But while each member is loyal to the pack, it can be hard to deny the call of desire... Vampire princess Calla Shaw has seen her own share of heartbreak, but she can tell that the wild attraction she and Nick feel for each other could turn into something significant—if only he'd let it. But Calla isn't about to give up on her mate without a fight. Time is running out, not only for Nick to claim his mate, but for Calla and her coven. A vampire war is on the horizon, one the Alpha Pack can't hope to win if their leader can't pull himself back from the abyss... And when the battle gets personal, their wild side is unleashed.... Ryon Hunter sees dead people—spirits that beg him for help in ways he can't understand. He'd do anything to end the torment, until a beautiful spirit appears to him with a plea he can't ignore: Help me... I'm alive. The woman is wildlife biologist Daria Bradford, mortally wounded after encountering a white wolf, calling to Ryon through a rare Psy gift. When Ryon locates Daria in the Shoshone National Park, it is almost too late, but nursing her back to health at the Alpha Pack compound brings a new complication—Daria is his destined mate, and Ryon is afraid of what will happen when she discovers what he is, and what he had to do to save her life. But the biggest threat of all is still loose in the forest, leaving a merciless trail of death behind it. The Alpha Pack goes on the hunt for the mysterious white wolf, determined to stop the murderous rogue... only to find that the most lethal creature of all is the one they can't see coming... For one, there were unusual circumstances surrounding her birth, for another, she is the only pack member to never shift into a wolf form. So now she doesn't quite belong anywhere. Not quite human and not quite wolf. She thought she would be able to live her life how she wanted when she had turned eighteen. Go to college, make some friends, have some fun. But what is she to do when the dangerously sexy Alpha literally falls right into her lap? "I am not human, and I am not a wolf. I don't belong anywhere..." "...we both know that no one is going to mate with me, and even if they did, they would just reject me anyway." What is the sexy, brooding Alpha going to do? The elders are making him hold these ridiculous parties to search for a mate. He doesn't want a mate, but he knows he needs a mate to finish the Alpha Circle. Without a mate, a Luna for the pack, his people would suffer. And what is he going to do when he stumbles across the girl that fate has chosen for him and he finds out she has no wolf? "This cannot be!" I roared. "There is no way that I can mate with a girl that does not even have a wolf. She will be too weak. She will be inferior. She will not be strong enough to be a Luna." "I simply could not accept her as my mate. Not fully. It wasn't safe for her. She would get herself killed. And she would bring my pack down with her." When these two meet, sparks will surely fly. But will it be from passion, or their constant fighting? Neither of them wanted a mate. Neither of them wants the mate that fate chose for them. And neither of them can make that mate bond go away. What are they going to do now that they're literally stuck with each other? The golden rule of shallow flings is not to get attached, right? Well, Havana Ramos broke it. Big time. There's just something about Tate Devereaux that pulls at her. Assertive, compelling, and self-assured, the Alpha cat shifter pushes every one of her best buttons. Like really, really hard. Having overheard an enlightening conversation, she knows he won't give her more than a fling-something, to be fair, he'd told her well in advance. If she doesn't want her heart to get bruised, it's time to end what little they have. It's not like he'll care or anything. Except ... it turns out that he does. Newly-appointed Alpha Tate Devereaux is never bothered when women walk away. He can't exactly blame them, given his distrustful cat's habit of withdrawing from relationships. But when lone shifter Havana ends their fling, everything within Tate rebels against it—including his cat. Even as she and Tate work together to crush the threat looming over her, Havana holds him at arms' length. But if she thinks she can end their fling with no real explanation and that he'll just tip his hat and walk away, she's forgotten one very important thing—there's nothing easy about shaking off an Alpha. I should have known my quest for vengeance would eventually be my downfall. I should have been more careful, more paranoid—but I'm glad I wasn't. Who knew that getting caught for my crimes would lead to so much happiness? But joy can be fleeting... It turns out, this battle is only just beginning. With ultimate power on the line, my faceless enemies will stop at nothing to capture me, dead or alive. I need to master my abilities, fast, or this could be the end for someone I care far too deeply about. I'm Kit Davenport and this is going to be a bumpy flight. Warning: This is a reverse harem story with sex, violence and swearing. One stupid party. One stupid boy. One stupid kiss. And my life was virtually over. But Tessa doesn't realize that kissing the wrong guy in her new Texas town could land her in far more trouble than she ever imagined. Like being forced to attend St. Ailbe's Academy, a secret boarding school for werewolves. When vampires attack St. Ailbe's and her visions pinpoint an enemy in their midst, Tessa realizes that boy drama and her newfound canine tendencies might just be the least of her problems. "Fox adeptly weaves several enchanting love scenes into her romance framework. Best of all, they actually add to the story." Little known fact about being a werewolf: There are always wolves at your door and some of them are up to no good. Chloe Weiss' dreams have finally come true: She's a null no more, her wolf has finally come. She's now a full member of her pack in the remote Appalachian 'weretown' of Hunstville. Even better, she's mated to the pack's next alpha, Jackson Swift. However, now that she's on the other side of her happy ending, things aren't quite as rosy as she'd expected. The women of her pack resent her status as alpha's mate and suddenly there are rumors that Chloe is an Omega, a werewolf so weak they are banned from ever mating. Worse, an old friend of Jackson's blows into town full of disapproval...and competition. It seems no one likes Chloe except Jackson. Then women start disappearing, violently kidnapped from their homes and never heard from again. There's a killer on the loose in the small town of Huntsville, and the one wolf he'd do anything to have is Chloe. Now Chloe will have to fight...for Jackson, her place in the pack, and her life.
