A guide to well-being from the renowned social psychologist and New York Times–bestselling author of *The Art of Loving* and *Escape from Freedom*. Though laptops, smartphones, and TVs have in many ways made life more convenient, they have also disconnected us from the real world. Days are spent going from screen to machine, machine to screen. In *The Art of Being*, renowned humanist philosopher and psychoanalyst Erich Fromm draws from sources as varied as Sigmund Freud, Buddha, and Karl Marx to find a new, centered path to self-knowledge and well-being. In order to truly live, Fromm argues, we must first understand our purpose, and the places where we lost it. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate. Erich Fromm was a political activist, psychologist, psychoanalyst, philosopher, and one of the most important intellectuals of the twentieth century. Known for his theories of personality and political insight, Fromm dissected the sadomasochistic appeal of brutal dictators while also eloquently championing love—which, he insisted, was nothing if it did not involve joyful contact with others and humanity at large. Admired all over the world, Fromm continues to inspire with his message of universal brotherhood and quest for lasting peace. The first systematic study of Fromm's influences and achievements, this biography revisits the thinker's most important works, especially *Escape from Freedom* and *The Art of Loving*, which conveyed important and complex ideas to millions of readers. The volume recounts Fromm's political activism as a founder and major funder of Amnesty International, the National Committee for a Sane Nuclear Policy, and other peace groups. Consulting rare archival materials across the globe, Lawrence J. Friedman reveals Fromm's support for anti-Stalinist democratic movements in Central and Eastern Europe and his efforts to revitalize American democracy. For the first time, readers learn about Fromm's direct contact with high officials in the American government on matters of war and peace while accessing a deeper understanding of his conceptual differences with Freud, his rapport with Neo-Freudians like Karen Horney and Harry Stack Sullivan, and his association with innovative artists, public intellectuals, and world leaders. Friedman elucidates Fromm's key intellectual contributions, especially his innovative concept of "social character," in which social institutions and practices shape the inner psyche, and he clarifies Fromm's conception of love as an acquired skill. Taking full stock of the thinker's historical and global accomplishments, Friedman portrays a man of immense authenticity and spirituality who made life in the twentieth century more humane than it might have been. SHORTLISTED FOR THE GORDON BURN PRIZE Chosen as 'BOOK OF THE YEAR' by Observer, Guardian, Telegraph, Irish Times, New Statesman,

Times Literary Supplement, Herald When Olivia Laing moved to New York City in her mid-thirties, she found herself inhabiting loneliness on a daily basis. Increasingly fascinated by this most shameful of experiences, she began to explore the lonely city by way of art. Moving fluidly between the works and lives of some of the city's most compelling artists, Laing conducts an electric, dazzling investigation into what it means to be alone, illuminating not only the causes of loneliness but also how it might be resisted and redeemed. Psychic art is about contacting the creative source and thinking outside the box of our own limitations. This can lead to extraordinary results, the ability to paint portraits of people you don't know, indeed being able to draw and paint and compose without training. With the right tools, and a clear sense of purpose, we can all develop our ability, learning to enter altered states at will, to produce art that exceeds our normal expectations. An in-depth study of the philosophy, science and art of true self-knowledge taught by Bhagavan Sri Ramana Maharshi, giving detailed guidance on the practice of self-investigation (atma-vichara), 'Who am I?' What's the secret to being indispensable—a true go-to person—in today's workplace? With new technology, constant change and uncertainty, and far-flung virtual teams, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution, working with everyone, all the time, across silos and platforms. But sometimes it feels like we're stuck in a no-win cycle—dealing with an overwhelming influx of asks, with unclear lines of communication and authority. Overcommitment syndrome looms larger than ever before. But even amid the seeming chaos, there's always that indispensable go-to person who thrives on their many working relationships with people all over the organization chart. How do they do it? Go-to people consistently make themselves valuable to others, maintain a positive attitude of service, are creative and tenacious, and take personal responsibility for getting the right things done. