Treasure in Heaven Mar 22 2020 The "holy poor" have long maintained an elite status within Christianity. Differing from the "real" poor, these clergymen, teachers, and ascetics have historically been viewed by their fellow Christians as persons who should receive material support in exchange

for offering immeasurable immaterial benefits—teaching, preaching, and prayer. Supporting them—quite as much as supporting the real poor—has been a way to accumulate eventual treasure in heaven. Yet from the rise of Christian monasticism in Egypt and Syria to present day, Christians have argued fiercely about whether monks should work to support themselves. In *Treasure in Heaven*, renowned historian Peter Brown shifts attention from Western to Eastern Christianity, introducing us to this smoldering debate that took place across the entire Middle East from the Euphrates to the Nile. Seen against the backdrop of Asia, Christianity might have opted for a Buddhist model by which holy monks lived by begging alone. Instead, the monks of Egypt upheld an alternative model that linked the monk to humanity and the monastery to society through acceptance of the common, human bond of work. This model of Third World Christianity—a Christianity that we all too easily associate with the West—eventually became the basis for the monasticism of western Europe, as well as for modern Western attitudes to charity and labor. In *Treasure in Heaven*, Brown shows how and why we are still living—at times uncomfortably—with that choice.

Under the Banner of Heaven Jul 26 2020 NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

Your Ticket to Heaven (Pack Of 25) Sep 27 2020 Your Ticket to Heaven May I offer you a ticket to heaven? You don't have to pay for it, and that's a good thing, because you could never afford to buy it It's free, but only because someone has already paid the ultimate price for it. God loves you and not only wants you to have a fulfilling life on earth, he also wants you to live with him in heaven forever. He's the one who offers you a paid-in-full ticket. No one wants to go to hell where there will be no joy and no pleasures whatsoever, and God doesn't want anyone to go there either. The Bible says that God is "not wishing that any should perish" (2 Peter 3:9). But there is a problem with getting that free ticket. We have all done wrong--we have all sinned, haven't we? God's Word says "If we say we have no sin, we deceive ourselves" (1 John 1:8). Sin pollutes--it makes us unclean, unfit for God's presence in that wonderful, perfect place called heaven. Sin penalizes--it separates us from a sinless God, "For the wages of sin is death" (Romans 6:23). In short, our sinfulness blocks the delivery of the ticket that we need to get into heaven Who paid for it? Wait There's good news Jesus

Christ, the Son of God, came to earth to be born and to live his life without sin. He "suffered once for our] sins, the righteous one] for the unrighteous all of us], that he might bring us to God" (1 Peter 3:18). When God "laid on him the iniquity sins] of us all" (Isaiah 53:6), Jesus cried out, "My God, my God, why have you forsaken me?" (Mark 15:34). The answer is simple and profound: Jesus was separated from God because he took your place and mine on the cross, and by dying he paid in full the "wages" our sins had earned. Then he rose from the dead, was seen by hundreds of people, and is alive today so you can know him and receive the gift of eternal life--your ticket to heaven. That's right The Bible says, "to all who did receive him Jesus], who believed in his name, he gave the right to become children of God" (John 1:12). That is fantastic You can become a "new" person--born of God--to start a brand-new life that pleases God. And, of course, all God's children have a ticket to heaven Do you want it? It is no accident you were given this offer of a ticket to heaven. God has made sure you can receive it. The whole issue is, did Jesus pay for all your sins or didn't he? God said he did. Trust God that it is so. "Whoever believes in the Son of God] has eternal life" (John 3:36). Just as a man says, "Yes, I will take this woman to be my wife," God wants you to tell him, "Yes, I will take Jesus to be my Savior. I believe that he is the only way to heaven." The Bible says, "Whoever has the Son Jesus] has life" (1 John 5:12). If you believe that God's way to heaven is the only way, you can "claim your ticket" by telling God in words like these: Dear God, I have sinned. I know I have offended you in many ways. I am so sorry. I believe that Jesus suffered and died for my sins, paid my debt in full, and rose again. Jesus, I believe in you and thank you for what you've done for me. Please save me from the penalty of my sins, and give me a new birth and the power to live for you. Thank you for this offer to spend eternity with you Remember what John 3:36 says: "Whoever believes in the Son has eternal life." Do you now believe in Jesus as your Savior, your only "ticket to heaven"?

Do you have everlasting life, like God said?

