The Mistborn
Series has the
thrills of a heist
story, the twistiness
of political intrigue,
and the epic scale
of a landmark
fantasy saga. For a
thousand years the
ash fell and no
flowers bloomed.
For a thousand
years the Skaa
slaved in misery
and lived in fear.
For a thousand
years the Lord
Ruler, the "Sliver of
Infinity," reigned
with absolute
power and ultimate
terror, divinely
invincible. Then,
when hope was so
long lost that not

even its memory remained, a terribly scarred, heart-broken half-Skaa rediscovered it in the depths of the Lord Ruler's most hellish prison. Kelsier "snapped" and found in himself the powers of a Mistborn. A brilliant thief and natural leader, he turned his talents to the ultimate caper, with the Lord Ruler himself as the mark. Kelsier recruited the underworld's elite, the smartest and most trustworthy allomancers, each of whom shares one of his many powers, and all of whom relish a high-stakes challenge. Only then does he reveal his ultimate dream, not just the greatest heist in history, but the

downfall of the divine despot. But even with the best criminal crew ever assembled, Kel's plan looks more like the ultimate long shot, until luck brings a ragged girl named Vin into his life. Like him, she's a half-Skaa orphan, but she's lived a much harsher life. Vin has learned to expect betrayal from everyone she meets, and gotten it. She will have to learn to trust, if Kel is to help her master powers of which she never dreamed. This saga dares to ask a simple question: What if the hero of prophecy fails? A woman of modest means meets a society man skilled in the art of seduction in this captivating novel from New York Times bestselling author Lisa Kleypas, the first title in the beloved regency romance series The Hathaways - perfect for fans of Sarah MacLean, Julia Quinn and Eloisa James. 'Lisa Kleypas is the best' Sarah MacLean Their lives defy convention . . . When an unexpected inheritance elevates her family to the ranks of the aristocracy, Amelia Hathaway discovers

that tending to her younger sisters and wayward brother was easy compared to navigating the intricacies of the ton. Even more challenging: the attraction she feels for the tall, dark and dangerously handsome Cam Rohan. Their desire consumes them both . . . Wealthy beyond most men's dreams, Cam has tired of society's petty restrictions and longs to return to his 'uncivilized' Gypsy roots. When the delectable Amelia appeals to him for help, he intends to offer only friendship - but intentions are no match for the desire that blindsides them both. Can a man who spurns tradition be

tempted into that most time-honoured arrangement: marriage? Life in London society is about to get a whole lot hotter . . . 'Kleypas can make you laugh and cry - on the same page' Julia Quinn The Hathaways: Mine Till Midnight Seduce Me at Sunrise Tempt Me at Twilight Married by Morning Love in the Afternoon Praise for Lisa Kleypas: 'Lushly sexy and thoroughly romantic . . . superbly crafted characters and an intriguing plot blend together brilliantly in this splendid romance' Booklist 'Intricately and elegantly crafted, intensely romantic . . . from a not-to-be-missed romance author'

History is a
companion story to
the original
Mistborn Trilogy.
As such, it contains
huge spoilers for
the books Mistborn
(The Final Empire),
The Well of
Ascension, and The
Hero of Ages. It
also contains very
minor spoilers for
the book The Bands
of Mourning.
Mistborn: Secret
History builds upon
the
characterization,

events, and
worldbuilding of
the original trilogy.
Reading it without
that background
will be a confusing
process at best. In
short, this isn't the
place to start your
journey into
Mistborn. (Though
if you have read the
trilogy—but it has
been a while—you
should be just fine,
so long as you
remember the
characters and the
general plot of the
books.) Saying
anything more here
risks revealing too
much. Even
knowledge of this
story's existence is,
in a way, a spoiler.
There's always
another secret. C.
L. Polk turns their
considerable
powers to a
fantastical noir with
Even Though I
Knew the End.

