New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture. Incorporating HC 470-i-iii, 640-i-iii, 599-i-iii, 1064-i, 1202-i, 1194-i of session 2007-08 Imagine getting an all-expenses paid education up to and beyond a PhD. You know you have what it takes to reach the pinnacle of your academic aspirations. Yet your country's leaders have not invested in her education sector. It is very depressing to know you deserve top quality education but cannot afford it no matter how long you save for. Very

competitive scholarships and bursaries are now the only doors through which you can gain the education you deserve. From winning the National Mathematical Centre Scholarship in high school, to the 5-year Shell Scholarship for her undergraduate degree at the University of Lagos, the Loughborough University African Development Trust Scholarship for her MSc, crowned with a fully funded PhD, Dr Chinwe Njoku has enjoyed academic freedom from financial disadvantages of her family background. And her new book, *From Diapers to Doctorate Dollar Free*, will guide you on your quest to secure funding for your international studies.

New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture. This text is designed to give student teachers, as well as in-service teachers, guidance material which can help their students to explore and discover their individual abilities, aptitudes and personalities. Features information on studying at Postgraduate level in the UK, what is involved, what opportunities there are, lists details £75 million of funding available to Postgraduate students. *Ten Years of Lloyd's Register Foundation, 2012-2022*. How do we tackle climate change, move towards cleaner energy, provide access to education and produce enough food for a growing population? How do we adapt the way we live in the face of more extreme weather? How can we better prepare for unexpected events like the pandemic? How can we apply emerging technologies safely and beneficially? How can we make sure those benefits are shared fairly? *A Safer World* explores ten years of Lloyd's Register Foundation. Detailing the current pressing global safety challenges and how these are being tackled by one of the UK's oldest business organisations, using its international presence and unique ownership model to make the world a better, safer place. New Scientist magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in

its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, New Scientist reports, explores and interprets the results of human endeavour set in the context of society and culture.
