**Jane and the Ruby Ring** Dec 16 2021 The ruby ring was in the gully and that is where Jane a ring to remember.

**The Ruby Ring and the Impossible Dream** Nov 03 2020 The Ruby Ring is a story of overcoming great odds and hardships. A little boy of seven finds a ruby ring with a strange inscription on it beside a country road. Many years later, he discovers what the inscription means Later still, the inscription seems to have been a "sign" of what was in store for his life and that was to be a writer. This is a true story. No names have been changed and the author was the child that found the ruby ring those many years ago. Today, he is a writer and has over 75 books.

**Riddle of the Ruby Ring** Jan 29 2023 The skies are clear, the weather is beautiful and the Bakers are eager to welcome a new family, the Wilburs, to the farm next door. Phil, Abby, Andy and Tom Baker are learning how to relate to their new friends when they discover a mysterious crate hiding an ancient ruby ring which triggers strange activity on the Wilburs' farm. A trail of clues leads to two conflicting stories of strife in the Old West but it seems that the theft and aggression surrounding this ring haven't stayed in the past. When the safety of both families is threatened, it's up to the Bakers to figure out what is going on before it's too late.

*The Passage of the Ruby Ring* Jul 23 2022 Bain and Alana MacMillan with their five-year-old child, Catriona, left Scotland in 1738 aboard a ship bound for America, carrying with them very little other than their meager belongings. The one and only valuable possession they owned was a beautiful ruby ring handed down to Bain MacMillan from his mother. So many Scots were on the ship that day, and among them was Robert Wardlaw with his wife and children. Robert Wardlaw was hoping this journey would be a new beginning for his family. Robert carried his youngest son, William, in his arms while trying to keep a tight hold on his wife Jeanette and older son James as the ship was leaving the Scottish harbor heading to the American colonies, a trip that would take months. The passage of the ruby ring will stand the test of time through travel, hardship, wars, the span of two continents, and especially love. The ruby ring witnesses several of the most prodigious love stories that travel through the centuries! Enjoy the lives of the Scottish clans Wardlaw and MacMillan as their stories unfold in their new home, the American colonies. Learn about their hardships and trials and how they eventually called Abbeville, South Carolina, their home. Then travel with Kathryn Wardlaw Kensington centuries later when her journeys take her back in time through her family research, and along the way she meets the handsome history professor, Jonathan O'Conner.

**Secret of the Ruby Ring** Oct 14 2021

**The Ruby Ring** Mar 27 2020

**The Whispering Cove Kids Club** Jun 29 2020 This is a fictional story of a group of friends who live in a fictional town on the coast of South Carolina. They have known each other since they were small. They play together and belong to a lot of the same organizations and groups. All of them are Christians; some of them attended the same churches and within Whispering Cove. As a group they are avid swimmers and certified scuba divers. This story is based partly in fact as I, the author, at age eleven, lost my birthstone (ruby ring) after being told not to wear it in swimming by my mother. It now lies somewhere on the bottom of the Potomac River in Virginia, where we had our summer cottage at Fair View Beach, Virginia. I looked for it, but it was never found. I made this incident into a story that focuses on Amanda and a gift she receives from her mother on her birthday, a ruby ring. Her mother cautions her not to wear it swimming. And as fate would have it, one hot summer day, she forgets to take the ring off and loses it in the ocean. Her friends decide to help her find the ring. While searching for the ring, they meet and gain the friendship of a dolphin that they named Gigi. This is where the adventure begins.

**The Ruby Ring** Dec 04 2020 In most ways, Robert is a typical sixteen year old boy growing up in the small village medieval village of Masden. He attends school, goes fishing with friends, and increasingly, has been learning his father's trade as stable master. As the story begins though, he's frustrated because his father seems to demand so much more from him than his friends' fathers want from their sons. He studies longer and reads more than anyone else. Strangest of all, his father has been teaching him to read, write, and speak in the old tongue, the forbidden language spoken by the nobility. Late one night, his life is turned upside down. He's awakened by loud pounding on the door and is stunned when he pokes his head over the railing of the loft, to see armed soldiers in chain mail pouring into the living room. Suddenly, his father leaps out with his own sword, turning the house into a battle zone. After his father is killed, Robert and his mother flee for their lives. Later, she takes out an old wooden box, opens it, and hands him a heavy ruby ring. "This belonged to your father. Now, I suppose it's yours." Mixing magic, swordplay, and adventure, *The Ruby Ring - Casting The Die* is the first in a series that follows Robert's search for his true identity.