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people think and behave differently, building up their influence with others—not by trying to do everything for everybody but by doing the right things at the right times for the right reasons, regardless of whether they have the formal authority. This book will teach you to: Understand the peculiar mathematics of real influence Lead from wherever you are%#8212up, down, sideways, and diagonal Know when to say "no" or "not yet," and how to say "yes" Keep getting better and better at working together And much more. The Art of Being Indispensable at Work is the new How to Win Friends and Influence People for an era in which the guardrails of traditional management have been pulled away. Teaching is an art; with the right techniques, guidance, skills and practise teachers can masterfully face any situation the classroom could throw at them. With their fresh perspectives, sage advice and a hint of silliness, Andy, Chris and Gary show teachers how to unleash their brilliance. For any teacher who has ever had a class that are angels for colleagues but Lucifer incarnate as soon as they cross the threshold of their classroom? Or who realised too late that their best-laid lesson plans were doomed from the start? Or who had their energy and enthusiasm sapped by a mood-hoovering staffroom Grinch? Not a problem once they've mastered the art of being a brilliant teacher. With plenty of practical advice and top tips, this book will show them how. The idea that women are dangerous ? individually or collectively ? runs throughout history and across cultures. Behind this label lies a significant set of questions about the dynamics, conflicts, identities and power relations with which women live today.0'The Art of Being Dangerous' offers many different images of women, some humorous, some challenging, some well-known, some forgotten, but all unique. In a dazzling variety of creative forms, artists and writers of diverse identities explore what it means to be a dangerous woman.0With almost 100 evocative images, this collection showcases an array of contemporary art that highlights the staggering breadth of talent among today?'s female artists. It offers an unparalleled gallery of feminist creativity, ranging from emerging visual artists from the UK to multi-award-winning writers and translators from the Global South. One of Choice Reviews' Outstanding Academic Titles of 2018--an innovative look at how families in Ming dynasty China negotiated military and political obligations to the state.tate. For anyone who's ever heard a motivational speech and immediately

vomited, a guide to ignoring society's obsession with success Sit around, leave sh*t all over the place, drink, forget about deadlines . . . being lazy is pretty easy. The real art in being chill is when someone without any real ambition can fly under the radar, and live unscathed by the never-ending reams of self-help and inspiration rained upon anyone who just wants to watch Netflix. The magical place where doing what comes naturally keeps the do-ers at arm's length. Rather than doing less, do just enough. So screw TED Talks, Instagram images of a beach that say "Fail Better" in gold cursive, marathon training, tips for keeping plants alive, and all self-aggrandizing social media. Ninety-nine percent of people on this planet are just pretty average. We're doing our thing. Trying to get out of bed in the morning. Hey, are you awake right now? Reading a sentence? You know what? That's success in my book. Being a person is hard enough without all the pressure to be good at it. To know and be known. To share memories and dreams, consequences and plans. To reach for one who is reaching for you. To love and be loved. Being married can be among the greatest joys in life--but it isn't easy. Priest, author, and spiritual director Frank Wade offers wisdom and insight cultivated from five decades of counseling and ministry, presenting fundamental principles to building and maintaining a happy and hallowed marriage. Each principle includes questions to provoke thoughtful and profound conversation. This common sense guide is a crucial companion for couples of all sorts and in all stages, from dating and engagement to celebrating decades together, from blissfully happy to struggling to find a way forward. This book provides tools and encouragement to find--or fine-tune--the joy in the art of being together. The Art of Being: 101 Ways to Practice Purpose in Your Life helps readers become inspired and stay inspired, with motivational and uplifting writings that can be read daily, supported by "Mindfulness Practices," or action steps to make it simple. Ultimately, the understanding at which the reader will arrive is that spirituality, the "art of being," is actually a lifestyle, a way of walking our sacred earth every day. The Art of Being is a user-friendly manual to guide you to become acutely aware of how to live more mindfully on a day-by-day, hour-by-hour, moment-by-moment basis and thus create more peace and happiness in your life--and in the lives of those around you. The creative life is not easy. From the outside it can seem romantic and exciting, but in fact it is a unique journey filled with doubts and dreams and complex challenges that most people never imagine. From the obvious issues of making a living and dealing with rejection, to more rarified questions like how to know when a work is finished and the delicate balance between inspiration and craft, the creative artist - whether writer, painter, actor, or dancer - lives in a world of profound questions and subtle choices. The Artist's Journey takes you into this world with an emotional honesty that few books offer. At once practical and spiritual, it is a rare exploration of the inner landscape of the artistic experience and an essential guidebook to the artist's journey, for creative artists in all fields, whether young or old, accomplished or just beginning. Calling all teenagers—quit the moaning and