Airline e-Commerce Sep 30 2020 From the few tickets that were sold by Alaska Airlines and former British Midland in December 1995 via the industry's first airline booking engine websites, global online travel has grown to generate today more than half a trillion dollars in annual revenue. This development has brought significant changes to the airline business, travel markets, and consumers. Today, airlines worldwide not only use e-commerce for online marketing and selling but also as a platform to offer unique services and capabilities that have no counterpart in the physical world. This book is an in-depth introduction to airline e-commerce. It covers a broad scope of areas that are essential to an airline's ongoing digital transformation. Digital properties & features E-marketing E-sales & distribution Web customer service E-commerce organization E-commerce strategy Written by an airline e-commerce expert and illustrated with numerous examples of leading airlines in this area, Dr. Hanke provides for comprehensive "behind-the-scenes" details of how airline e-commerce works. This book is a crucial companion for students and practitioners alike because it allows the reader to acquire a thorough foundation of airline e-commerce. Furthermore, the book enables the reader to appreciate the ramifications of airline e-commerce in certain corporate areas and to take effective action for a successful e-commerce strategy.

The Myth of Capitalism Nov 13 2021 The Myth of Capitalism tells the story of how America has gone from an open, competitive marketplace to an economy where a few very powerful companies dominate key industries that affect our daily lives. Digital monopolies like Google, Facebook and Amazon act as gatekeepers to the digital world. Amazon is capturing almost all online shopping dollars. We have the illusion of choice, but for most critical decisions, we have only one or two companies, when it comes to high speed Internet, health insurance, medical care, mortgage title insurance, social networks, Internet searches, or even consumer goods like toothpaste. Every day, the average American transfers a little of their pay check to monopolists and oligopolists. The solution is vigorous anti-trust enforcement to return America to a period where competition created higher economic growth, more jobs, higher wages and a level playing field for all. The Myth of Capitalism is the story of industrial concentration, but it matters to everyone, because the stakes could not be higher. It tackles the big questions of: why is the US becoming a more unequal society, why is economic growth anemic despite trillions of dollars of federal debt and money printing, why the number of start-ups has declined, and why are workers losing out.

Packer Passion Mar 25 2020 Ever since witnessing the days of Vince Lombardi and the first two Super Bowls, this eight year-old boy's life altering experience created an ardent and life long fan of the Green Bay Packers. Despite living in Connecticut, his singular dedication to the Packers has provided significant milestones, and his loyalty for this unique Wisconsin team has never wavered. Vasquez shares his enthusiasm as he attempts to persuade that the Green Bay Packers are all that they represent; a singular organization of integrity, sportsmanship and heart, in the big business world of professional football. Packer Passion offers a unique and interesting story of one fan's love for this remarkable organization, including up-close and personal experiences with players and coaches that made the Green Bay Packers the greatest football team of all time.

Clap When You Land Feb 22 2020 The stunning New York Times bestselling novel from the 2019 Carnegie Medal winning, Waterstones Book Prize shortlisted author of THE POET X. 2020 Goodreads Choice Award Winner of CLAP WHEN YOU LAND. Camino Rios lives for the summers when her father visits her in the Dominican Republic. But this time, on the day when his plane is supposed to land, Camino arrives at the airport to see crowds of crying people... In New York City, Yahaira Rios is called to the principal's office, where her mother is waiting to tell her that her father, her hero, has died in a plane crash. Separated by distance - and Papi's secrets - the two girls are forced to face a new reality in which their father is dead and their lives are forever altered. And then, when it seems like they've lost everything of their father, they learn of each other. In a dual narrative novel in verse that brims with both grief and love, award-winning and bestselling author Elizabeth Acevedo writes about the devastation of loss, the difficulty of forgiveness, and the bittersweet bonds that shape our lives.

