The Strange Case Of Dr. Jekyll And Mr. Hyde Oct 17 2019 "The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Higher Education Challenges in South-East Asia Jun 24 2020 Over the last decade, many local students have preferred to study overseas. This has caused governments to announce the creation of programs and

developments in the higher education sector to upgrade South-East Asia to a leading education hub. Moreover, many governments declared that they would work on the insurance of learning to increase the quality of the degrees and the teaching itself. This has led many to question the results of these declarations. Higher Education Challenges in South-East Asia provides an overview of what has been happening over the last ten years in higher education in South-East Asia. It also works to solve the challenges in modern education such as the impacts of digitalization, globalization, and Generation Y and Z learning styles. Covering topics that include globalization, educational technologies, and comparative teaching, this book impacts academic institutions, policymakers, government officials, university and college administrators and leaders, academicians, researchers, and students.