“Stylish supernatural noir with a heart and a thrumming pulse. I devoured it.”—Laini Taylor A magical detective dives into the affairs of Chicago's divine monsters to secure a future with the love of her life. This sapphic period piece will dazzle anyone looking for mystery, intrigue, romance, magic, or all of the above. An exiled augur who sold her soul to save her brother's life is offered one last job before serving an eternity in hell. When she turns it down, her client sweetens the pot by offering up the one payment she can't resist—the chance to have a future where she grows old with the woman

she loves. To succeed, she is given three days to track down the White City Vampire, Chicago's most notorious serial killer. If she fails, only hell and heartbreak await. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. This discounted Mistborn ebundle includes: Alloy of Law, Shadows of Self, The Bands of Mourning From #1 New York Times bestselling author Brandon Sanderson, the Mistborn: Wax & Wayne series is a heist story of political intrigue and magical, martial-arts action. Three hundred

years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. Waxillium Ladrian, a rare Twinborn, can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughs, Wax has been forced by family tragedy to return to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties and dignity

incumbent upon the head of a noble house. Or so he thinks, until he learns the hard way that the mansions and elegant tree-lined streets of the city can be even more dangerous than the dusty plains of the Roughts. Emperor Elend Venture, having survived only to become a Mistborn himself, struggles to find clues by the Lord Ruler that will save his world, while a guilt-consumed Vin takes on a task of ending the cosmic power of the Ruin mystic force. Stephen Leeds, also known as 'Legion', has a unique mental condition. He can become an expert on any subject in hours . . . and with every new area of expertise a new 'aspect' of Stephen is created. Is he schizophrenic? Possibly. Does that make him an incredible intelligence agent? Definitely. And this is his final, and perhaps his strangest,

adventure. It begins with two unrelated events: the disappearance of Armando, one of Stephen's many "aspects," and an unexpected cry for help from Sandra, the woman who, many years before, helped him learn to live with his condition . . . and the combination of the two leads to a sinister high-tech firm specializing in advanced methods of human incarceration. An original, challenging, and utterly absorbing story, this unmissable novella showcases Stephen Leeds at his best: a compelling hero, and a man constantly struggling to understand and control his own

divided nature. 'An absolutely fantastic read' Fantasy Book Review 'The pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis' Library Journal The Mistborn trilogy has become a firm favourite with fantasy fans the world over. The imagination that Sanderson brought to the series and his skill at marshalling epic storylines and dramatic action, his ability to create vivid characters made him a natural choice to complete Robert Jordan's epic wheel of time sequence. But with Mistborn, Sanderson has shown his bountiful talents in his own fiction. Now he returns to the

series that made his name with a new story, building on the incredible success of THE ALLOY OF LAW. The new Mistborn books move the series into a richly imagined 19th century analogue world with elements of the wild west mixed with magic and science. It's a wonderful concoction from a master storyteller. Sanderson has the knack of giving the epic fantasy reader exactly what they want. This ability has thrown him to the forefront of the genre and this novel will take him to the next level. The evil Librarians are back! Alcatraz Smedry has made it to the Free Kingdoms. Unfortunately, so

have the evil Librarians - including his mother...Now all Alcatraz has to do is find a traitor among the Knights of Crystallia, try to be friends with his very unfriendly father, save one of the last bastions of the Free Kingdoms from the enemy, and get his friend Bastille reinstated as a real knight. No pressure! From the #1 New York Times bestselling author of Words of Radiance, co-author of Robert Jordan's Wheel of Time series and creator of the internationally bestselling Mistborn Trilogy, Brandon Sanderson, comes Mitosis, a short story set in the action-packed world

of Steelheart: the Reckoners series. Epics still plague Newcago, but David and the Reckoners have vowed to fight back. Catch all the action before Firefight, the exciting sequel to Steelheart, hits the shelves. Hunted. Hidden. Scattered. But the old bloodlines hold true. And now is the time of the Rising. It's been a hundred years since the Shade King orchestrated the Fall of the Graced; a century since he tipped the balance in his favour and brought those magically gifted warriors to their knees. But now a new power is rising and even the faintest ember, buried amongst ash and ruin, can