start loving life! Don't be a cliché. Don't stay in your bedroom grunting and grumbling. How about getting motivated, energized and start making a difference?! The Art of Being A Brilliant Teenager teaches you how to become your very best self—and how to figure out who that is, exactly. The bestselling authors of The Art of Being Brilliant and Be Brilliant Everyday are experts in the art of happiness and positive psychology and, with this new book, you'll find your way to becoming brilliant at school, work, and life in general. Stay cool under all the pressures you're facing, and plot a map for the future that takes you wherever it is you want to go. Become proactive, determined, successful and most importantly: happy! Fact: your life span is about four thousand weeks. It seems like a lot, but it's not. Complaining about life, homework, parents, and relationships may be normal now, but don't let it become your defining trait. When you're forty years old and still moaning, a big chunk of your four thousand weeks have slipped by, and you're no closer to happiness than you were as a teen. This book is a guide to starting the journey to your ideal life now, instead of wasting time being a drip. Discover the real you, and what you want out of life Stop moaning and get moving now, while there's plenty of time Lose your bad habits before they become your personality Figure out how you want to contribute, and find a way to do it The bottom line is this: it's easy to be the average version of yourself, but is that really all you want? Don't you want to achieve something? Get started now. The Art of Being A Brilliant Teenager helps you figure out

where you want to go, and how to get there. So, whether you're an ambitious teenager, a parent or teacher desperate to turn a down-beat teenager into a ray of positivity and delight, *How to Be a Brilliant Teenager* is here to help. Art thou alive? Nay, not too soon reply, Tho' hand and foot, and lip, and ear, and eye Respond, and do thy bidding; yet maybe Grim death has done his direst work with thee. Life, as God gives it, is a thing apart From active body and from beating heart. It is the vital spark, the unseen fire, That moves the mind to reason and aspire; It is the force that bids emotion roll. In mighty billows from the surging soul. Middle-class Brits are embarrassed, awkward, and charmingly insecure in their tastes. *The Art of Being Middle-Class*, based on stories from cult blog *The Middle Class Handbook*, is here to help. What are the essential topics to cover when talking about other couples? What do you do about the awkward bag on the seat moment? How do you subtly boast about your summer holiday destination? What does your cooker hood say about you? With tips on taste and etiquette, a conspiratorial cheer here and there, and a kick up the bum when necessary, this book sets out to help our marvellous British MCs be the best they can be. Praise for *The Middle Class Handbook*: "Indispensable... whether you're middle class or pretending not to be." *GQ* magazine. "Hilarious... we laughed our organic, brushed cotton socks off." *Grazia*. "The Middle Class Handbook skewers the middle classes, and then dissects them with ruthless comical accuracy." *Esquire*. Forget everything you've heard about being single Nope, you don't need a better half - you're already whole. And every second waiting for 'the one' is time wasted: time that could be spent living your life your way. Because when you take a moment to stop and look at things differently, you'll soon see that there are so many wonderful reasons to embrace being proudly partner-free. Celebrating the freedom and fun of solo living, this book is brimming with inspiration, ideas and practical advice. From going on me dates and awesome adventures, to staying true to yourself and learning to leave loneliness at the front door, *The Art of Being Single* is your one-stop guide to living a life you love. Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters. Attitude. Personality. Mindset. Spirit. Essence. Regardless of how you define your state of being, it is the basis for your existence and how you experience life. *The Art of Being* lays the foundation for your first impressions because if you get this part wrong not much else matters. All other efforts may be diminished or wasted. Your way of being sets the tone for how people relate to you, behave toward you, and engage with you. The more positively centered and grounded you are in your authentic being, the more people may be drawn to you. Becoming the person you want to be includes being your best, doing your best, and allowing your personality, passions, and purpose to shine through. This book is Book 1 of 8 from the Susan Young's mastery manual *The Art of First Impressions for Positive Impact* & 8 Ways to Shine Bright to Transform Relationship Results. Unorthodox success principles from a billionaire entrepreneur and philanthropist Eli Broad's embrace of "unreasonable thinking" has helped him build two Fortune 500 companies, amass personal billions, and use his wealth to create a new approach to philanthropy. He has helped to fund scientific research institutes, K-12 education reform, and some of the world's greatest contemporary art museums. By contrast, "reasonable" people come up with all the reasons

