance, sure to delight readers of Rachel Gibson and Susan Elizabeth Phillips, a close encounter of the sexy kind leads a plain Jane to discover her wild side. Chloe Sinclair has never been bad . . . until she stumbles—literally—into the arms of a gorgeous stranger.

Without warning, Sophie plunges into a world of political mudslinging and campaign cover-ups. She uncovers some pretty dirty secrets, including a certain conservative congressional hopeful's involvement in the

"Furry" community a group with a fetish for mascot-sized animal costumes. Sex and politics, wouldn't you know? Sophie knows she needs help, and turns to P.I.(and ex-boyfriend) Anatoly Darinsky. Together they set out to discover who killed Eugene and why. Their professional relationship may be repaired, but what will this very unusual case do for their personal one? Bestselling mystery author and amateur sleuth, Sophie Katz has just discovered that Anatoly, her sexy Russian P.I. boyfriend of six years, is actually married to the daughter of a Russian mafia boss. Devastated by his

betrayal, Sophie kicks him out their home in San Francisco. Desperate to distract their friend and pull her out of her depression, Dena and Marcus spirit Sophie away to Vegas for a "fun-filled weekend" at a sex toy trade show. But bigger trouble awaits in Vegas. Anatoly is there; his beautiful Russian wife is there; and a dead body is there...stuffed into a hotel closet. To make matters worse, someone has gone out of their way to implicate Sophie in the murder. Sophie's completely over her head and when a mysterious man offers her help she's tempted to take it. But who is he and whose side

is he on? It's also clear that whoever the bad guy is, he would have no problem killing Anatoly, and although she may want to kill him herself, no one else is allowed to hurt Sophie's man. You should sleep with a stranger, her best friend whispered in her ear—and so begins the intense, erotic journey of Kasie Fitzgerald in Book One of the Just One Night series, a blockbuster bestseller and "an uplifting story in which sex is presented both as freedom and as a metaphor for power" (Publishers Weekly). Kasie Fitzgerald knows who she's supposed to be. Responsible. Reliable.

Predictable. She's an ambitious workaholic who is devoted to the sensible man she plans to marry. But one wild, impulsive night in Vegas is about to open her eyes up to who she wants to be... Trying her sexy new dress and her luck at a blackjack table, Kasie meets him. Intense. Flirtatious. Dangerous. She accepts his invitation for a drink...and then to his hotel room. She doesn't know his name. But she'll never forget the sex. Hard. Thrilling. Explosive. So when her mystery man later shows up at her office unexpectedly, she succumbs to his mastery, both in bed and in the boardroom. There's

no telling where the powerful, wealthy Robert Dade will lead her. But there's also no resisting her desire...however far she'll go under its spell. The only question is who she'll be when the journey ends. With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so

much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.