Anatomy of a Miracle Oct 24 2022 "Funny, bighearted...Miles specializes in giving fully rounded humanity to characters who might elsewhere be treated as stock figures...pitch-perfect." — New York Times Book Review "Miles is a writer so virtuosic that readers will feel themselves becoming better, more observant people from reading him." — Los Angeles Review of Books A profound new novel about a paralyzed young man's unexplainable recovery—a stunning exploration of faith, science, mystery, and the meaning of life Rendered paraplegic after a traumatic event four years ago, Cameron Harris has been living his new existence alongside his sister, Tanya, in their battered Biloxi, Mississippi neighborhood where only half the houses made it through Katrina. One stiffling hot August afternoon, as Cameron sits waiting for Tanya during their daily run to the Biz-E-Bee convenience store, he suddenly and inexplicably rises up and out of his wheelchair. In the aftermath of this "miracle," Cameron finds himself a celebrity at the center of a contentious debate about what's taken place. And when scientists, journalists, and a Vatican investigator start digging, Cameron's deepest secrets—the key to his injury, to his identity, and, in some eyes, to the nature of his recovery—become increasingly endangered. Was Cameron's recovery a genuine miracle, or a medical breakthrough? And, finding himself transformed into a symbol, how can he hope to retain his humanity? Brilliantly written as closely observed journalistic reportage and filtered through a wide lens that encompasses the vibrant characters affected by Cameron's story, Anatomy of a Miracle will be read, championed, and celebrated as a powerful story of our time, and the work of a true literary master.

World Politics since 1989 Apr 06 2021 1989 ushered in a new age of freedom and prosperity. Thirty years later, the golden era is over. What went wrong? How did the age of globalization – of growing connectivity, affluence, and growth – give way? Jonathan Holslag navigates through the calm seas and rip tides of global politics from the Cold War to the present. He tells a story of faltering momentum and squandered opportunities that explains how the West's sources of strength were lost to rising consumerism, unbalanced trade, and half-hearted diplomatic engagement. All the while, other powers, like China and Russia, grew stronger. With his trademark verve, Holslag untangles the threads of this story to reveal that it was not so much the ambition of China, the cunning of Putin, or the greed of African strongmen that led the world into this dark place; it was the failure of the West to listen to its people, to show clear leadership, and reinvent itself, in spite of ample evidence that things were going awry. Impressive in scope and analytical depth, World Politics since 1989 is a magisterial account of how we got to where we are and what lessons can be learned from the political arrogance and complacency of the recent past.

Plunkett's Airline, Hotel & Travel Industry Almanac 2009 Mar 05 2021 The travel industry has been through exceptional upheaval and change. Plunkett's Airline, Hotel & Travel Industry Almanac will be your complete guide to this fascinating industry. After reeling from the effects of the September 11, 2001 tragedies, the travel business is now emerging as a more streamlined, efficient and focused industry. Many of the biggest, most successful firms are becoming extremely global in nature. Meanwhile, most airlines are struggling to return to profitability, while low-cost providers Southwest Airlines and JetBlue continue to set the standard for air travel. Deregulation is opening up huge travel markets in India and China. On the hotel side, massive management firms, development companies and real estate investment trusts are gaining in scale and influence. The booking of travel online is perhaps the most successful niche of all of the world's e-commerce efforts. Consumers use the Internet to become better informed and to seek bargains. Online sites like Travelocity, Priceline