*The Ruby Ring, Or, The Murder at Sadler's Wells!* Oct 22 2019

**The Passage of the Ruby Ring** Jun 10 2021

**The Ruby Ring** Aug 12 2021 2014 National Indie Excellence Award Finalist. **THE BATTLE BEGINS.** The year is 1524. William Tyndale makes the fateful decision to produce an English Testament without Church permission. He knows that a vernacular scripture will free the common people from spiritual domination by a corrupt and ignorant clergy. If Tyndale is caught, he'll die at the stake. So will anyone found assisting him. Owen Alton, a London grocer's heir, catches Tyndale's vision. But if he helps Tyndale, he'll be disinherited and lose Jane Horne, the minor-knight's stepdaughter he loves. Jane has defied her family in her desire to wed Owen. If he now should leave her for Tyndale.... As if she didn't have enough troubles, Jane discovers the shocking secret behind her mother's ruby ring.

**The Secret of the Ruby Ring** Dec 28 2022 Lucy, a spoiled eleven-year-old, girl finds herself transported back in time to the Ireland of 1885.

**Seizing the Crown** Nov 22 2019 The first book of the Ruby Ring series, *Casting The Die*, tells the story of Robert, a sixteen year old boy from the village of Masden, who learns that the life he has been living has been a disguise. He wakes one night, to find that his home has been invaded

by soldiers, sent by Duke Henry to capture him and his father. During the ensuing battle, Robert's father is killed and his twin sister kidnapped. Robert and his mother escape and go into hiding in a cave beneath an old hill fort. Several days later, his friend Johnny Tuppence, along with his family, also escape to the cave, bringing food and other supplies. They talk, and Robert discovers that his father was far more than the stable master of Masden, and that his legacy for his son is a large ruby ring that glows mysteriously whenever Robert slips it onto his finger. Johnny's father, Albert, refuses to say more, instead sending him with Johnny to hike across country to the port of Waterton, where they meet with one of his father's old friends, Andrew Jameson. After a harrowing escape from Waterton, Jameson tells Robert that his father was actually Prince Gerald, son of the murdered king. When Robert refuses to believe him, Jameson has him put on the ring, which lights the room in a ruby glow. "It's the ring of kingship. It only glows when worn by the rightful King of Bonterra." Later, during one of his conversations with Johnny, Robert learns that Johnny's family has always been a part of the king's court, as wizards. Robert scoffs at the idea until Johnny provides examples of his strange 'voice.' The book ends with Robert forming a small group of followers, determined to restore his family to the throne. This book, *Seizing The Crown*, continues where the first leaves off. The book follows Robert and Johnny, as they work on enlisting allies in their cause. It also tells the story of his sister Marie, imprisoned in the duke's dungeon, and of the people she meets in her struggles to escape and join her brother. The first book introduces Frederick, Duke Henry's son, and the heir to his throne. Frederick becomes a major, and malevolent character in this book, and ultimately, he, Robert, and Marie battle for the throne of Bonterra. This is a story of adventure, swordplay, magic, intrigue, and betrayal. In the end, all of the characters are tarnished, and only one will claim the throne.