reignite the flames of war. Renila remembers nothing of her life before the birth of her son, save the old stories she knows by heart. But when a stranger arrives at the castle she calls home, her past begins to resurface - and with it, her power. Enslaved by his master's dark magic, the Shade King's general, Alexan, has been dispatched to hunt down the King's daughter - and either return her to her father, or kill her. His history with the Princess makes him well suited to the task, but it may also be his undoing. Keriath, bastard daughter of the Shade King, has been hunted her entire life and,

since she was old enough to wield the power in her veins, has dedicated herself to destroying the monster who claims to have sired her. But the events of a single night may change her fate forever. The twins, Lucan and Suriya, are plagued by nightmares - by visions of myth and monsters - for which their mysterious yet domineering mother blames Renila and her stories. But there is something she is not telling them, and they are determined to find out what. This enthralling and immersive epic fantasy story is the first in the Rising Series, and Jen McIntosh's debut

novel. On the planet of Taldain, the legendary Sand Masters harness arcane powers to manipulate sand in spectacular ways. But when they are slaughtered in a sinister conspiracy, the weakest of their number, Kenton, believes himself to be the only survivor. With enemies closing in on all sides, Kenton forges an unlikely partnership with Khriiss--a mysterious Darksider who hides secrets of her own. Robert McCammon's first contemporary novel in nearly two decades, *The Five* tells the story of an eponymous rock band struggling to survive on the margins of the music business. As

they move through the American Southwest on what might be their final tour together, the band members come to the attention of a damaged Iraq war veteran, and their lives are changed forever. This is a riveting account of violence, terror, and pursuit set against a credible, immensely detailed rock and roll backdrop. It is also a moving meditation on loyalty and friendship. Written with wit, elegance, and passionate conviction, *The Five* reaffirms McCammon's position as one of the finest, most unpredictable storytellers of our time. At the Publisher's request,

this title is being sold without Digital Rights Management Software (DRM) applied. Who knew that libraries were centres for all evil? Alcatraz Smedry, practically the world champion of breaking things, never thought his most boring birthday present - a bag of sand - would get him into this much trouble. Yet now he's fleeing from evil Librarians, releasing dinosaurs to create a diversion in the Fiction section, and learning that clumsiness can be a powerful talent! After 20 years in the Roughts, Waxillium Ladrian-- a rare Twinborn who can Push on metals with his Allomancy--is

forced by family tragedy to return to Elendel, where he learns the hard way that the mansions and elegant tree-lined streets of the city can be more dangerous than the dusty plains of the Roughts. Fans of Robert Jordan and George RR Martin alike have found a new champion of epic fantasy in Brandon Sanderson. And now, in the first of two sequels to The Alloy Of Law the Sunday Times and New York Times bestselling author returns to the world of Mistborn and a hunt for a mysterious assassin. The criminal elite of Elendel were invited to an auction - which became a massacre,

when an unknown assailant slaughtered everyone in attendance. Now Wax and Wayne, both able to use magic, both lawmen from the rough and ungoverned frontier territories, are on the case. All the clues suggest the killer is a rogue kandra - a secretive, almost mythical, figure who acts from the shadows - called Bleeder . . . and that the governor is her next target. Bleeder, and the conspiracy behind the killings, has to be stopped . . . before the city is plunged into chaos. A brilliant adventure and a gripping story, Shadows of Self offers fans of The Alloy of Law

everything they've been hoping for and, this being a Brandon Sanderson book, more, much more. Following the success of Legion, Legion: Skin Deep charts another fast moving and gripping adventure for Stephen Leeds, AKA Legion. Leeds is a genius, his mind contains too much information. And to cope it has split his skills off into individual personalities. They crowd his head and he lives with them in a vast empty mansion. While he can call on any one of them to solve a problem he also walks a line across an all-consuming madness. In development for television Brandon Sanderson's Legion stories are gripping

psychological thrillers, perfect for any fan of speculative fiction. They will resonate particularly strongly with fans of stories about that other tortured crime-fighting genius: Sherlock Holmes. Legion: Skin Deep is an all-new, action-packed novella starring one of the most fascinating and charismatic heroes ever. Now with over 10 million copies sold, The Mistborn Series has the thrills of a heist story, the twistiness of political intrigue, and the epic scale of a landmark fantasy saga. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled

the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mists have begun behaving strangely since the Lord

Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies - one of them composed of ferocious giants - now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of atium, the rarest and most powerful allomantic metal. As the siege

of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished

house. Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson's novella collection of science fiction thrillers that will make you question reality--including a never-before-published story. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a

team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of

Stephen Leeds includes Legion, Legion: Skin Deep and the brand new, shocking finale to Leeds' story, Lies of the Beholder. A boxed set of the landmark fantasy from Brandon Sanderson, the man credited with breathing fresh life into Robert Jordan's WHEEL OF TIME. An epic fantasy set in a world where the Dark Lord has gained dominion over the world. A world of ash and pain. A world subjugated. But a world where magic can be drawn from metals. A world waiting for a new heroine, a new hope. A word of mouth bestseller in the USA Brandon Sanderson's Mistborn trilogy have now become a

massive hit in the UK, introducing readers to the work of one of the genre's great talents. A master of world building, sweeping plots, believable characters and engrossing magic systems. This discounted ebundle includes: Alcatraz vs. The Evil Librarians, The Scrivener's Bones, The Knights of Crystallia, The Shattered Lens, The Dark Talent An action-packed fantasy adventure series by the #1 New York Times bestselling author Brandon Sanderson. Alcatraz Smedry and his family and friends must battle a cult of evil Librarians bent on taking over the world through

misinformation and suppressing the truth. Alcatraz vs. the Evil Librarians — On his thirteenth birthday, foster child Alcatraz Smedry gets a bag of sand in the mail—his only inheritance from his father and mother. It is quickly stolen by the cult of Evil Librarians. Alcatraz must stop them, using the only weapon he has: an incredible talent for breaking things. The Scriveners Bones — In his second skirmish against the Evil Librarians who rule the world, Alcatraz and his ragtag crew of freedom fighters track Grandpa Smedry to the ancient and mysterious Library of Alexandria. Can Alcatraz and his

friends rescue Grandpa Smedry and make it out of there alive? The Knights of Crystallia — Alcatraz Smedry has made it to the Free Kingdoms at last. Unfortunately, so have the Evil Librarians—including his mother! Now Alcatraz has to find a traitor among the Knights of Crystallia, make up with his estranged father, and save one of the last bastions of the Free Kingdoms from the Evil Librarians. The Shattered Lens — Alcatraz Smedry is up against a whole army of Evil Librarians with only his friend Bastille, a few pairs of glasses, and an unlimited supply of exploding teddy bears to help him. This time, even

Alcatraz's extraordinary talent for breaking things may not be enough to defeat the army of Evil Librarians and their giant librarian robots. The Dark Talent — Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? At the Publisher's request, this title is

being sold without Digital Rights Management Software (DRM) applied. This excerpt from Brandon Sanderson's fourth and latest Mistborn novel, *The Alloy of Law*, contains the Prologue through Chapter Six. *The Alloy of Law* will be available on November 8, 2011. Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads, electric lighting, and the first steel-framed skyscrapers racing for the clouds. Yet even as science and technology are reaching new heights, the old magics of Allomancy and