and Orbitz steer millions of consumers toward specific airlines and hotels in a manner that lowers prices and improves satisfaction among consumers. The exciting new reference book (which includes a fully-featured database on CD-ROM) will give you access to the complete scope of the travel industry, including: Analysis of major trends; Market research; Statistics and historical tables; Airlines; Hotel operators; Entertainment destinations such as resorts and theme parks; Tour operators; The largest travel agencies; E-commerce firms; Cruise lines; Casino hotels; Car rental; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, a travel industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our proprietary, in-depth profiles of over 300 leading companies in all facets of the travel industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Implosion Nov 20 2019 Implosion: denial, delusion, and the prospect of collapse is a penetrating look at contemporary collective delusions slithering across the American landscape. A delusion is a false idea about the world, a kind of intellectual "trance." When an individual suffers one, the diagnosis of mental illness is not far behind. When a nation labors under them, we have a state of collective mental instability. This odyssey explores five gargantuan delusions infecting the American psyche: our understanding of our democratic political system, the Iraq war, the perception of ourselves as an empire, the musical genre of hip-hop, and our extremely precarious financial condition. In the final chapter, "Slip-slidin' to dystopia," Dr. Kroth reviews the seven major signs of societal collapse. These factors are combined to form "the American Dystopia Index." When one looks at this metric, the transformation of the American dream to an American nightmare seems all but assured should we not awaken from our myriad trance states in time. Reviews: Jerry Kroth's book, *Implosion*, is so exciting that I had to stop reading it for a few minutes just to calm down. Kroth does for his readers just what he says the truth will do for us. He presents an utterly compelling case for seven deadly symptoms which combined will bring America down and the world with it. However, he does it so well and documents his work so meticulously, that the excitement of learning the truth renders reading *Implosion* a thrilling experience. As Yeats said in his prescient poem, "The Second Coming" "The centre cannot hold." Kroth promises us a second coming of hope and possibility. He exposes our march towards destruction and also a path for reversing that. *Implosion* strips away our illusions and denials giving us the truth, a chance to reverse our deadly course, and also a reason to hope. —Harried Fraad, Ph.D., psychoanalytic psychotherapist author of *Bringing it all back home Duped!* is incredible. You will want to shove it up the nose of every pompous, conservative, right wing, born again, love it or leave it jerk you have ever met. Dr. Kroth continues to approach the unapproachable. He holds no punches in describing our American culture's blind xenophobia; telling ourselves we are the best while betraying our most basic common sense as the evidence piles up at our feet. We choose leaders who simply tell us what we wish we could believe, and continue to act in ways that shorten our lives, steal our money, and leave us less secure than ever. In this crisp criticism of our collective confusion, we see how we have all become the chickens praising Colonel Sanders. We are simply outgunned by short-term corporate and political profits and power from the getgo. I wish there were more like Dr. Kroth aboard think tanks, committees, and boardrooms across our land, but if there ever were, they are probably planted in the Nevada desert somewhere. Enjoy the ride before your nickel runs out. —Steve Stelle, author of *On Shaky Ground* Totally eye opening, and, frankly, a very scary narrative. I never realized how deluded we are, and how a thick cloud of denial covers over our public discourse. This is a necessary read for any conscious American. —M.S. Forrest, Ph.D., clinical psychotherapist.

Dear American Airlines (pbk) Aug 22 2022 A scathingly funny, deeply moving story of a stranded airline passenger, whose enraged letter of complaint transforms into a lament for a life gone awry.

West of Here Oct 12 2021 At the foot of the Elwha River, the muddy outpost of Port Bonita is about to boom, fueled by a ragtag band of dizzyingly disparate men and women unified only in their visions of a more prosperous future. A failed accountant by the name of Ethan Thornburgh has just arrived in Port Bonita to reclaim the woman he loves and start a family. Ethan's obsession with a brighter future impels the damming of the mighty Elwha to harness its power and put Port Bonita on the map. More than a century later, his great-great grandson, a middle manager at a failing fish-packing plant, is destined to oversee the undoing of that vision, as the great Thornburgh dam is marked for demolition, having blocked the very lifeline that could have sustained the town. *West of Here* is a grand and playful odyssey, a multilayered saga of destiny and greed, adventure and passion, that chronicles the life of one small town, turning America's history into myth, and myth into a nation's shared experience.

As She Climbed Across the Table Jul 09 2021 Anna Karenina left her husband for a dashing officer. Lady Chatterley left hers for the gamekeeper. Now Alice Coombs has her boyfriend for nothing ... nothing at all. Just how that should have come to pass and what Philip Engstrand, Alice's spurned boyfriend, can do about it is the premise for this vertiginous speculative romance by the acclaimed author of *Gun*, with *Occasional Music*. Alice Coombs is a particle physicist, and she and her colleagues have created a void, a hole in the universe, that they have taken to calling *Lack*. But *Lack* is a nullity with taste—tastes; it absorbs a pomegranate, light bulbs, an argyle sock; it disdains a bow tie, an ice ax, and a scrambled duck egg. To Alice, this selectivity translates as an irresistible personality. To Philip, it makes *Lack* an unbeatable rival, for how can he win Alice back from something that has no flaws—because it has no qualities? Ingenious, hilarious, and genuinely mind-expanding, *As She Climbed Across the Table* is the best boy-meets-girl-meets-void story ever written.

