Plato's 'Republic': An Introduction Apr 05 2021 It is an excellent book – highly intelligent, interesting and original. Expressing high philosophy in a readable form without trivialising it is a very difficult task and McAleer manages the task admirably. Plato is, yet again, intensely topical in the chaotic and confused world in which we are now living. Philip Allott, Professor Emeritus of International Public Law at Cambridge University This book is a lucid and accessible companion to Plato's Republic, throwing light upon the text's arguments and main themes, placing them in the wider context of the text's structure. In its illumination of the philosophical ideas underpinning the work, it provides readers with an understanding and appreciation of the complexity and literary artistry of Plato's Republic. McAleer not only unpacks the key overarching questions of the text – What is justice? And Is a just life happier than an unjust life? – but also highlights some fascinating, overlooked passages which contribute to our understanding of Plato's philosophical thought. Plato's 'Republic': An Introduction offers a rigorous and thought-provoking analysis of the text, helping readers navigate one of the world's most influential works of philosophy and political theory. With its approachable tone and clear presentation, it constitutes a welcome contribution to the field, and will be an indispensable resource for philosophy students and teachers, as well as general readers new to, or returning to, the text.

The Republic May 06 2021 The newest deluxe edition in the bestselling

Capstone Classics Series This ancient classic has had a make-over. In recent years these Capstone Classic deluxe editions have caught the book buying public's imagination. The volumes of international bestsellers such as *Think and Grow Rich* and *The Art of War* have quickly become the market leaders. Now Plato's best known work, one of the most intellectually and historically influential works of philosophy and political theory, has been brought to life in this luxury, hardback, keep-sake edition. This edition includes: Plato's plans for a perfect society characterised by a blend of wisdom, courage, self-discipline and justice Lessons to learn about living according to eternal truths, instead of existing simply for survival and pleasure A new introduction by Tom Butler Bowdon, the classic personal development expert

The Key Texts of Political Philosophy Jan 14 2022 This book introduces readers to analytical interpretation of seminal writings and thinkers in the history of political thought, including Socrates, Plato, Aristotle, the Bible, Thomas Aquinas, Machiavelli, Bacon, Hobbes, Locke, Montesquieu, Rousseau, Tocqueville, Marx, and Nietzsche. Chronologically arranged, each chapter in the book is devoted to the work of a single thinker. The selected texts together engage with 2000 years of debate on fundamental questions, which include: What is the purpose of political life? What is the good life, for us as individuals, and for us as a political community? What is justice? What is a right? Do human beings have rights? What kinds of human virtues are there and which regimes best promote them? The difficulty of accessing the texts included in this volume is the result not only of their subtlety but also of the dramatic change in everyday life. The authors shed light on the texts' vocabulary and complexities of thought and help students understand and weigh the various interpretations of each philosopher's thought. • Accessible interpretive essays on the greatest texts in the history of political thought, from Plato to Nietzsche. • Includes key passage plus a succinct discussion that glosses the text, examines later-day interpretations, and guides students in forming their own interpretations. • Allows students to learn from, rather

than only about, each thinker, and to apply their thought to the present day.

Four (The Republic Book 2) Oct 31 2020 One night. A second chance. The perfect match he never saw coming... On the outside, Mayr seems to have it all: a successful career as Head of the Guard for a prominent politician, family and friends who rely on him, and the attention of beautiful lovers. But appearances are a good way to bury secrets, including mistakes he can never fix and a broken heart that never seems to heal, forever searching for the one person to share his life with. When his last girlfriend takes him back and suggests an intimate night together with Tash, one of her lovers, Mayr reluctantly agrees. The last thing he expects is to fall hard for Tash, who is nothing like Mayr's previous lovers... and much too difficult to forget. Tash is a secretive priest with deep, dark truths connected to a past he will never completely outrun. He keeps romance at a distance, knowing it can destroy him. Except with Mayr in his life, love might just ignore all the rules and push his limits. But when Tash undertakes the Uldana Trials, love may ruin them both. If Tash fails, he'll likely die. If he succeeds, he must give up Mayr and break both their hearts...

Republic Oct 19 2019 "The Republic" deals with almost the whole range of Plato's thought, but is particularly concerned with what makes a well-balanced society and individual. It combines argument with myth to advocate a life organized by reason rather than dominated by pleasures and appetites.

