The Society Dec 14 2021 "The dark romance of this story is spell-binding," --Fantasy Girl on Dark Watcher "I highly recommend this series for any fans of William Gibson, Lost Girl or the Angel/Buffy-verse."--Pajiba.com on Saint City Sinners Will she be the Society's salvation . . . or its downfall? The black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone--until he meets Rowan. When Rowan Price stumbles across Delgado's team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive--because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend. The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there's a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . . The Damnation Affair Aug 30 2020 The West is a wild place, where the poison wind blows and the

dead walk. But there is gold, and whiskey, and enough room for a man to forget what he once was--until he no longer can. Jack Gabriel's been the sheriff in Damnation almost since the town grew out of the dust and the mud. He keeps the peace--sort of--and rides the circuit every dawn and dusk with the chartermage, making sure the wilderness doesn't seep into their fragile attempt at civilization. Away from the cities clinging to the New World's eastern rim, he doesn't remember what he was. At least, not much. But Damnation is growing, and along comes a schoolmarm. Catherine Barrowe is a right proper Boston miss, and it's a mystery why she would choose this town where everything scandalous and dangerous is probably too much for a quality lady like her. Sometimes the sheriff wonders why she came out West--because everyone who does is running from something. He doesn't realize Cat may be prickly, delicate, and proper, but she is also determined. She's in Damnation to find her wayward older brother Robbie, whose letters were full of dark hints about gold, trouble...and something about a claim. In a West where charm and charter live alongside clockwork and cold steel, where hot lead kills your enemy but it takes a blessing to make his corpse stay down, Cat will keep digging until she finds her brother. If Jack knew what she was after, he could solve the mystery--because he was the one who killed Robbie. The thing is, Cat's brother just won't stay dead, and the undead are rising with him... The Count of Monte Cristo Dec 02 2020 Ê On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon Ê from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Ê Pharaon, has been built, rigged, and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Ê Pharaon Ê towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague inquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

Spiritual Direction from Dante, Volume 2: Ascending Mount Purgatory Jan 03 2021 Join Father Paul Pearson of the Oratory as he guides you on a spiritual journey through one of the great classics of Christian literature, Dante's Purgatorio. Purgatory is the least understood of the three possible "destinations" when we die (though unlike heaven or hell it is not an eternal one) and is mysterious to many Christians and even to many Catholics today. As he did in his first volume in the Spiritual Direction from Dante trilogy, *Avoiding the Inferno*, Father Pearson adroitly draws out the great spiritual insights hidden in *The Divine Comedy*. Learn how and why: Dante's presentation of Purgatory is something beautifully hopeful. Freedom is the dominant theme here and the rejoicing of captives delivered from their prisons the dominant tone. Purgatory is filled with good people, people well on their way to becoming saints. They are increasingly concerned for one another and generous, the more so the higher on the mountain they climb. They are interested in one another's well-being and rejoice in one another's victories as though they were their own. The sufferings on Mount Purgatory are not something that happens to the souls there; they happen for them. This has all been designed for their benefit, and they are grateful to God for making it possible. Purgatory is God's merciful plan for allowing us to rediscover the joy and freedom of being human, the joy for which we were created but which sin has smothered and distorted. This is what we can be. This is what we can begin to be, even now, if only we will separate ourselves from sin. What are we waiting for? Join Father Pearson in *Ascending Mount Purgatory*.