Want Not Jan 27 2023 A New York Times Notable Book "A wonderful book, and there's no one I would not urge to read it . . . This is the work of a fluid, confident and profoundly talented writer who gets more fluid, more confident and seemingly more talented even within the book itself." —Dave Eggers, New York Times Book Review A highly inventive and corrosively funny story of our times, *Want Not* exposes three different worlds in various states of disrepair—a young freegan couple living off the grid in New York City; a once-prominent linguist, sacked at midlife by the dissolution of his marriage and his father's losing battle with Alzheimer's; and a self-made debt-collecting magnate, whose brute talent for squeezing money out of unlikely places has yielded him a royal existence, trophy wife included. *Want and desire* propel these characters forward toward something, anything, more, until their worlds collide, briefly, randomly, yet irrevocably, in a shattering ending that will haunt readers long after the last page is turned. "Shrewd, funny, and sometimes devastating . . . What *Want Not* does best, though, isn't plotting but portraits of humanity: the small epiphanies and private hurts of every person whose life, like the detritus they produce, is as beautifully mundane and unique as a fingerprint." —Entertainment Weekly "An impassioned work of fiction." —Dallas Morning News

The Morning Breaks Feb 04 2021 On August 7, 1970, a revolt by Black prisoners in a Marin County courthouse stunned the nation. In its aftermath, Angela Davis, an African American activist-scholar who had campaigned vigorously for prisoners' rights, was placed on the FBI's "ten most wanted list." Captured in New York City two months later, she was charged with murder, kidnapping, and conspiracy. Her trial, chronicled in this "compelling tale" (*Publishers Weekly*), brought strong public indictment. *The Morning Breaks* is a riveting firsthand account of Davis's ordeal and her ultimate triumph, written by an activist in the student, civil rights, and antiwar movements who was intimately involved in the struggle for her release. First published in 1975, and praised by *The Nation* for its "graphic narrative of [Davis's] legal and public fight," *The Morning Breaks* remains relevant today as the nation contends with the political fallout of the Sixties and the grim consequences of institutional racism. For this edition, Bettina Aptheker has provided an introduction that revisits crucial events of the late 1960s and early 1970s and puts Davis's case into the context of that time and our own—from the killings at Kent State and Jackson State to

the politics of the prison system today. This book gives a first-hand account of the worldwide movement for Angela Davis's freedom and of her trial. It offers a unique historical perspective on the case and its continuing significance in the contemporary political landscape.

Move Fast and Break Things Mar 17 2022 A Financial Times 'Best Thing I Read This Year' LONGLISTED FOR THE FT & MCKINSEY BUSINESS BOOK OF THE YEAR AWARD Google. Amazon. Facebook. The modern world is defined by vast digital monopolies turning ever-larger profits. Those of us who consume the content that feeds them are farmed for the purposes of being sold ever more products and advertising. Those that create the content – the artists, writers and musicians – are finding they can no longer survive in this unforgiving economic landscape. But it didn't have to be this way. In *Move Fast and Break Things*, Jonathan Taplin offers a succinct and powerful history of how online life began to be shaped around the values of the entrepreneurs like Peter Thiel and Larry Page who founded these all-powerful companies. Their unprecedented growth came at the heavy cost of tolerating piracy of books, music and film, while at the same time promoting opaque business practices and subordinating the privacy of individual users to create the surveillance marketing monoculture in which we now live. It is the story of a massive reallocation of revenue in which \$50 billion a year has moved from the creators and owners of content to the monopoly platforms. With this reallocation of money comes a shift in power. Google, Facebook and Amazon now enjoy political power on par with Big Oil and Big Pharma, which in part explains how such a tremendous shift in revenues from creators to platforms could have been achieved and why it has gone unchallenged for so long. And if you think that's got nothing to do with you, their next move is to come after your jobs. *Move Fast and Break Things* is a call to arms, to say that is enough is enough and to demand that we do everything in our power to create a different future.

