Contract Suretyship Jul 22 2022 Guides you step-by-step through the confusing world of surety bonding Obtaining performance bonds can be a long, arduous, frustrating process, fraught with obscure legalese and endless hoops for contractors to jump through. Contractors need all the help they can get in making sense of and navigating the confusing world of surety bonding. Unfortunately, most books on the subject are written for lawyers and provide little or no practical guidance for contractors. Written by a suretyship expert with more than three decades of experience working with contractors, this book fills that gap in the literature. In plain English, author Richard C. Lewis brings surety bonding down to earth for contractors. Covering all types of contracts and all forms of bonds, he walks you step-by-step through the entire bonding process. He introduces you to the various players involved and explains who is responsible for what. He carefully explains the rationale behind each step, the issues involved, when it is required, and how best to prepare for it. And, with the help of fascinating real-life case studies, Lewis describes common mistakes that can blow a deal and tells you how to avoid them. He also provides invaluable insights into underwriter psychology and shows you how to work with surety company representatives to resolve any spoken or unspoken objections they may have to providing you with the surety you need. Contract Suretyship is an indispensable tool of the trade for construction and contracting firm owners and managers.

ICE-BEES 2021 Aug 23 2022 We proudly present the proceedings of 4th International Conference on Economics, Business and Economic Education Science 2021 (ICE-BEES 2021). It has focus on the innovations in economics, business, education, environment, and sustainable development. The issue of economics and sustainable development is important today. Especially in the time of Covid-19. Not only globally, but also Indonesia nationally to the local level. There are several important issues relating to this, both institutionally and the relationships between individuals and groups in supporting the agenda of sustainable development. More than 200 manuscripts were presented at this conference with 101 of them selected to be published in proceedings. We hope by this conference, discussions on the importance of sustainable development will increasingly become an important concern together. Brings better response from the government and social relations for development.
