In this way investigative journalism crucially contributes to freedom of expression and freedom of information, which are at the heart of UNESCO's mandate. The role media can play as a watchdog is indispensable for democracy and it is for this reason that UNESCO fully supports initiatives to strengthen investigative journalism throughout the world. I believe this publication makes a significant contribution to promoting investigative journalism and I hope it will be a valuable resource for journalists and media professionals, as well as for journalism trainers and educators." -- J?nis K?rklinš, Assistant Director-General for Communication and Information, UNESCO, Preface, page 1.