Mindanao Jun 08 2021 The story takes place in the United States and the Mindanao Region in the Philippines where the Japanese were occupiers during WWII and used the region to bury diamonds, gems and gold that they looted and pillaged as invaders to finance their war efforts. It was the United States military who patrolled the Pacific Ocean preventing the Japanese ships from reaching Japan forcing them to find alternative ways to harbor their spoils. Seven United States Army elite specialists including, Jonathan Watkins Sr. recovered the booty the Japanese had buried. The men became the center of an intense search by Islamic separatists and other scavengers, a term used to identify treasure-hunters, to find the buried treasure that they believed they were entitled to. However, the story takes place around the Islamic Separatists Movement, the Moro National Liberation Front (MNLF) and its splinter groups who all seemed to be vying to recover the spoils to finance their separatist movements. They and other 'scavengers' were in pursuit of any information Jonathan Watkins Sr. shared with his eldest daughter, prior to his death. That is, about the location of the spoils while at the same time the drama was used as a backdrop for a conspiracy to frame the socialite-financier, Condolesa Escobar. Ms. Escobar just happened to be in a position to acquire her dead husband's empire only to be the target of her stepson who had vowed to destroy her, hence the conspiracy. It was Roland Cavalier, an award winning investigative journalist for the New York Daily News, who while covering the story of the signing of the accord between one of the splinter Islamic separatist groups, the MILN and the Philippine government, in Manila, had to also investigate the conspiracy. So he hooks up with two private detectives Jonathan Watkins Jr., an American, and Filipino Katrina Chavez to expose the culprits only to find out the person first suspected of being at the center of this conspiracy was being framed.

American Airlines, US Airways and the Creation of the World's Largest Airline May 27 2020 The 2013 merger of American Airlines and US Airways marked a major step in the consolidation of the U.S. airline industry. A young management team that began plotting mergers a decade earlier designed a brilliant strategy to seize an industry prize. In doing so, it enlisted the help of unions who engineered one of the labor movement's biggest corporate victories. The airlines' histories and the inside story of the takeover is told by two veteran airline reporters.

Beyond \$15 Aug 10 2021 The inside story of the first successful \$15 minimum wage campaign that renewed a national labor movement. With captivating narrative and insightful commentary, labor organizer Jonathan Rosenblum reveals the inside story of the first successful fight for a \$15 minimum wage, which renewed a national labor movement through bold strategy and broad inclusiveness. Just outside Seattle, an unlikely alliance of Sea-Tac Airport workers, union and community activists, and clergy staged face-to-face confrontations with corporate leaders to unite a diverse, largely immigrant workforce in a struggle over power between airport workers and business and political elites. Digging deep into the root causes of poverty wages, Rosenblum gives a blunt assessment of the daunting problems facing unions today. *Beyond \$15* provides an inspirational blueprint for a powerful, all-inclusive labor movement and is a call for workers to reclaim their power in the new economy.

Aerospace Marketing Management Feb 16 2022 This book presents an overall picture of both B2B and B2C marketing strategies, concepts and tools, in the aeronautics sector. This is a significant update to an earlier book successfully published in the nineties which was released in Europe, China, and the USA. It addresses the most recent trends such as Social Marketing and the internet, Customer Orientation, Project Marketing and Concurrent Engineering, Coopetition, and Extended Enterprise. *Aerospace Marketing Management* is the first marketing handbook richly illustrated with executive and expert inputs as well as examples from parts suppliers, aircraft builders, airlines, helicopter manufacturers, aeronautics service providers, airports, defence and military companies, and industrial integrators (tier-1, tier-2). This book is designed as a ready reference for professionals and graduates from both Engineering and Business Schools.

Cock Apr 18 2022 But that's what this is, isn't it? The ultimate bitch fight. When John takes a break from his boyfriend, he accidentally meets the girl of his dreams. Filled with guilt and indecision, he decides there is only one way to straighten this out . . . Mike Bartlett's metrosexual play about love and longing provides us with questions of who we are and who we want to be. John's refusal to fix his identity disturbs and disrupts the lives of those around him in this contemporary tale of sex without nudity and struggle without violence. Mike Bartlett's punchy story takes a playful, candid look at one man's sexuality and the difficulties that arise when you realise you have a choice. *Cock* premiered at the Royal Court Theatre, London, on 13 November 2009. It is published here in the Modern Classics series, featuring an introduction by Mark O'Thomas.

Asian Americans and the Spirit of Racial Capitalism Jan 23 2020 Any serious consideration of Asian American life forces us to reframe the way we talk about racism and antiracism. The current emphasis on racial identity obscures the political economic basis that makes racialized life in America legible. This is especially true when it comes to Asian Americans. This book reframes the conversation in terms of what has been called "'racial capitalism'" and utilizes two extended case studies to show how Asian Americans perpetuate and resist its political economy.

