The Chateau Jul 28 2020 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Intuitive Archery - The Art of Not Standing in Your Own Way Oct 19 2019 Intuitive archery depends extremely on the art to not stand in your own way. It is not the one and only technique to hit a target, nor is it the perfect arrow or bow. It's more the archer's ability to keep repeating his shooting performance again and again in the same way. And at the same time he must train his intuition, which tells him how far the target is away and in which angle he has to hold his bow. Therefore archery is a very difficult matter - small causes have big impacts. This book addresses the advanced archer, who already knows how to hold a bow, tense a string and shoot and who has a basic idea about the equipment. It provides him means to train his intuition and helps to understand why he hits or not. The author discovered his love for intuitive archery in 2006. He combines different techniques from meditation and autogenous training with archery. He is sharing his experience and expertise in individual coachings and on his youtube-channel with likeminded people.

Excessive Expectations Sep 22 2022 In the first full-length economic history of pre-Confederation Nova Scotia, Julian Gwyn challenges the popular myth that the British colony prospered before it became a province of Canada. Through his discussion of three periods in Nova Scotia's development (1740-1815, 1815-53, and 1853-70) and four themes (regionalism, imports and the standard of living, reciprocity, and the balance of payments) he shows that the colony's pre-Confederation economy was anything but glorious. Gwyn argues that Nova Scotia's economy suffered from numerous disadvantages and had few strengths. The 1755 deportation of Acadians destroyed a flourishing agriculture, and the limited extent of arable soil inhibited continuous, interconnected settlement: the colony's regions remained sparsely connected even at Confederation. During the generation it took agriculture to recover from the Deportation, lumber came to provide both an export in its own right and the basis for shipping and shipbuilding. However, thanks in part to the colonial assembly's neglect, the availability of ships did not lead to a prosperous fishing industry. Throughout the period under study, Nova Scotia remained very vulnerable to shifts in the North Atlantic economy and to changes in Britain's military spending and its relations with Nova Scotia's American and Canadian neighbours. British industrialization, changing patterns of trade with the West Indies, and the advent of steamships all challenged Nova Scotia's natural resource sectors and its shipping and shipbuilding, and Confederation necessitated yet another reorientation. While some sectors of the economy displayed real expansion during the early nineteenth century, Gwyn finds that overall the growth was "extensive" rather than "intensive" - it merely kept pace with expanding population, providing no base for the often-predicted glowing economic future. Excessive Expectations sheds light on the current economic problems faced by the Maritimes and will be of great interest to anyone seeking to understand the historical background of this part of the Atlantic's economy.

The Poetry of Religious Sorrow in Early Modern England May 18 2022 In early modern England, religious sorrow was seen as a form of spiritual dialogue between the soul and God, expressing how divine grace operates at the level of human emotion. Through close readings of both Protestant and Catholic poetry, Kuchar explains how the discourses of 'devout melancholy' helped generate some of the most engaging religious verse of the period. From Robert Southwell to John Milton, from Aemilia Lanyer to John Donne, the language of 'holy mourning' informed how poets represented the most intimate and enigmatic aspects of faith as lived experience. In turn, 'holy mourning' served as a way of registering some of the most pressing theological issues of the day. By tracing poetic representations of religious sorrow from Crashaw's devotional verse to Shakespeare's weeping kings, Kuchar expands our understanding of the interconnections between poetry, theology and emotion in post-Reformation England.

House of Kwa Apr 17 2022 Wild Swans meets Educated in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthrals like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

Radar Instruction Manual Jan 26 2023 Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies.Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools.It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed.

The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook.This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation.Robert J.
