The History, Principles, Practice, and Results of the Hamiltonian System Oct 03 2020 Excerpt from The History, Principles, Practice, and Results of the Hamiltonian System: With Answers to the Edinburgh and Westminster Reviews; A Lecture Delivered at Liverpool; And Instructions for the Use of Books Published on This System After teaching here about six months adult pupils, to occupy the leisure of my wife and daughters I had just taken about twenty children, when I was attacked by the Professors of Baltimore College, who, in a play re presented by their pupils, endeavoured to ridicule the New Mode of teaching. As they made no secret of their intention, I had no difficulty in procuring a ticket5 and using the privilege of a spectator, three days afterwards I gave the play at full length in one of the newspapers, with such comments on the play and actors, as'raised a good deal of laughter at the expense of the author. The President replied with great virulence 5 thence a paper war which lasted three months, during which the Hamiltonian System was fully discussed in its theory and results, and contrasted so successfully with the systems of the schools, that the College was obliged to close its doors, not having a single pupil, while, in the same time, the Hamiltonian school had increased to above one hundred and sixty.
