An electrifyingly dark teen thriller from the author of BEAST and QUARRY. Alex, Levi and Max follow the young soldiers from the local army camp on the moor. But harmless rivalry develops into something far more incendiary. When the boys discover a cache of buried weapons near the training grounds, deadly forces are brought into play. An uncompromising and heart-breaking end to the story of Nicky and Kenny, the beloved brothers of the Carnegie-shortlisted Rook, beautifully told in McGowan's gritty and deeply moving prose. When Victoria A. Treemont, the most revered and reclusive woman in Ardsmore, Pennsylvania, passes away, she leaves behind a \$160,000 scholarship fund that rocks the worlds of the students at Ardsmore High School. The successful candidate must "exemplify purity of soul, spirit, and body." Everyone agrees that this caveat can mean only one thing: The recipient of the scholarship must still be holding on to the big V. Welcome to the V Club -- where members embrace abstinence, get off on civic duties, and heat up their chances to clinch the Treemont scholarship. What better way to prove

purity than to pledge allegiance to the virginity flag? Besides, chastity belts are sooo 1300s. Kai, Mandy, Debbie, and Eva have put their futures on the line. But will their deepest insecurities and darkest secrets ruin their chances at the scholarship, or worse, their relationships? Or will they discover the true meaning behind Mrs. Treemont's famous last words? When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... Megan Meade's Guide to the McGowan Boys Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys? When an announcement is made for a special scholarship, four best friends begin a special club that is designed to demonstrate the "purity" required by the scholarship committee. Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable magnitude, referred to by the Cathars of medieval France as The Book of Love... But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, The Book of Love is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art, architecture and history, until a potentially fatal encounter reveals the Book of Love to her -- and to us. His sisters, Ruby and Ella (known as Rubella) attack him relentlessly from the opposite directions of Chav and Goth. And now, he's being sent to a nutritionist, Doctor Morlock, who looks like a Dementor from Harry Potter and the Deathly Hallows. This diary is Doc Morlock's idea. Not only does Dermot have to write down how many donuts he eats, but also - and this is the really rubbish part - he has to talk about HIS FEELINGS! But things are about to get even worse - he's being separated from his friends and sent to St Michael's, a posh school where he just knows he's going to stick out like a sore thumb. A sore thumb with a weight problem . . .