Objective History of ENGLISH LITERATURE Mar 24 2020 Objective History Of English Literature (UGC-NET/SLET, TGT, & PGT) is a reference book that helps students prepare for competitive exams in English Literature like the National Eligibility Test (NET), State Level Eligibility Test (SLET), Trained Graduate Teacher (TGT), and Post Graduate Teacher (PGT). This book contains a series of multiple-choice

questions (30 Practice SET) on different ages, literary genres, and socio-political and literary movements. A large number of the sections in this book focus on broad literary genres, the specific sub-genres under them, and then provide a list of the most well-known writers in that genre from various eras. That is a useful exercise for a literature student, to have such diverse writers from different places and times compared and contrasted

A Question of Counsel (The Republic Book 1) Jun 26 2020 Life hasn't been easy for Aeley since she arrested her brother, and her role as a political leader leaves her feeling isolated and lonely. Days before her brother's trial, she meets Lira, a quiet and modest scribe who makes Aeley want more than just a professional relationship. When she attends the trial and leaves with a marriage contract, Aeley doesn't know what to do. She must choose one of two brothers, marrying into a family she doesn't know. Then she discovers that Lira is part of the same family—a sister to Aeley's suitors and the family's disgrace. And not at all opposed to an intimate relationship. Except random acts of violence against her people test Aeley's ability as a leader, and a web of lies and deceit threaten not only her chance at happiness, but her life...

Political Knowledge in the Czech Republic Aug 09 2021 The book examines the origins, nature, and impact of different facets of political knowledge in the Czech Republic between 1967 and 2014. The central argument presented in this book is that evaluating citizens on the basis of objective, or factual, knowledge alone makes little sense. What citizens know about politics comes from a variety of sources that are complementary. This is the first detailed study of how much Czechs know about politics, and why it matters. Here are some of the key findings of this book. There are many forms of political knowledge. Citizens make decisions using different forms of political knowledge. Czechs knowledge of politics has remained constant over time. How people answer knowledge questions in surveys matters. Political knowledge is shaped by personality traits. Factual knowledge is linked with forecasting social change, but is not always linked with making correct voting. Experts with high levels of knowledge do not agree on what is a correct answer.

Killing for the Republic May 26 2020 A sweeping political and cultural history, Killing for the Republic closes with a compelling argument in favor of resurrecting the citizen-soldier ideal in modern America.

A Companion to Plato's Republic Feb 21 2020 A step by step, passage by passage analysis of the complete Republic. White shows how the argument of the book is articulated, the important interconnections among its elements, and the coherent and carefully developed train of thought which motivates its complex philosophical reasoning. In his extensive introduction, White describes Plato's aims, introduces the argument, and discusses the major philosophical and ethical theories embodied in the

Republic. He then summarizes each of its ten books and provides substantial explanatory and interpretive notes.

The Gated Republic Sep 22 2022 Seventy years since it became a republic, India has come a long way. But it is still failing on some key fronts. Piped drinking water for all continues to be a pipe dream; homes and businesses are haunted by power outages; the lack of proper primary health care renders the poorest more vulnerable; millions of children coming out of schools lack rudimentary skills; and the security of lives and enterprises, a source of great anxiety, depends on private contractors. Indians are seceding from dependence on the government for these most basic of services and are investing in the pay-and-plug economy. They have internalized the incapacity of the state to deliver these and are opting for private providers despite the costs. But can India sustain private republics amidst public failures in a landscape scarred by social and economic fault lines? What are the possible solutions? Can government reinvent itself? *The Gated Republic* presents an interrogative view of the history and future of private India.

The War in Bosnia Apr 24 2020 Boston, November 5, 1995 The war in Bosnia and Herzegovina is an unheard-of tragedy. Before the eyes of the entire world, a state is being destroyed, and the people (population) of a nation are suffering the genocide and ethnic cleansing. All the principles of humanity, morals, and international rules have been trampled. The question most often asked is, how could that happen today when the genocide committed during World War II is so well known (the Holocaust) and when the international community had the will and the means to protect the Republic of Bosnia and Herzegovina? The international community has shown that it is not the enemy of the Republic of Bosnia and Herzegovina and that it accepts this state into its membership when it recognized the Republic of Bosnia and Herzegovina on April 7, 1992. With that act, the international community stood up against the Serbian nationalism, which only started to bloody its hands in Bosnia and Herzegovina. So how come that in the fall of 1995, after the innumerable atrocities committed by the Serbs revolted the world, the international community crossed over to the side of the war criminals, giving them 49 percent of Bosnia and Herzegovina with its Dayton peace proposals? Who was the mastermind who succeeded to change the world