something new and different can't be done, because, after all, no one else has done it that way. This book shares the "unreasonable" principles—from negotiating to risk-taking, from investing to hiring—that have made Eli Broad such a success. Broad helped to create the Frank Gehry-designed Walt Disney Concert Hall, the Museum of Contemporary Art, the Broad Contemporary Art Museum at the Los Angeles County Museum of Art, and The Broad, a new museum being built in downtown Los Angeles His investing approach to philanthropy has led to the creation of scientific and medical research centers in the fields of genomic medicine and stem cell research At his alma mater, Michigan State University, he endowed a full-time M.B.A. program, and he and his wife have funded a new contemporary art museum on campus to serve the broader region Eli Broad is the founder of two Fortune 500 companies: KB Home and SunAmerica If you're stuck doing what reasonable people do—and not getting anywhere—let Eli Broad show you how to be unreasonable, and see how far your next endeavor can go. Most of us probably don't learn about Alexis de Tocqueville in school anymore, but his masterpiece, *Democracy in America*, is still surprisingly resonant. When he came to America in 1831 to study our great political experiment, he puzzled over our strange struggles with religion and politics, work and money, sex and gender, and love and death. Clearly we haven't come as far as one might hope. But it wasn't all doom and gloom—and it isn't now. Tocqueville didn't just catalog our problems; he provided a manual on how to flourish despite them. In *The Art of Being Free*, journalist and scholar James Poulos puts Tocqueville's advice to work for a contemporary audience, showing us how to live sane, healthy, and happy lives amid our hectic, shifting world. Poulos reveals what Tocqueville's beloved study tells us about everything from our relationship to technology and our obsession with appearances to our workaholicism, our listlessness, and our ways of coping with stress. He explores how our uniquely American malaise can be alleviated—not by the next wellness fad or self-help craze, but by the kind of fearless inventory-taking that has fallen out of fashion. Celebrated artist and influential teacher Michael Craig-Martin's first book is a lively mix of reminiscence, personal manifesto, anecdote and advice for the aspiring artist in a new paperback edition Few living artists can claim to have had the influence of Michael Craig-Martin. Celebrated around the world for his distinctive work, and with major retrospectives, high-profile commissions and numerous honours to his name, he has also helped nurture generations of younger artists, among them Julian Opie, Damien Hirst, Sarah Lucas, Liam Gillick and Gary Hume. Often described as the godfather of the YBAs, he taught by combining personal example and individual guidance, offering students encouragement, practical advice and insights gained from his own professional highs and lows. This powerful combination gave them the self-knowledge, confidence and motivation to flourish as some of the most successful figures in contemporary art. Now Craig-Martin shares the same benefit of his experiences with yet another generation. Part memoir and part instructional guide, *On Being An Artist* is a remarkable mix of reminiscence, personal philosophy, anecdote, self-examination, and advice for the budding artist. In a series of short episodes, he reflects with both wit and candour on the many ideas, events and people that have inspired and shaped him throughout his life, from his childhood in the postwar United States through his time as an art student at Yale in the 1960s and subsequent work as a teacher, to his international success in later years. More than the life of one of the most creative minds of our age, *On Being An Artist* provides lesson after valuable lesson to anyone wishing to know what it means and what it takes to be an artist today. These pages show readers how to transform superficial friendships into soul-nourishing relationships, bringing them from shallowness and frivolity to a deep communion of mind and heart -- a communion that will become, for those who read this book and for their friends, a means for emotional and spiritual growth. Married couples will find here new ways to appreciate the gift God has given to them in their spouse. Best of all, readers will learn how to achieve friendship with God. As they enjoy this divine friendship and enrich their human friendships, they'll come to see how truly author Hugh Black speaks when he says that no one would care to live without friends, even if he had all other good things. The renowned social psychologist and New York Times–bestselling author shares his insights on the process of psychotherapy, drawing on his own experience. Over the course of a distinguished career, Erich Fromm built a reputation as a talented speaker and gifted

