A gripping tale of love, heroism, humiliation, revenge, and death, Angaliyat presents a vividly coloured picture of the lives of two neighbouring villages in the Charotar district of central Gujarat. This paperback edition includes a revised and updated Introduction and a new Preface. Library has v. 1-3 only. On the completion of fiftieth year of Sahitya Akademi. The religions of the world preserve the knowledge and protect the secrets of ancient powerful mantras. At the heart of world religion, and among the most powerful mantras in the history of religion, is the Navkar mantra, or Trimantra. In the book "Trimantra", Gnani Purush (embodiment of Self knowledge) Dada Bhagwan explains the Trimantra, its mantra meaning, and the extraordinary benefits of its recitation. Whether wishing to live with no worry while facing problems in everyday life, wondering how to get inner peace, or on a spiritual quest seeking spiritual enlightenment (self realization), utilizing Trimantra provides that – and more. Among the many spiritual books available today, Dadashri's spiritual guidance about the value of Trimantra, and how to best access its spiritual power, is invaluable. Fateema opened her diary and began writing: "Jihad as mentioned by the Prophet is a war against injustice and oppression. Islam means peace and surrender. Islam does not recommend killing innocent people. The Prophet released hundreds of slaves from bondage and sent them back to their native land." There was a lot more she could write. She would one day. Not for others, but to her own people she would explain the meaning of the word 'Islam'. For a bright young woman like Fateema Lokhandwala, the idea that one day she might own her own house is a daring dream. Her father has spent his life, slaving away selling scrap metal so that his children might 'jump the fence of poverty and illiteracy'. Fateema dreams not only of owning her own house, but of higher education, a better job, a wider world. Her brother, Kareem, is persuaded down a very different path – to join the jihad, to become a holy warrior. Ila Arab Mehta's moving and sharply observed novel follows one woman's struggle to find her way in a world torn by communal violence, to reconcile her conflicting loyalties to her family and friends, to find a place that she can ultimately call 'home', a place where fences –between communities, between people – are no longer necessary. • A novel on a controversial and topical theme by one of Gujarat's best known writers • The story of a young Muslim woman caught in the world of identity politics Published by Zubaan. Post nineteen eighties, what made English translation from Indian languages a culturally desirable activity? This question leads Kothari to examine the changing cultural universe of urban, English-speaking middle class in India. She examines in detail readership patterns, attitudes to English, and the course of translation studies in general. The comfort with which English is used with an Indian language as in "Yeh Dil Maange More" or "Hungry Kya" reflects a sense of familiarity that has been made with English. From this broader context of bilingualism in the first part of the book, Kothari moves on to the state of Gujarat. Taking up the case of Gujarati, she demonstrates the micro issues involved in translations and politics of language. Kothari asks new questions in translation studies and makes the production, reception and marketability of English translation her chief concern. Translating India brings a multidisciplinary perspective to literature and translation, authenticity and representation. The kingdom of Patan is under attack from the army of Avanti. People have fled their villages to seek refuge in the city. Amidst the mounting panic, the arrival of Kaak, a young warrior from Laal, sets in motion a frantic chain of events. The Lord and Master of Gujarat is set four years after The Glory of Patan, and unfolds at dizzying speed, abounding in conspiracies, heroism and romance. From the spectacular rise of Siddhraj Jaysinh to the intrigues surrounding the consolidation of Gujarat, from the growing romance between Kaak and Manjari to the escalating

In these bleak circumstances, Iso, a tanner by birth, graduates from being a child labourer to an adult serf on the estate of Mavaji. His life is one of humiliation, hunger and drudgery, and the only respite comes in the form of Diwali, Mavaji's daughter. Between them exists a physical relationship that is shrouded in secrecy, shame and fear. Even as Iso creates distance between them, a chance encounter turns to violence and tragedy, and he faces the brutal sword of caste patriarchy. Based on the blood-curdling murder of a Dalit boy by Rajput landlords in Kodaram village in 1964, Vultures portrays a feudal society structured around caste-based relations and social segregation, in which Dalit lives and livelihoods are torn to pieces by upper-caste vultures. The deft use of dialect, graphic descriptions and translator Hemang Ashwinkumar's lucid telling throw sharp focus on the fragmented world of a mofussil village in Gujarat, much of which remains unchanged even today. Library has v. 1-3 only. Endurance: A Droll Saga Originally Published In Gujarati In 1947 As Manavini Bhavai Is A Modern Classic. Set Against The Rural Backdrop Of Gujarat, It's A Fictionalized Account Of The Great Famine Of 1990, Which Had Ravaged This Part Of The World. Written In A Simple, Direct Style, Free Of Conventional Artifice And Sophistication It Is Not Crude Or Raw. It Is The Story Of Love Between Kalu And Raju As Well As The Story Of Hard And Tragic Life Of The Farmers In Indian Villages. The Translation Seeks To Retain The Essential Simplicity, The Rustic Flavour And Spirit Of The Original As Closely As Possible. Set in a part of India often the scene of bloody caste wars, Bhavni Bhavai retells a folk tale that combines palace intrigue, romance, caste oppression and the revolt of the lower castes, in a hilariously disturbing style that draws on Brecht, Asterix comics, and the Bhavai, a popular traditional folk theatre form of the region. In his making of the film, Ketan Mehta, a leading filmmaker, was searching for a kind of form which was not completely geared towards providing catharsis, one that left scope for putting forth ideas and triggering off more ideas and placing questions before the spectators, instead of satisfying them with a given destiny that provided no sense of discovery to them.
