**The Genesis Glitch** Feb 03 2021 December 2012. There is global paranoia surrounding the predicted event described in the ancient scrolls recently discovered in the Sphinx: the resurrection of ancient malevolence in the form of Halford. His body has been preserved for 12 millennia in such condition that reanimation might be possible using the genesis procedure.

*Celtic Treasure* Apr 05 2021 In July of 2012, Celtic coins over two thousand years old and valued at sixteen million dollars were found on an island off the coast of France. Learning of the discovery, amateur treasure hunters, Mick and Joelle Scott, begin their research. Believing that they might find additional Celtic treasures in the same area, they decide to travel to western France. At the same time, Marcus Demetrius, a wealthy shipping mogul who believes he is related to Julius Caesar, becomes obsessed with acquiring the same antiquities. He will stop at nothing, including murder to obtain the treasure he desires. Demetrius's associates begin sending death threats and the Scott family soon realize that they are all in danger. After a kidnapping takes place, Interpol, an International Criminal Police Organization, gets involved. A complex

double-cross is planned that will lure Demetrius into the open, but not without placing the Scott family more deeply into danger. Will they find more Celtic treasure that has been hidden for over two thousand years? What ancient secrets will be revealed? In this fast-paced novel by DC Johnston, the Mick Scott Adventure begins.

**Knut - Forkbeard's Peace** Jan 02 2021 Cover Flap English children learn that Knut the Great was a pre-Norman king born of Royal Danish blood who thought he could command the ocean tides. The rest of Europe learn that he was the Emperor of the North Sea, the Baltic Sea, the Irish Sea and the Channel. Knut's father was Sweyn Forkbeard, and by 995 Sweyn and his Slavic allies had pushed the German Saxons away from Jutland and the Baltic. Sweyn was now a Great King, a king of kings, who directly or indirectly ruled lands from Finland to Yorkshire. With his rule came peace and

prosperity, except in Norway where warriors were still fighting over who would replace King Haakon Sigurdsson. Olaf Tryggvason, Sweyn's ally against the British Saxons, had travelled to Norway to claim the throne. With him came Saxon priests. The Norse were not amused. About the Author Skye Smith is my pen name. My interest in Knut stems from the endless research I did while writing "The Hoodsmen" series of historical novels about the Norman invasion of England. That invasion by William the Conqueror was not a quick subjugation of an Anglo-Saxon England, but a long and bitter genocide of an Anglo-Danish England and the destruction of Knut's great legacy. The first novel "Knut - Jomsviking" sets the characters and scene for the entire series, so if you haven't yet read it, now would be a good time. This is the fourth novel in the series where Knut's story continues with the building of a Scandinavian empire by his father. Sweyn Forkbeard was becoming the Great King of the Danes, Swedes,

Goths, Norse, plus many Slavs, Finns, Brits, and Irish. The chapter headings identify the dates and places. The Appendix gives historical insight and a list of characters. Enjoy. Other Novels By The Same Author: The Hoodsmen - 12 historical adventures set in the Norman conquest. Maya's Aura - 8 new age adventures while tripping around the world. The Pistoleer - 9 historical adventures set in the English Civil War. Knut - many historical adventures set in the Viking Era. Knut #1 - Jomsviking (980 - 984) Knut #2 - Varangian (986 - 992) Knut #3 - Strandhogg (993 - 994) Knut #4 - Forkbeard's Peace (995 - 999) Knut #5 - Brice's Massacre (1000 - 1002 coming soon)

*The Red Bag* Sep 10 2021 For Phil Parker and his wife, Macy, life in their quiet Midwest home is peaceful and idyllic. But their world is soon turned upside down when a mysterious acquaintance sends them a strange and alluring

gift. It's called the red bag. Once the cherished property of a long-dead film director, it has gained a reputation as a mysterious and valuable collector's item. Now in possession of this strange, yet fascinating prize, Phil attempts to track down the man who sent it to him. But his search is quickly halted when he learns that the man is dead, having been murdered just days after sending Phil the package. Not wanting to get involved, Phil chooses to put the red bag aside and return his attention to his home and family. But after surviving a savage act of violence at the hands of a disturbed man who is seeking the red bag for himself, Phil has no choice but to confront the mystery before him. He soon learns that the red bag is more than just a simple heirloom. It has a history all its own, one that will plunge Phil into a world of danger and greed, pitting him against forces that he never could have imagined, against people who value the red bag more than anything else in the world and will stop at nothing to get it.

American Jurisprudence Proof of Facts, 3d Series Oct 19 2019 Provides text and sample testimony to assist in preparing for and proving facts that may be in issue in judicial and administrative proceedings. Kept up to date by packet supplements. Library has second and third series.

