LOUISE PENTLAND (SprinkleofGlitter) 'I almost cried with laughter' DAILY MAIL 'Life doesn't get much better than a new Sophie Kinsella novel' RED 'Hilarious . . . you'll laugh and gasp on every page' JENNY COLGAN The #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* returns with a festive Shopaholic adventure filled with holiday cheer and unexpected gifts. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're

moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic “Funny, charming, and the perfect read to get into the holiday spirit.”—PopSugar “Kinsella’s popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour.”—Publishers Weekly For once in Becky Bloomwood's life, things are going smoothly. She's got the dream job as a personal shopper (spending other people's money - and getting paid for it). She's got a fabulous Manhattan apartment with her boyfriend Luke. They've even opened a joint bank account (although they can't quite agree on whether a Miu Miu skirt counts as a household expense). Then Luke proposes - and all of a sudden life gets hectic. Becky's mum in rural Surrey wants one thing, Luke's mother in

New York wants the complete opposite. Becky knows she has to sit down and decide - but to be honest, it's a lot more fun testing cake, trying on dresses and registering wedding presents. But time's ticking by, plans are being made both sides of the Atlantic and soon she realizes she's in trouble... finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* It’s been almost two years since Effie’s beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she’s become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They’ve sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand “house-cooling” party, Effie is originally left off the guest list—and then receives a last-minute “anti-invitation” (maybe it’s because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren’t just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who’s still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she

really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future. readers.”—Kirkus For Rebecca Bloomwood, life is peachy. She has a job on morning TV, her bank manager is actually being nice to her, and when it comes to spending money, her new motto is Buy Only What You Need - and she's really (sort of) sticking to it. The icing on the brioche is that she's been offered a chance to work in New York. New York! The Museum of Modern Art! The Guggenheim! The Metropolitan Opera House! And Becky does mean to go to them all. Honestly. It's just that it seems silly not to check out a few other famous places first. Like Saks. And Bloomingdales. And Barneys. But his old schoolfriend Gerard has lent them a luxury villa in Spain - perfect. Both families arrive at the villa and get a shock: Gerard has double-booked. An uneasy week of sharing begins, and tensions soon mount in the soaring heat. But there's also a secret history between the families - and as tempers fray, an old passion begins to

resurface... Workaholic attorney Samantha Sweeting has just done the unthinkable. She's made a mistake so huge, it'll wreck any chance of a partnership. Going into utter meltdown, she walks out of her London office, gets on a train, and ends up in the middle of nowhere. Asking for directions at a big, beautiful house, she's mistaken for an interviewee and finds herself being offered a job as housekeeper. Her employers have no idea they've hired a lawyer—and Samantha has no idea how to work the oven. She can't sew on a button, bake a potato, or get the #@%# ironing board to open. How she takes a deep breath and begins to cope—and finds love—is a story as delicious as the bread she learns to bake. But will her old life ever catch up with her? And if it does...will she want it back? Fleur is beautiful, unscrupulous, and has a large wardrobe of black designer suits. With the help of The Times announcements page she gatecrashes the funerals and memorial services of the wealthy, preying on rich, vulnerable men. She charms her way into their lives and onto their platinum credit cards, takes what she can, and then moves swiftly on. When Richard, a dull but wealthy businessman, meets Fleur at his wife's memorial service, he's bowled over. Gradually Fleur works her spell on Richard's family - transforming their lives while she moves in on their wealth. But she finds herself lingering longer than she meant to ... It's all gone wrong with the man Lottie thought was Mr Right. Then out of the blue she gets a call from her first love. She decides it must be Fate, and rushes off to marry him and rekindle their sizzling Greek island romance. Lottie's older sister can't believe she's doing something

Katie Brenner has the perfect life: a flat in London, a glamorous job, and a super-cool Instagram feed. OK, so the truth is that she rents a tiny room with no space for a wardrobe, has a hideous commute to a lowly admin job, and the life she shares on Instagram isn't really hers. But one day her dreams are bound to come true, aren't they? Until her not-so-perfect life comes crashing down when her mega-successful boss Demeter gives her the sack. All Katie's hopes are shattered. She has to move home to Somerset, where she helps her dad with his new glamping business. Then Demeter and her family book in for a holiday, and Katie sees her chance. But should she get revenge on the woman who ruined her dreams - or try to get her job back? Does Demeter - the woman who has everything - actually have such an idyllic life herself? Maybe they have more in common than it seems. And what's wrong with not-so-perfect, anyway?