Feruchemy continue to play a role in this reborn world. Out in the frontier lands known as the Roughts, they are crucial tools for the brave men and women attempting to establish order and justice. One such is Waxillium Ladrian, a rare Twinborn, who can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughts, Wax has been forced by family tragedy to return to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties and dignity incumbent upon the head of a noble house. Or so he

thinks, until he learns that the mansions and elegant tree-lined streets of the city can be even more dangerous than the dusty plains of the Roughts. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Brandon Sanderson is one of the most significant fantasists to enter the field in a good many years. His ambitious, multi-volume epics and his stellar continuation of Robert Jordan's Wheel of Time series have earned both critical acclaim and a substantial popular following. In LEGION, a distinctly contemporary

novella filled with suspense, humor, and an endless flow of invention, Sanderson reveals a startling new facet of his singular narrative talent. Stephen Leeds, AKA 'Legion', is a man whose unique mental condition allows him to generate a multitude of personae: hallucinatory entities with a wide variety of personal characteristics and a vast array of highly specialised skills. As the story begins, Leeds and his 'aspects' are drawn into the search for the missing Balubal Razon, inventor of a camera whose astonishing properties could alter our understanding of

human history and change the very structure of society. The action ranges from the familiar environs of America to the ancient, divided city of Jerusalem. Along the way, Sanderson touches on a formidable assortment of complex questions: the nature of time, the mysteries of the human mind, the potential uses of technology, and the volatile connection between politics and faith. Resonant, intelligent, and thoroughly absorbing, LEGION is a provocative entertainment from a writer of great originality and seemingly limitless gifts. From #1 New York Times bestselling author Brandon

Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. An Indian politician looks back at her journey and recounts how the going got tougher with her every success, perhaps because she was a woman. Life among the Scorpions recounts the deeply fascinating and

often tumultuous events that mark thirty years of Jaya Jaitly's political journey. From arranging relief for victims of the 1984 Sikh riots, to joining politics under firebrand leader George Fernandes, to becoming the president of Samata Party-a key ally in the erstwhile NDA Government, Jaitly's rise in Indian mainstream politics invited both awe and envy. But the going has been far from smooth. Trouble began with George Fernandes sacking Admiral Vishnu Bhagwat in 1998. Jaitly became the target. She was soon hounded by Tehelka's stings-first concerning her son-in-law-to-be Ajay Jadeja and

then herself in an alleged bribery case. Eventually, Fernandes had to resign as India's Defence Minister, despite being the best, and Jaitly quit as the Samata Party President. Meanwhile, she spiritedly fought booth capturing in Bihar as well as fellow party men's egos, intervened and ensured the installation of the Samata government in Manipur. All this, even as she continued her parallel fight for the livelihood of craftsmen on the one hand, and conceptualized and ensured establishment of the first Dilli Haat (crafts market place) in 1994 on the other. With all the backstories of

major events in Indian politics between 1970-2000, including her experience of dealing with the Commission of Inquiry and courts regarding the Tehelka stings, the story of Jaya Jaitly makes for a riveting read. A powerful narrative on why being a woman in politics was for her akin to being surrounded by scorpions; this hard hitting memoir offers a perspective on the functioning of Indian politics from a woman's point of view. This discounted ebundle includes: Mistborn: The Final Empire, The Well of Ascension, The Hero of Ages From #1 New York Times bestselling author

Brandon Sanderson, the Mistborn trilogy is a heist story of political intrigue and magical, martial-arts action. For a thousand years the ash fell and no flowers bloomed. For a thousand years the Skaa slaved in misery and lived in fear. For a thousand years the Lord Ruler, the "Sliver of Infinity," reigned with absolute power and ultimate terror, divinely invincible. This saga dares to ask a simple question: What if the hero of prophecy fails? Mistborn: The Final Empire — Kelsier, a brilliant thief has turned his talents to the ultimate caper, with the Lord Ruler as the mark. Kel's

plan is the ultimate long shot, until luck brings a ragged girl named Vin into the fold. But she will have to learn to trust if she is to master powers of which she never dreamed. The Well of Ascension — Evil has been defeated; the war has just begun. Vin, the street urchin who has become the most powerful Mistborn in the land, and Elend Venture, the idealistic young nobleman who loves her, must build a healthy new society in the ashes of an empire. The Hero of Ages — The Deepness has returned, along with unusually heavy ashfalls and powerful earthquakes. Humanity appears

to be doomed. Vin and Eland investigate the past to save the future, and in the end, sacrifices must be made. MILITARY FANTASY FROM THE CREATOR OF MONSTER HUNTER INTERNATIONAL LARRY CORREIA AND MASTER OF HORROR STEVE DIAMOND Horror in the trenches! The war between Almacia and the Empire of Kolakolvia is in its hundredth year.