No Depression in Heaven Oct 29 2020 Nowhere was the transition from church-based aid to federal welfare state brought about by the Great Depression more dramatic than in the South. For a moment, the southern Protestant establishment turned to face the suffering that plantation capitalism pushed behind its image of planter's hats and hoopskirts. When starving white farmers marched into an Arkansas town to demand food for their dying children and when priests turned away hungry widows and orphans because they were no needier than anyone else, southern clergy of both races spoke with one voice to say that they had done all they could. It was time for a higher power to intervene. They looked to God, and then they looked to Roosevelt. When Roosevelt promised a new deal for the "forgotten man," Americans cheered, and when he took office, churches and private agencies gratefully turned much of the responsibility for welfare and social reform over to the state. Yet, argues historian Allison Collis Greene, Roosevelt's New Deal threatened plantation capitalism even while bending to it. Black southern churches worked to secure benefits for their own communities while white churches divided over loyalties to Roosevelt and Jim Crow. Frustrated by their failure and fractured by divisions over the New Deal, leaders in the major white Protestant denominations surrendered their moral authority in the South. Although the Protestant establishment retained a central role in American life for decades after the Depression, its slip from power made room for upstart Pentecostals and independent evangelicals, who emphasized personal rather than social salvation.

In Heaven We'll Meet Again Sep 08 2021 Are loved ones reunited in Heaven? The saints say "Absolutely!" In wise and consoling letters written to a mother sorrowing over the death of her child, Fr. François René Blot, S.J., here summons the Church's greatest saints who testify with one voice that death's wound, though grievous, separates us but for a short while from those who die before

us. Acknowledging that profound sorrow at the death of loved ones is appropriate (after all, even Jesus wept for the death of his friend Lazarus), Fr. Blot nonetheless gives us reason to be joyful even in the midst of our sorrow: in heaven our loves and friendships will finally be free of the many hindrances — small and large — that keep them from being perfect in this life. Moreover, the saints say, in heaven we will love and know the love of countless souls we never met on earth, our Guardian Angel, and all the choirs of angels! Soon after it was written, a Catholic Cardinal called this book “a pearl set in the fine gold of the doctrine of the Fathers” and a newspaper declared that it “deserves a distinguished place in all Christian libraries and should be on the table of every pious family that faithfully preserves the memory of its deceased members.” Let the saints’ testimony in these beautiful pages assuage your grief and renew your hope! Let them increase your gratitude for the sacrifice of Christ whose death on the Cross opened heaven for us, and made these heavenly reunions possible!

On Earth as It Is in Heaven Nov 29 2020 Latin America has long been strongly identified with the Roman Catholic Church. Yet the face of religion is changing in the region, as is evidenced by new landmarks that now appear on the social and geographic landscape. To date, most books on major religions in Latin America are specific to one religion only, and do not offer a comparative analysis. *On Earth as It Is in Heaven: Religion in Modern Latin America* not only examines the region's religious *mélange*, but also gives equal coverage to other religious variations. The nine articles in this volume examine the variety of religious expression in Latin America, focusing upon Catholicism, popular Indian and African religious forms, and new elements such as Protestantism and Mormonism. Offering a comprehensive focus on one of the most prevalent social institutions in Latin American society, *On Earth as It Is in Heaven* is an excellent text for courses in Latin American history, religion, anthropology, sociology, and political science.

Somewhere in Heaven Dec 19 2019 "Dana is my life force." --Christopher Reeve "A terrible thing happened. I wish it hadn't. But would I change who I married? Never." --Dana Reeve He was a hero in every sense of the word--the chiseled-from-granite star of four blockbuster Superman films and the romantic classic *Somewhere in Time* who, after being paralyzed in a freak horseback riding accident, became a symbol of hope for millions. Dana Reeve was no less heroic, standing steadfastly by her husband's side until his surprisingly sudden and unexpected death at age fifty-two. When Dana, a non-smoker, passed away from lung cancer just seventeen months after Chris's death, she left behind their thirteen-year-old son, Will, to be raised by friends and family. Dana was only forty-

four years old. That fate could have dealt such a cruel hand to this golden couple seemed unfathomable. That they could endure it all with grace, courage, and humor defied belief. Yet for all the millions of words that have been written about their public causes and private struggles following Chris's accident, little is known about the lives they led as passionate young lovers. Now, in the manner of his poignant-yet-stirring bestsellers *Jack and Jackie*, *Jackie After Jack*, *An Affair to Remember*, *The Day Diana Died*, *After Diana*, and *The Day John Died*, No. 1 New York Times bestselling author Christopher Andersen draws on those who knew them best to examine in touching detail the Reeves' unique partnership and the romance, faith, and fortitude that defined it. Sometimes heartbreaking, often uplifting, always compelling, *Somewhere in Heaven* is more than just a portrait of a marriage. It is the profoundly human story of two souls whose brief lives made a difference, a bittersweet saga of tragedy, triumph, and loss, and--above all else--a love story for the ages.