opinion and what methods did he use? This book answers some of those questions. The reading of this book has to be approached with having faith in no one but a common sense. Besides that, from the reader who comprehends what is truly happening in Bosnia, it is expected that he/she spreads the truth. The ultimate goal is to help in the fight against the forces of betrayal and the division of Bosnia and Herzegovina. Wishing to arm the Bosnian patriots as soon as possible with the knowledge of what is really happening, this book is being written in a hurry. I still hope that this book will reach Bosnians and friends of Republic of Bosnia and Herzegovina all over the world before it is too late and while it is still possible to say no to the division of a member of the United Nations.

The Management of Enterprises in the People's Republic of China Mar 04 2021 The Management of Enterprises in the People's Republic of China aims to contribute to the knowledge base of management within the Chinese context. The book begins with a mapping of research on management in PRC, and offers theoretical insights for cross-context, institutional, and behavioral studies. It then reports the results of fourteen empirical studies of management issues in the PRC firms. The issues studied include SOE transformation, globalization, governance, employment relationships, managerial networks, corporate culture and leadership. Also included are studies on the knowledge management process and management team characteristics of high technology firms. The methods of study include large-scale surveys, case studies, and interviews. The contributors are international experts in Chinese management research. Finally, we offer executive perspectives on several successful firms operating in China through interviews with their CEOs.

The English Wars and Republic, 1637–1660 Dec 25 2022 The English Civil Wars explores the period of turmoil in British history from 1637 and the latter part of the reign of Charles I, to the restoration with Charles II in 1660. The religious and political crises surrounding the Civil Wars,

and the key personalities of Charles I and Oliver Cromwell are discussed in detail. The book combines narrative, interpretations, source material, questions and worked answers.

Blood Borne (The Republic Book 3) Nov 19 2019 For Ressa, survival is a complicated nightmare. Caught between two masters on different sides of the law, his life is falling apart one bad decision at a time. All he wants is to be a good person, a loyal family man, and a successful metalsmith—a dream he can never obtain while he works for the Shar-denn, the violent gang that plagues the republic of Kattal. To make matters worse, he works as an informant for the High Council. He scrapes through both jobs waiting for his last breath. As the Shar-denn motto says: the only way out is dead. No stranger to living complicated decisions, Adren is caught between worlds of his own. As the child of a Shar-denn faction boss, his life is a conflicted tangle of expectation and duty. When his family is arrested, Adren manages to escape, but nowhere is safe. Desperate and on the run, Adren is determined to punish Ressa for turning in his family. No one who betrays the gang can live. Ressa must pay the price, even if Adren has to go against everything he is.

Rubicon May 18 2022 A vivid historical account of the social world of Rome as it moved from republic to empire. In 49 B.C., the seven hundred fifth year since the founding of Rome, Julius Caesar crossed a small border river called the Rubicon and plunged Rome into cataclysmic civil war. Tom Holland's enthralling account tells the story of Caesar's generation, witness to the twilight of the Republic and its bloody transformation into an empire. From Cicero, Spartacus, and Brutus, to Cleopatra, Virgil, and Augustus, here are some of the most legendary figures in history brought thrillingly to life. Combining verve and freshness with scrupulous scholarship, Rubicon is not only an engrossing history of this pivotal era but a uniquely resonant portrait of a great civilization in all its extremes of self-sacrifice and rivalry, decadence and catastrophe, intrigue, war, and world-shaking ambition.

Soulbound (The Republic Book 4) Dec 01 2020 In a relationship that violates rules and expectations, Mayr and Tash have found their perfect match in each other. Despite their fears and difficult pasts, they hope for a shared future with security and a family. When Mayr's secret first love, Arieve, proposes they create that family with her, it seems dreams could become reality. But life is complicated, and so is the delicate balance between duty and love. While Mayr protects the Dahe family at all costs, Tash is determined to succeed as a priest. Both positions require sacrifice, forcing their relationship into painful choices. To make matters worse, criminals lurk in the shadows, seeking revenge on them and those they guard. The life they want risks losing everything—including Arieve and each other. Even if they can have it all, keeping it may take more than they can give.