Casualties heap even higher on both sides as the conflict leaves no corner of the world untouched. Illarion Glaskov's quiet life on the fringes of the empire is thrown into chaos when tragedy strikes his village. When he is conscripted into the Tsarist military, he is sent to serve in The Wall—an elite regiment that pilots suits of armor made from the husks of dead golems. But the great war is not the only—or even the worst—danger facing Illarion, as he is caught in a millennia-old conflict between two goddesses. In order to triumph, he must survive the ravages of trench warfare, horrific monsters from

another world, and the treacherous internal politics of the country he serves. About *Servants of War*: “*Servants of War* is a gritty, militaristic fantasy that is both engrossing and scary as hell . . . It gripped me from the beginning and consumed most of a Sunday for me . . . It’s exactly what people want in dark fantasy, and I wholeheartedly recommend it to anyone who is looking for that sort of thing.”—*Warped Factor* “Solid characterization, great world-building, intense action . . . a great read.”—*Elitist Book Review* About Larry Correia: “Correia piles on the intrigue, action, and cliffhangers in

the invigorating second *Saga of the Forgotten Warrior* epic fantasy. . . . Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure.”—*Publishers Weekly* “This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral

choices that force them to question and change and grow.”—Jim Butcher, creator of the *New York Times* best-selling *Dresden Files* “Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come.”—*Publishers Weekly*, starred review “Fans who like Correia’s fast-

moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's Mistborn series." —Library Journal "Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite hit." —Bookreporter "The lore here is

fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced." —SFcrowsnest "I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to be painted." —Larry Elmore, legendary award-winning artist and cover artist for Son of the Black Sword "Son of the Black Sword: Saga of the

Forgotten Warrior tells of what happens after the war with the gods, when demons were cast out and fell to the world to nearly destroy these unstoppable beasts until the gods sent a hero to save them. Centuries have passed since this event and the people have regulated these events to legend. One Ashok has been chosen to be a protector with a powerful weapon in hand, uncovering those who still practice old ways and are potential dangers to the order—but when he discovers all his efforts have been based on a lie, everything's about to change. A powerful epic fantasy evolves into

a solid, compelling read.” —Midwest Book Review “[A] no-holds-barred all-out page-turner that is part science fiction, part horror, and an absolute blast to read.” —BookReporter.com “A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books] . . . The plotting is excellent, and Correia makes you care about the characters . . . I read both books without putting them down except for work . . . so whaddaya waitin’ for? Go and buy some . . . for yourself and for . . . stocking stuffers.” —Massad Ayoob “This lighthearted, testosterone-soaked sequel to 2009’s

Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts.” —Publishers Weekly on *Monster Hunter Vendetta* About Steve Diamond: “Residue will scare you—that’s its primary goal—but along the way it will touch you, shock you, make you laugh, make you cheer, and make you think. Horror has been waiting for Steve Diamond.” —Dan Wells In *Sunreach*, after a planet-destroying Delver suddenly appears in the sky of Detritus and vanishes just as

suddenly, FM knows that the last free human society got lucky. Her Skyward Flight companion Spensa figured out how to draw this Delver away, but it won’t be so easy next time. Humanity has to be prepared . . . In *ReDawn*, Alanik has recovered from the shock of answering a distress call and finding a planet of humans making a stand against the Superiority, only to be dismayed to discover they’re considering a peace overture from their enemy. Worse, when she returns to her home planet of *ReDawn*, she finds her own people falling into exactly the same trap. With her mentor captured, she turns

