The Light Apr 08 2021 Marshall Seaver is being haunted. It begins with mysterious sounds, a fleeting face outside a window, a rogue breeze—all things that can be explained away. That is, until he comes face-to-face with a character who only exists on the pages of a sketchbook—a character Marshall himself created. Marshall has no idea why he is being tormented by this forbidding creature, but he is quickly convinced it has something to do with his best friend, Cooper, who has gone missing. Together with Cooper's beautiful but aloof sister, Sydney, Marshall searches for the truth about his friend while ultimately uncovering a nightmare that is bigger and more frightening than he could ever have imagined. Number one New York Times bestselling author D. J. MacHale launches his eerie new trilogy with a story so packed with chilling suspense, readers will want to sleep with the light on. * * * The voices grew louder, more urgent, as if they were running out of time. It sounded like gibberish. It was gibberish. I knew that. It was a dream, right? That's what I told myself and it calmed me down. That is, until I heard a single word break through the haze as plain and clear as if someone had leaned over and spoke directly into my ear. --"Morpheus."

Pendragon Dec 25 2019 "Pendragon has all the hallmarks of a traditional historical adventure story . . . However, there is also intellectual heft to this story, with its themes of myth-making and the nature of power." Antonia Senior *THE TIMES* Here is the beginning of a legend. Long before Camelot rose, a hundred years before the myth of King Arthur was half-formed, at the start of the Red Century, the world was slipping into a Dark Age... It is AD 367. In a frozen forest beyond Hadrian's Wall, six scouts of the Roman army are found murdered. For Lucanus, known as the Wolf and leader of elite unit called the Arcani, this chilling ritual killing is a sign of a greater threat. But to the Wolf the far north is a foreign land, a place where daemons and witches and the old gods live on. Only when the child of a friend is snatched will he venture alone into this treacherous world - a territory ruled over by a barbarian horde - in order to bring the boy back home. What he finds there beyond the wall will echo down the years. A secret game with hidden factions is unfolding in the shadows: cabals from the edge of Empire to the eternal city of Rome itself, from the great pagan monument of Stonehenge to the warrior kingdoms of Gaul will go to any length to find and possess what is believed to be a source of great power, signified by the mark of the Dragon. A soldier and a thief, a cut-throat, courtesan and a druid, even the Emperor Valentinian himself - each of these has a part to play in the beginnings of this legend...the rise of the House of Pendragon.
