**Lemon-Aid New Cars and Trucks 2012** Nov 27 2022 Phil Edmonston, Canada's automotive "Dr. Phil," pulls no punches. He says there's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases, and free auto maintenance programs. In this all-new guide he says: Audis are beautiful to behold but hell to own (biodegradable transmissions, "rodent snack" wiring, and mind-boggling depreciation) Many 2011-12 automobiles have "chin-to-chest head restraints, blinding dash reflections, and dash gauges that can't be seen in sunlight, not to mention painful wind-tunnel roar if the rear windows are opened while underway) Ethanol and hybrid fuel-saving

**Go Father, Go Daughter** Aug 25 2022 For a large portion of the road racing community, qualifying to run in the Boston Marathon represents a significant achievement. Actually running in the Boston Marathon itself is a thrill that the recreational runner remembers for a lifetime. *Go Father, Go Daughter: One Family's Pursuit of The World's Greatest Foot Race* is the story of a middle-aged man who was inspired by his adult daughter to take up distance running. Together they set a long-term goal of achieving the Boston qualifying standards, and running together in the race. Even though both have strong athletic backgrounds, when the daughter falls twenty-four minutes short of qualifying on her first attempt, it becomes obvious that this goal is not going to be easily achieved. Readers will enjoy this memoir recalling the long journey that eventually led Pat Fahy and his daughter Emmie to Copley Square in Boston on April 20, 2009. Along the way, they drew on the love and support of an extended family that travelled along with them to share their ultimate moment.

*Management Methods from the Mafia* Jan 18 2022 Written by a former organized crime prosecutor, now a criminal justice professor, "Management Methods From The Mafia" is intended to inspire creative leadership alternatives by recounting the techniques employed by thirty notorious mobsters of the past. Intended primarily for future law enforcement administrators, its concepts are also applicable to other organizational fields where innovative management procedures are long overdue.

What better vehicle to carry the message of creative and efficient organizational management than the study of the successful entrepreneurs of infamous national crime syndicates? *Management Methods From The Mafia* is an attempt to encourage exploration of these radical approaches to the organizational challenges facing government and industry in the twenty-first century. There may be three distinct types of readers that this book might appeal to: those interested in organizational management and leadership seeking new inspiration, those who find encouragement in the fact that something positive can be found even at the deepest levels of evil in our society's history, and finally, those who are merely fascinated with the lives of the most notorious gangsters of the Twentieth Century. The strategies and philosophies that the author has assigned to each of the characters in this book are based upon the conclusions that he has drawn from their biographies and accomplishments in real life. He has attempted to represent both genders and numerous ethnic groups in his selection. Perhaps readers will draw differing conclusions and find inspiration in areas which he has not anticipated from reading about the experiences of these historical villains.

Rescuing Tara Jul 24 2022 It took an extraordinary effort by police task forces in Australia and America to take down an international child pornography ring. But Rescuing Tara is so much more

than bringing some truly reprehensible men - one of whom was "Tara's" own father - to justice. Rescuing Tara is the story of how dedicated police officers on opposite sides of the world used the paedophile ring's own playroom - cyberspace itself - along with good old-fashioned investigative work in their search for a young girl whose real name they didn't know; whose location was a mystery; and whose fate was unknown. Welcome to Crime Shots - short, sharp, true crime stories from Australia's past and present.