*The Ruby Ring* Mar 02 2023 From critically acclaimed historical novelist Diane Haeger comes *The Ruby Ring*, an unforgettable story of love, loss, and immortal genius . . . Rome, 1520. The Eternal City is in mourning. Raphael Sanzio, beloved painter and national hero, has died suddenly at the height of his fame. His body lies in state at the splendid marble Pantheon. At the nearby convent of Sant' Apollonia, a young woman comes to the Mother Superior, seeking refuge. She is Margherita Luti, a baker's daughter from a humble neighborhood on the Tiber, now an outcast from Roman society, persecuted by powerful enemies within the Vatican. Margherita was Raphael's beloved and appeared as the Madonna in many of his paintings. Theirs was a love for the ages. But now that Raphael is gone, the convent is her only hope of finding an honest and peaceful life. The Mother Superior agrees to admit Margherita to their order. But first, she must give up the ruby ring she wears on her left hand, the ring she had worn in Raphael's scandalous nude "engagement portrait." The ring has a storied past, and it must be returned to the Church or Margherita will be cast out into the streets. Behind the quiet walls of the convent, Margherita makes her decision . . . and remembers her life with Raphael—and the love and torment—embodied in that one precious jewel. In *The Ruby Ring*, Diane Haeger brings to life a love affair so passionate that it remains undimmed by time. Set in the sumptuous world of the Italian Renaissance, it's the story of the clergymen, artists, rakes, and noblemen who made Raphael and Margherita's world the most dynamic and decadent era in European history.

**The Ruby Ring; Comedy in One Act** Jan 05 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. **Sentinels of Peace** Jan 25 2020 For three thousand years, the Sentinels of Peace have been protectors of world peace. Four young heroes have been chosen to carry out the task Cooper, Solange, Koen, and Ori. Summoned to help save Emperor Hiroshi Ishikawa's empire from ruin, the four sentinels, each with unique and supernatural abilities, are tested and must work together to beat back the evil sorcerer Shinigami.

**The Ruby Ring, Etc** Oct 26 2022

*The Ruby Ring and the Black Knight* Jul 11 2021 When Bridget receives a box containing a chess-piece and a ruby ring, her life, along with the lives of her family, changes. A large sum of money to be disbursed to three appropriate recipients presents logistical and ethical questions. How absolute is the authority of the law when the lives of vulnerable victims are at stake? Should compassion be allowed to temper the force of the law? Oliver is a solicitor facing a crisis in his own life in which he questions his ingrained adherence to the law, when challenged by the dilemma of an innocent teenager. For Bridget, the inner world of the Spirit illumines and energises the material world from the vibrational level, she has come to believe, of a higher dimension. The law matters, but there is a higher spiritual reality which judges differently. What is the validity of a spirituality, however, in which the frame of reference does not embrace the grim realities of human existence, but rather dismisses them as part of the learning curve? Can she really judge the human condition on the basis of karma, or imagine she is more "evolved" than those experiencing, and bogged down in, the world's messiness? Both Oliver and Bridget are forced to review their priorities.

**Emma and the Ruby Ring** Mar 07 2021 A magic ring transports eleven-year-old Emma to nineteenth-century Ireland, where she and two young girls unravel a mystery at Moylough Castle.

*The Ruby Ring* Jan 17 2022 Excerpt from *The Ruby Ring: Comedy in One Act* I have just come back from Brussels. Ah, Br-r-ussels! It is even worse than ing her hands.) Ah, much worse! Much nicer!! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. *The Ruby Ring* Aug 24 2022 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1904 edition. Excerpt: ... CHAPTER XII A HAPPY CHANGE If anything, the fairies seemed even more lively and amusing the next day than hitherto. They petted Sybil in every way, and did not laugh at her at all. On the contrary. Moonshine--if that was still her name--I mean the fairy who had been the first to speak to her and who had seemed to take a special charge of her since her arrival, kept begging her to rest if she felt at all tired, and told the others that she would not allow them to tease her pretty baby in any way. "You know, sweet child," she said coaxingly, "you can't expect to become one of us entirely all at once. It takes a little time to get quite out of earthways." And as she said this, Sybil, who was very much on the alert since overhearing the conversation the night before, saw her give a glance at the ruby ring--a glauce of irritation, even though the gem was turned inside, so that it could not hurt Moonshine's eyes, as she had complained of. "Yes," said Sybil, "I suppose it does," but she did not repeat to the fairy what she had already told her--that she did not want to forget her old life. "I can't help growing a little tired and sleepy by night," she went on. "I suppose if I were a real fairy I should never feel like that." "Of course not," was the reply. "Not but that we like a little rest now and then, but not for nearly half our time, like you poor mortals," and she laughed. "But you will be all right soon, and in the meantime sleep as much as you like. You shall go to bed this evening even earlier than last night." "Yes," said Sybil, "I should like to." She knew quite well the fairy's real motive for proposing this, but it suited her own plans too. In her dreams the night before, some verses she had once learnt had returned to her memory: ...