to her new friends to help: can Alanik, FM, Jorgen and Rig coax an ancient technology into life in time to save both their planets from disaster? And in Evershore, the government of Detritus is still in disarray following Superiority treachery, and no word has come from Spensa, on her mission deep in the Nowhere, leaving Alanik, Jorgen, FM and Rig to pick up the pieces. So when the Kitsen send word from the planet Evershore, saying they have some humans and wish to return them, they have to decide if the strange message can be trusted . . . A gripping collection of novellas, told from the

perspectives of three different characters, these superb adventures are essential Skyward reading! Rally Your CrewBased on the best-selling novels by Brandon Sanderson and powered by an all new story-driven rules system, the Mistborn Adventure Game lets you explore, command, or liberate the oppressed world of Scadrial, battle the Lord Ruler's Inquisitors, and master the primal forces of Allomancy, Feruchemy, and Hemalurgy. It features new official fiction from Mr. Sanderson himself and loads of never-before-seen material, making it the ultimate

resource for fans of the novels and those who want to experience the Final Empire firsthand. Vibrantly offbeat and utterly original, Lucy Keating's debut novel combines the unconventional romance of Eternal Sunshine of the Spotless Mind with the sweetness and heart of Jenny Han. For as long as Alice can remember, she has dreamed of Max. Together, they have traveled the world and fallen deliriously, hopelessly in love. Max is the boy of her dreams—and only her dreams. Because he doesn't exist. But when Alice walks into class on her first day at a new school, there he is. Real Max is nothing

like Dream Max. He's stubborn and complicated. And he has a whole life Alice isn't a part of. Getting to know each other in reality isn't as perfect as Alice always hoped. Alarmingly, when their dreams start to bleed into their waking hours, the pair realize that they might have to put an end to a lifetime of dreaming about each other. But when you fall in love in your dreams, can reality ever be enough? Fans of Robert Jordan and George RR Martin alike have found a new champion of epic fantasy in Brandon Sanderson. And now, in the first of two sequels to The Alloy Of Law the Sunday Times and

New York Times bestselling author returns to the world of Mistborn and a hunt for a mysterious assassin. The criminal elite of Elendel were invited to an auction - which became a massacre, when an unknown assailant slaughtered everyone in attendance. Now Wax and Wayne, both able to use magic, both lawmen from the rough and ungoverned frontier territories, are on the case. All the clues suggest the killer is a rogue kandra - a secretive, almost mythical, figure who acts from the shadows - called Bleeder . . . and that the governor is her next target.

Bleeder, and the conspiracy behind the killings, has to be stopped . . . before the city is plunged into chaos. A brilliant adventure and a gripping story, *Shadows of Self* offers fans of *The Alloy of Law* everything they've been hoping for and, this being a Brandon Sanderson book, more, much more. The New York Times and USA Today bestseller *A Fascinating New Novella in Brandon Sanderson's Cosmere, the universe shared by his Mistborn series and the #1 New York Times bestselling Stormlight Archive. Sixth of the Dusk*, set in a never-before-seen world,

showcases a society on the brink of technological change. On the deadly island of Patji, where birds grant people magical talents and predators can sense the thoughts of their prey, a solitary trapper discovers that the island is not the only thing out to kill him. When he begins to see his own corpse at every turn, does this spell danger for his entire culture? -----
----- A note from the publisher: For a detailed behind-the-scenes look at the creation of this novella, including brainstorming and workshopping session transcripts, the first draft, line-by-line edits, and an essay by Brandon,

please see *Shadows Beneath: The Writing Excuses Anthology*. *Warbreaker* is the story of two sisters - who happen to be princesses, the God King one of them has to marry, a lesser god, and an immortal trying to undo the mistakes he made hundreds of years ago. There is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people. But the rewards are

great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed. Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own. From #1 New York Times bestselling author Brandon Sanderson, the *Mistborn* series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the *Mistborn* trilogy, *Scadrial* is now on the verge of modernity, with

railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. Kelsier, Vin, Elend, Sazed, Spook, and the rest are now part of history—or religion. Yet even as science and technology are reaching new heights, the old magics of Allomancy and Feruchemy continue to play a role in this reborn world. Out in the frontier lands known as the Roughts, they are crucial tools for the brave men and women attempting to establish order and justice. One such is Waxillium