psychoanalyst—the first specialization of this polymath. The Art of Listening is a transcription of a seminar Fromm gave in 1974 to American students in Switzerland. It provides insight into Fromm's therapy techniques as well as his thoughts and mindset while working. In this intimate look at his profession, Fromm dismantles psychoanalysis and then reassembles it in a clear and engaging fashion. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate. Xtra, The Art of Being is meant for those who want permission and inspiration to be themselves. Being anything else but one's true self is exhausting. It's time to awaken your Xtra. In her memoir, the author addresses the personal barrier she had constructed between her deaf-self and her hearing persona, and traces her long, arduous pursuit of finding out exactly who she is. The latest and greatest insights on happiness from around the world The Little Book of Being Brilliant is a 'greatest hits' compilation of the best and the latest information from the science of positive psychology. Top-selling author Andy Cope exercises his PhD in happiness, along with his decades of experience bringing 'The Art of Being Brilliant' to rapt audiences around the world, to distill the tips, techniques, facts and ideas you need to know to achieve sustainable wellbeing and happiness in your own life. Inside, you'll find guidance for taking action in the form of activities and challenges that will help you implement the latest empirical evidence on happiness. You'll learn why most people are miles away from feeling as great as they could, and what to do about it. Whether you're motivated to improve your daily life or looking for the insights that will super-charge your career, or in search of inspiration for your students or your team, this little book will set you in motion toward living brilliantly. Develop resilience and embrace positivity by setting goals and taking charge of your life Learn, once and for all, what science says about the connection between money and happiness Overcome road rage and other forms of negativity that are dragging you down in the day-to-day Internalize the latest positivity wisdom for work, sport, parenting, relationships, and more There's absolutely no filler in The Little Book of Being Brilliant, and no need to sift through half-baked ideas or wisdom that researchers have already overturned. For the latest proven techniques on getting happy and achieving success, along with the motivation required to put those techniques into practice, pick up this energetic and inspiring book today. Frida Kahlo was not only an iconic artist, she was also a bold beauty and an avant-garde fashionista whose timeless sense of style continues to inspire and influence the worlds of fashion, media, and art today. A book for anyone who has a passion to make the most of what they've been given. If you could show up just being yourself, what would your life look like? If you learnt to lose the fear of being judged, how would this make you feel? What would you achieve? When you came into this world you had no fears. You didn't worry about what other people thought of you. You didn't worry about failing and you weren't a perfectionist. This book gives you a step by step process to remove years of limiting, self-sabotaging beliefs, that have been holding you back. Once you understand how your mind works, you step into the driving seat of your life. Just like software on a computer, you can reprogram your mind. You can remove any beliefs that are holding you back and create new beliefs that will help you to create the life that you want. Warren Inspire Ryan has been on his personal development journey for 10 years. He is driven to help share his philosophy to give people the tools and strategies to take control of their lives. Only you can change your life but with this book, you will have the tools to do exactly that. Come on this journey and learn to gain control of your mind. Let's build the person you were meant to be. Get your copy today by clicking the "Buy Now" button right now! In this account of how the novel reorients philosophy toward the meaning of existence, Yi-Ping Ong shows that the existentialists discovered a radical way of thinking about the relation between the form of the novel and the nature of self-knowledge, freedom, and the world. At stake are the conditions under which knowledge of existence is possible. Mallarmé is widely regarded as one of the most original and distinctively modern writers of the late nineteenth century. At the same time, his fame is accompanied by a certain notoriety, and his works are often thought of as unnecessarily complicated. In this study Malcolm Bowie shows that difficulty is of the essence in a number of Mallarmé's major works,

notably 'Prose pour des Esseintes' and *Un Coup de dés jamais n'abolira le hasard*. He argues that the poems are difficult because they are concerned with complex metaphysical questions and with speculative states of mind. Their closely interwoven multiple meanings, their intricate word-play and sound-patterning invite us to read inventively on many levels at once. Professor Bowie discusses difficulty as a general critical problem, analyses several major poems in detail, and calls attention to a number of techniques for the analysis of verse. He directs the reader away from the question 'What does this poem mean?' and towards the question 'How can this poem be read fully and with enjoyment?'