**Martha and the Ruby Ring** Mar 19 2022 "Martha goes to her first dance, and is bitterly disappointed. When she discovers that the ruby ring she received on her birthday can grant wishes, she makes hers - to go to a truly magnificent ball. The wish is granted but she finds herself back in the Ireland of May 1798."--Back cover.

**RUBY RING COMEDY IN 1 ACT** May 09 2021

**THE CHEAP RUBY RING** Feb 24 2020 Mrs. Coleman's husband, an engineer, has been missing for several days. Abigail Coleman asks Jacob Lawdon to find him. Though Lawdon, a PI in San Diego, usually doesn't track down missing husbands, he takes on the case because he's short of money. It turns out that not only Coleman, but also his secretary, Olivia Jackson, and her daughter, Emma, are missing. Before Lawdon comes across Coleman in a boathouse, which belongs to Mr. Jackson, Olivia's husband, he's knocked down by Jackson's gamekeeper, Taylor Moore. Coleman then tells Lawdon that he has an affair with Emma and that he's looking for Emma who'd run away after a quarrel. Though Lawdon has found Coleman, he keeps on looking for Olivia Jackson and her daughter. This leads him into a rehab center where Emma was treated for alcohol abuse, and to Mrs. Young whose son Mike is Emma's friend. By and by he finds out that all those people have a secret in common which dates back more than twenty years. Finally one of them dies a violent death. Jacob Lawdon is a great admirer of Philipp Marlow. Like him he's a PI and like him he tries to stick to a strict code of ethics, but fails from time to time. Though he sometimes is quite cynical and hardboiled, he's full of sympathy and compassion. He's both tough and sensitive. He tries to act with integrity, but he's witty and good with words. He does everything to find out the truth though he knows that often all attempts are in vain. He prefers tea to hard drinks, but pretends to prefer hard drinks to tea. He's not keen on money, though he's always short of money. And last but not least he tries to be honest with the reader.

**The Ruby Ring** Dec 24 2019 The year is 1524. William Tyndale makes the fateful decision to produce an English Testament without Church permission. He knows that a vernacular scripture will free the common people from spiritual domination by a corrupt and ignorant clergy. If Tyndale is caught, he'll die at the stake. So will anyone assisting him. Owen Alton, a London grocer's heir, catches Tyndale's vision but if he helps Tyndale, he'll be disinherited and lose Jane Horne, the minor-knight's stepdaughter he loves. **The ruby ring** Sep 25 2022

**The Ruby Ring** Feb 18 2022 Rubies are one of the world's most expensive gems; a large ruby is rarer than a diamond of comparable size. Because of their rarity rubies are often an essential part among the jewels of royal families. This book is the story of one of those rare rubies, set in a silver ring and surrounded by a circle of diamonds. We are introduced to this ring in the fifteenth century Spanish court of Ferdinand and Isabella. During the following four centuries the ring was on a journey that traversed many families, several nations and five wars. The reader will follow the ring through the passage of time and meet the people who shared in its story. Each of the twelve chapters is a short story involving new characters but each story is tied to the previous one by the ruby. The existence of this ruby ring is taken from a legend about Katharine of Aragon, the first wife of King Henry VIII. It is said she wore a ruby that lost its deep radiance and turned dull the day before her husband announced he was divorcing her. Aside from legends and fictional characters all the historical references in this book are factual, including Katharine herself.

**Rebecca's Ruby Ring** May 29 2020 Rebecca loves to sing and dance. One day on her way to school she finds a very special ring and is transported to a magical realm where The Rainbow Rune Master and Griffin the Little Green Dragon live. Rebecca's Ruby Ring is a yellow book in the Rainbow Rune Series.

**The Quest of the Ruby Ring** Sep 13 2021 Annoyed by criticism that she is self-centered, Emma resolved to think of others. She wants to be of real help to someone, to make a difference in their lives. Can the ruby ring, which she finds in cousin Lucy's bedroom, help her? It can-but it bring