Ladrian, a rare Twinborn, who can Push on metals with his Allomancy and use Feruchemy to become lighter or heavier at will. After twenty years in the Roughts, Wax has been forced by family tragedy to return to the metropolis of Elendel. Now he must reluctantly put away his guns and assume the duties and dignity incumbent upon the head of a noble house. Or so he thinks, until he learns the hard way that the mansions and elegant tree-lined streets of the city can be even more dangerous than the dusty plains of the Roughts. Brandon Sanderson's *The Reckoners*, *Steelheart*, *Firefight*, *Calamity*, and *The Mistborn* trilogy has become a firm favourite with fantasy fans the world over. The imagination that Sanderson brought to the series and his skill at marshalling epic storylines and dramatic action, his ability to create vivid characters made him a natural choice to complete Robert Jordan's epic wheel of time sequence. But with *Mistborn*, his standalone fantasies and his new series, *The Stormlight Archive*, Sanderson has shown his bountiful talents in his own fiction. Now he returns to the series that made his name with a new

story set years after the events of *Hero of Ages*. In a world recovering only slowly from evil, a world where allomancers wield immense power through their ability to unleash the magic bound up in common metals someone who can burn metals that no-one has burned before can tip the balance... Sanderson has the knack of giving the epic fantasy reader exactly what they want. This ability has thrown him to the forefront of the genre and the dramatic story within *The Alloy of Law* shows off this skill to its very best. Return to #1 New York Times bestseller Brandon Sanderson's *Mistborn* world of

Scadrial as its second era, which began with *The Alloy of Law*, comes to its earth-shattering conclusion in *The Lost Metal*. For years, frontier lawman turned big-city senator Waxillium Ladrian has hunted the shadowy organization the Set—with his late uncle and his sister among their leaders—since they started kidnapping people with the power of Allomancy in their bloodlines. When Detective Marasi Colms and her partner Wayne find stockpiled weapons bound for the Outer City of Bilming, this opens a new lead. Conflict between Elendel and the Outer Cities only favors

the Set, and their tendrils now reach to the Elendel Senate—whose corruption Wax and Steris have sought to expose—and Bilming is even more entangled. After Wax discovers a new type of explosive that can unleash unprecedented destruction and realizes that the Set must already have it, an immortal kandra serving Scadrial's god, Harmony, reveals that Bilming has fallen under the influence of another god: Trel, worshipped by the Set. And Trel isn't the only factor at play from the larger Cosmere—Marasi is recruited by offworlders with strange abilities who claim their

goal is to protect Scadrial...at any cost. Wax must choose whether to set aside his rocky relationship with God and once again become the Sword that Harmony has groomed him to be. If no one steps forward to be the hero Scadrial needs, the planet and its millions of people will come to a sudden and calamitous ruin. York Times bestselling author Brandon Sanderson's epic Mistborn Trilogy continues with The Well of Ascension. They did the impossible, deposing the godlike being whose brutal rule had lasted a thousand years. Now Vin, the street urchin who has grown into the most powerful Mistborn in the land, and Elend Venture, the idealistic young nobleman who loves her, must build a healthy new society in the ashes of an empire. They have barely begun when three separate armies attack. As the siege tightens, an ancient legend seems to offer a glimmer of hope. But even if it

really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. It may just be that killing the Lord Ruler was the easy part. Surviving the aftermath of his fall is going to be the real challenge.

Getting the books **The Alloy Of Law Mistborn 4 Brandon Sanderson** now is not type of inspiring means. You could not by yourself going in the manner of book store or library or borrowing from your links to open them. This is an unquestionably simple means to specifically get guide by on-line.
