**The Eagle in the Sand Oct 19 2022 The seventh novel in Simon Scarrow's bestselling Roman series. Trouble is brewing in Syria, on the eastern frontier of the Roman Empire. With the troops in a deplorable state, centurions Macro and Cato are despatched to restore the competence of the cohort. But another challenge faces them as Bannus, a local tribesman, is brewing up trouble and preaching violent opposition to Rome. As the local revolt grows in scale, Macro and Cato must stamp out corruption in the cohort and restore it to fighting fitness to quash Bannus - before the eastern provinces are lost to the Empire forever...**

**from the Second Legion in Britain, are trapped in Rome, waiting for their involvement in the death of a fellow officer to be investigated. It is then that the imperial secretary, the devious Narcissus, makes them an offer they can't refuse: to rescue an imperial agent who has been captured by pirates operating from the Illyrian coast. With him were scrolls vital to the safety of the Emperor and the future of Rome. However, Narcissus also sends Vitellius, an old enemy of the two centurions. The three officers set out from Ravenna with the imperial fleet but the pirates are forewarned and the Romans pay a heavy price. Outnumbered by the enemy, surrounded by rumours of treachery and endangered by Vitellius' desire to redeem himself, Centurions Macro and Cato must find the pirate base to avert a disaster that could destroy the Emperor.**

**The Eagle's Throne Aug 17 2022 The year is 2020. The Mexican President has provoked the United States by calling for the removal of US troops from Colombia and demanding higher prices for Mexico's oil. But the country's satellite communications system is controlled in Miami and suddenly Mexico is deprived of phone, fax and email. In a country where politicians never put anything in writing, letters are now the only way to communicate,**

leaving the private lives and true feelings of all brutally exposed. Especially regarding the hot topic of the day: Who will be the next President, the next to ascend the Eagle's Throne? As the characters struggle to identify and ally themselves to the future President, the letters fly ever faster. Who will be the victor? Handsome Nicolás Valdivia? Bald satyr Tácito de la Canal? Or the 'unsavoury' ex-President César León? There are many questions to be answered before the last letter is sent.

*The Bald Eagle: The Improbable Journey of America's Bird* May 02 2021 Best Books of the Month: Wall Street Journal, Kirkus Reviews From the Pulitzer Prize-winning author of *The Gulf*, a sweeping cultural and natural history of the bald eagle in America. The bald eagle is regal but fearless, a bird you're not inclined to argue with. For centuries, Americans have celebrated it as "majestic" and "noble," yet savaged the living bird behind their national symbol as a malicious predator of livestock and, falsely, a snatcher of babies. Taking us from before the nation's founding through inconceivable resurgences of this enduring all-American species, Jack E. Davis contrasts the age when native peoples lived beside it peacefully with that when others, whether through hunting bounties or DDT pesticides, twice pushed *Haliaeetus*

*leucocephalus* to the brink of extinction. Filled with spectacular stories of Founding Fathers, rapacious hunters, heroic bird rescuers, and the lives of bald eagles themselves—monogamous creatures, considered among the animal world's finest parents—*The Bald Eagle* is a much-awaited cultural and natural history that demonstrates how this bird's wondrous journey may provide inspiration today, as we grapple with environmental peril on a larger scale.

Praise for Simon Scarrow's compelling novels: 'Gripping and moving' The Times AD 42, Germany. Tough, brutal and unforgiving. That's how new recruit Cato is finding life in the Roman Second Legion. He may have contacts in high places, but he could really use a friend amongst his fellow soldiers right now. Cato has been promoted above his comrades at the order of the Emperor and is deeply resented by the other men. But**

*he quickly earns the respect of his Centurion, Macro, a battle-hardened veteran as rough and ready as Cato is quick-witted and well-educated. They are poles apart, but soon realise they have a lot to learn from one another. On a campaign to Britannia - a land of utter barbarity - an enduring friendship begins. But as they undertake a special mission to thwart a conspiracy against the Emperor they rapidly find themselves in a desperate fight to survive...*