. The book contains the complete text of the main poems discussed. With the rise of AI, automation and workplace precariousness, alongside a rising global tide of ecological and broader stakeholder awareness, organizations are fundamentally examining their purpose and undergoing transformations to stay relevant and add value to their customers. In parallel to this, there is an imperative for managers and leaders to transform - not simply at the level of their skills and capabilities, but at the deeper level of identity. *Not Being* completes the trilogy of *Not Knowing* and *Not Doing* by closing the gap on what today's managers and leaders need to "know, do and BE". *Not Being* argues that beyond actions and thinking, it is our very identities that need to transform, and that to be successful in the new digital and interconnected world, we need a bigger and bolder vision of who we are. This book is the essential guide for helping modern-day managers and leaders to make such an important transition. A pep talk in your pocket This short, small, highly illustrated book will fill you to the brim with happiness, positivity, wellbeing and, most importantly, success! Andy Cope and Andy Whittaker are experts in the art of happiness and positive psychology and *The Art of Being Brilliant* is crammed full of good advice, instructive case studies, inspiring quotes, some funny stuff and important questions to make you think about your work, relationships and life. You see being brilliant, successful and happy isn't about dramatic change, it's about finding out what really works for you and doing more of it! The authors lay down their six common-sense principles that will ensure you focus on what you're good at and become super brilliant both at work and at home. A richly illustrated, 2 colour, small book full of humour, inspiring quotes and solid advice A great read with a serious underlying message - how to foster positivity and bring about success in every aspect of your life Outlines six common-sense principles that will help you ensure you are the best you can be David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy. Because at Eden Park School secrets have a funny habit of not staying secret for long, and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means. This is a hands-on guide for graduate students and young researchers wishing to perfect the practical skills needed for a successful research career. By teaching junior scientists to develop effective research habits, the book helps to make the experience of graduate study a more efficient and rewarding one. The authors have taught a graduate course on the topics covered for many years, and provide a sample curriculum for instructors in graduate schools wanting to teach a similar course. Topics covered include choosing a research topic, department, and advisor; making workplans; the ethics of research; using scientific literature; perfecting oral and written communication; publishing papers; writing proposals; managing time effectively; and planning a scientific career and applying for jobs in research and industry. The wealth of advice is invaluable to students, junior researchers and mentors in all fields of science, engineering, and the humanities. The authors have taught a graduate course on the topics covered for many years, and provide a sample curriculum for instructors in graduate schools wanting to teach a similar course. The sample curriculum is available in the book as Appendix B, and as an online resource. The powerful and inspiring story of a man who, instead of

despairing over his own impoverished plight or the systems that make it hard for others to climb out of poverty, created a solution that's breaking cycles of poverty and bringing hope to a new generation. With the fortitude to survive a poor home life growing up and eventually thrive, Duncan Campbell set out to make his mark in the world--but it wasn't the one he originally intended. After utilizing his entrepreneurial skills to amass a small fortune, Campbell set his sights on a venture he saw as far more worthwhile: helping the most vulnerable and at-risk children escape a fate of poverty. Over the last two decades, Campbell's organization, Friends of the Children, has not only attempted but succeeded in eye-opening ways. The Art of Being There shares Campbell's inspirational journey along with the heart-warming stories of those he's helped. What's the secret to being indispensable--being a true go-to person--in today's workplace? With new technology, flatter organizations, far-flung virtual teams, and constant change, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution--but sometimes it feels more like a meltdown. Managers and executives are trying harder than ever to keep up and stay effective, relying on cross-functional coordination, better planning and resource sharing, simplified processes, and speeded-up work. It's a herculean challenge, and people are struggling. Overcommitment grows and burnout looms. But even amid the seeming chaos of the matrix organization--where you are constantly being asked to do things by people who aren't your boss, and where you must ask things of others who don't report to you--there is always that special person who seems indispensable, who seems to thrive on complexity, and who is able to stay focused and positive and get the right things done: This is the go-to person. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people not only behave differently, but also think differently, basing their decisions and actions on their own personal influence rather than on any formal designation of authority. At the heart of the go-to person's unique credo are the basics of "the ask" and the response--a powerful reimagining of how to say yes and when to say no. Nearly a century ago, Dale Carnegie's classic *How to Win Friends and Influence People* propelled millions of readers up the ladder of success. Now, in a world of work where you truly need to interact with everybody, Tulgan provides the new must-read guidebook for achieving real influence and learning to thrive when the guardrails of traditional management are pulled away.