Never Let Me Go Mar 04 2021

*Autocar & Motor* Nov 24 2022

*Icon* Mar 24 2020 A NEW YORK TIMES

BESTSELLER • From the master of the novel of international intrigue comes a riveting new book as timely and unsettling as tomorrow's headlines. It is summer 1999 in Russia, a country on the threshold of anarchy. An interim president sits powerless in Moscow as his nation is wracked by famine and inflation, crime and corruption, and seething hordes of the unemployed roam the streets. For the West, Russia is a basket case. But for Igor Komarov, one-time army sergeant who has risen to leadership of the right-wing UPF party, the

chaos is made to order. As he waits in the wings for the presidential election of January 2000, his striking voice rings out over the airwaves offering the roiling masses hope at last—not only for law, order, and prosperity, but for restoring the lost greatness of their land. Who is this man with the golden tongue who is so quickly becoming the promise of a Russia reborn? A document stolen from party headquarters and smuggled to Washington and London sends nightmare chills through those who remember the past, for this Black Manifesto is pure Mein Kampf in a country with frightening parallels to the Germany of the Weimar Republic. Officially the West can do nothing, but in secret a group of elder statesmen sends the only person who can expose the truth about Komarov into the heart of the inferno. Jason Monk, ex-CIA and "the best damn agent-runner we ever had," had sworn he would never return to Moscow, but one name changes his mind. Colonel Anatoli Grishin, the KGB officer who tortured and murdered four of

Monk's agents after they had been betrayed by Aldrich Ames, is now Komarov's head of security. Monk has a dual mission: to stop Komarov, whatever it takes, and to prepare the way for an icon worthy of the Russian people. But he has a personal mission as well: to settle the final score with Grishin. To do this he must stay alive--and the forces allied against him are ruthless, the time frighteningly short. . . . Praise for Icon "Vintage Forsyth, intricate, exact and gripping."—The New York Times Book Review "Another strong performance by a writer who knows exactly what he's about, and who here catalyzes narrative with another memorable protagonist, the stealthy and daring Monk."—Publishers Weekly (starred review) "One of his best works for a long time, which provides an all-too-real look at a chilling new millennium."—The Sunday Times, London

*Proceedings of Geotechnical Challenges in Mining, Tunneling and Underground*

*Infrastructures* May 06 2021 This book consists of selected papers presented at the International Conference on Geotechnical Challenges in Mining, Tunneling and Underground Infrastructures (ICGMTU), held as a virtual conference on December 20, 2021. The papers represent the research work in the related fields of underground mining, ground control, mining geotechnics, geo-instrumentation, mine tunnelling, and underground structures. It focuses on the latest technology being implemented including artificial intelligence and machine learning applications to solve challenges in mining tunneling and geotechnical structure engineering. It also highlights the state-of-the-art technologies adopted by the civil and mining industry for their commercial as well as environmental benefits. The papers are presented by an international pool of academics, research scientist, and industrial experts and therefore cater to the global audience from the field of underground engineering.

*The Undertaker's Widow* Oct 11 2021 A cold-blooded murder. A beautiful suspect. An honest judge forced to do the unthinkable. New York Times bestselling author Phillip Margolin is a master of legal suspense. In this explosive novel, a simple case of self-defense becomes a nightmare in which justice itself is held hostage. Judge Richard Quinn is young, idealistic, and honest to a fault. That's why he's handed the most sensational homicide case in Oregon history. Locked in a race for the U.S. Senate, Ellen Crease gunned down the intruder who murdered her wealthy husband. In a single, brutal instant she became a widow, a victim, and a hero. Yet disturbing questions remain. What secrets did the man who started his fortune running mortuaries keep that might have cost him his life? What about the son frozen out of his will? Or his wife's political enemies? And what about Ellen Crease herself? Soon it becomes clear that a deadly plot of murder, blackmail, passion, and double cross is unfolding around

Judge Richard Quinn. And unless he breaks the rules, justice will not only be blind, it will be the final victim.

Survival Mission Apr 17 2022 When a former navy SEAL and his young daughter are kidnapped by a crime ring in Prague, Mack Bolan faces his most difficult rescue mission yet as he goes up against a police force on the take and the ring's ruthless leader, who has declared war on the Executioner. Original.

**Sticks and Stones** Nov 12 2021 THE PANTS ON FIRE DETECTIVE AGENCY: Cat DeLuca's short, stormy marriage was a crash course in infidelity - his, not hers. But two years of unholy matrimony taught her everything she needed to know to launch the Pants On Fire Detective Agency. Now armed with spy glasses, camera, chocolate and a beagle named Inga, Cat specializes in avenging-all-cheated-upon-women. STICKS AND STONES: Cleo Jones' husband

stole her money, took her dog and slept with her sister - so she can't feel too guilty about shooting him full of buckshot. But she didn't kill him - despite swearing that she would. So when his corpse is found with a large calibre bullet hole in his chest, guess who's the number one suspect? Shame no one but Cat believes Cleo is innocent. So who did pull the trigger? Turns out there is no shortage of suspects.

**The Mole Chronicles** Oct 31 2020 In the spirit of Susan Sontag's *Illness as Metaphor* or Jonathan Lethem's *Fortress of Solitude*, Andy Brown's first novel follows a sibling relationship told through vignettes, each story centered

around the removal of a mole. From this premise, Brown's novel expands the associations of moles from skin disease, to the burrowing animal, to secret societies and espionage, to tell the story of familial dysfunction, culture-jamming, eco-terrorism, and regret in the lives of young adults in the 1990s.