His Very Best Sep 11 2021 "Drawing on fresh archival material and extensive access to Carter and his family, New York Times bestselling author Jonathan Alter tells the epic story of a man of faith and his improbable journey from barefoot boy in the vicious Jim Crow South to global icon. We learn how Carter evolved from a timid child into an ambitious naval nuclear engineer and an indefatigable born-again governor; how as a president he failed politically amid the bad economy of the 1970s and the seizure of hostages in Iran but succeeded in engineering peace between Israel and Egypt, amassing a historic environmental record, moving the government from tokenism to diversity, setting a new global standard for human rights, and normalizing relations with China, among dozens of other unheralded achievements. After leaving office, Carter revolutionized the postpresidency with the bold global accomplishments of the Carter center"—Cover.

Concorde Dec 02 2020 In *Concorde*, Jonathan Glancey tells the story of this magnificent and hugely popular aircraft anew, taking the reader from the moment Captain Chuck Yeager first broke the sound barrier in 1947 through to the last commercial flight of the supersonic airliner in 2003. It is a tale of national

rivalries, technological leaps, daring prototypes, tightrope politics, and a dream of a Dan Dare future never quite realized. Jonathan Glancey traces the development of Concorde not just through existing material and archives, but through interviews with those who lived with the supersonic project from its inception. The result is a compelling mix of overt technological optimism, a belief that Britain and France were major players in the world of civil as well as military aviation, and faith in an ever faster, ever more sophisticated future. This is a celebration, as well as a thoroughly researched history, of a truly brilliant machine that became a sky god of its era.

Ghost Writer Jul 29 2020 Workaholic Jonathan Harper is a fiction editor at a publishing house and is slowly drifting away from his family. While proofreading a story about a serial killer written by his best friend and father figure Clyde, he begins to receive a story from an anonymous source that is eerily similar to his own life. It contains details no one else could possibly know, details about his childhood and his marriage. As the suspense builds, Jonathan is forced to confront the demons in his own life as he seeks to understand the mystery behind the story.

That's Not a Feeling Nov 01 2020 This Whiting Award Winner is "a bold, funny, mordant, and deeply intelligent debut" (David Foster Wallace, author of *Infinite Jest*). A New York Times Editors' Choice Benjamin arrives with his parents for a tour of Roaring Orchards, a therapeutic boarding school tucked away in upstate New York. Suddenly, his parents are gone and Benjamin learns that he is there to stay. Sixteen years old, and two failed suicide attempts, Benjamin must navigate his way through a new world of morning meds, candor meetings, and cartoon brunches—all run by adults who have yet to really come of age themselves. The only person who comprehends the school's many rules and rituals is Aubrey, the founder and headmaster who is fragile, brilliant, and prone to rage. But when Aubrey falls ill, life at the school begins to unravel. Benjamin has no one to rely on but the other students, in particular an intriguing but untrustworthy girl named Tidbit. More and more, Benjamin thinks about running away from Roaring Orchards—but he feels an equal need to know just what it is he would be leaving behind . . .

Learn how to butcher and braise, forage and flavor, and cook the best food your campsite or home kitchen has ever seen. A wild game cookbook for every hunter—from the aspiring chef to the seasoned shot who does his own butchering—this collection of at-home and in-the-field recipes and kitchen tricks is everything that a modern wild game cookbook should be. Organized seasonally, *The Wild Chef* brings the reader over 130 recipes, tips, techniques, and tools of the trade from the magazine's writers and editors, including new content from "Wild Chef" columnist and award-winning writer Jonathan Miles, the ever-popular Field & Stream "Wild Chef" blog, and recipes from first-rate chefs and top-tier restaurants across the world. This cookbook delivers a contemporary take on traditional wild-game fare, updating game and fish cookery to reflect the monumental changes in American dining and cooking that have occurred over the past few decades. Jonathan Little's Excelling at No-Limit Hold'em Jun 20 2022 Excelling at No-Limit Hold'em is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris MoneyMaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events, analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold'em provides all the tools that an aspiring player needs to understand no-limit hold'em. It is a must buy for anyone who is serious about wanting to improve their poker.
