The Chateau Jun 30 2020 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Those Sweet Words Mar 27 2020 Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?

The Secrets He Kept Aug 01 2020 'will have you gripped from start to finish, so much so that you really don't want to stop reading!' Highland Protector Jan 06 2021 A fugitive woman finds refuge in the arms of a Highland warrior in this historical Scottish romance by the New York Times–bestselling author. Scotland, 1479. When her dagger is found buried in the body of one of the king's men, there is little room for doubt—the perpetrator must pay with her life. But IIsabeth Murray Armstrong is no killer, and only one person can help clear her name: Sir Simon Innes, a man so steely and cool that no danger can rattle him . . . and no woman in distress can sway his heart. Until now. Simon has spent his life searching for truth in a world fraught with deception. But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. For all signs point to IIsabeth's guilt, except one—the unparalleled desire he feels at her slightest touch.

Chasing Zero (An Agent Zero Spy Thriller—Book #9) Dec 17 2021 “You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel.” --Roberto Mattos, Books and Movie Reviews CHASING ZERO is book #9 in the #1 bestselling AGENT ZERO series, which begins with AGENT ZERO (Book #1), a free download with nearly 300 five-star reviews. Protecting His Witch Mar 08 2021 The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the

How to Worry Less About Money May 29 2020 Our relationship with money is one that lasts a lifetime, yet traditionally books on the subject tend to take one of two routes: a) how to get more, or b) how to deal with less. John Armstrong turns these approaches upside down, and looks not at money itself, but at how we relate to it and the meaning we attach to it. How does it drive us and frighten us? Can it change the world for the better? And how much do we actually need? Offering surprising and helpful new insights, this book will encourage you to redefine your feelings about money, and ultimately enable you to discover what is really important to you in life. One in the new series of books from The School of Life, launched May 2012: How to Stay Sane by Philippa Perry How to Find Fulfilling Work by Roman Krznaric How to Worry Less About Money by John Armstrong How to Change the World by John-Paul Flintoff How to Thrive in the Digital Age by Tom Chatfield How to Think More About Sex by Alain de Botton

Reawakening Jan 18 2022 "I'm not a piece of property that you can just claim, Romaric." Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places...the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she's finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. "Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that." Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he's put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve?

Crimson Elite Sep 13 2021 LIMITED TIME BOX SET RELEASE! Welcome to Crimson Elite, the most exclusive sex club in the world. Enter at your own risk, and always remember our number one rule— You must never speak of Crimson Elite—the punishment is severe. BOOK 1 (CAVALIER) Creed ‘Too Hot for Words’ Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He’s as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it’s the most magical thing I’ve ever experienced. And I’m sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea ‘F*cks With My Head’ Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it’s my work. Not one of them has managed to get their claws into me the way she does. It’s as if she’s seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can’t work, it won’t work. Not in my world. BOOK 2 (ANGUISHED) It wasn’t meant to be this way—she shouldn’t have fallen for my brother and left me for him. But she did. And now I’m left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I’m a pushover? Do they think of me as a joke? The old saying stands true, ‘Why have enemies when you can have family.’ I understand it now, better than I ever have in my life. There’s one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She’s exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them.

The Calculus of Variations and Functional Analysis Jun 22 2022 This volume is aimed at those who are concerned about Chinese medicine - how it works, what its current state is and, most important, how to make full use of it. The audience therefore includes clinicians who want to serve their patients better and patients who are eager to supplement their own conventional treatment. The authors of the book belong to three different fields, modern medicine, Chinese medicine and pharmacology. They provide information from their areas of expertise and concern, attempting to make it comprehensive for users. The approach is macroscopic and philosophical; readers convinced of the philosophy are to seek specific assistance.

Refashioning Nature Oct 27 2022 We live in a society as dominated by food preference as by sexual preference, as obsessed with eating too much as with eating too little. In this accessible, cross-disciplinary text, David Goodman and Michael Redclift look at the development of the modern food system, integrating different bodies of knowledge and debate concerning food, agriculture, the environment and the household. They link changes in our diet and concern with the environment to many of the problems afflicting developing countries: food shortages, poor nutrition and wholesale environmental destruction.

Psychology and Social Problems (Psychology Revivals) Mar 20 2022 First published in 1964, Psychology and Social Problems looks at a changing society and research into problems of the time. Many of the themes in the book, such as delinquency, mental health and racial conflict, are still familiar and current topics of discussion today. Social scientists had carried out extensive research into problems of urgent public concern, yet their findings were not widely known or understood and they had often been diffident in advocating policies based on their conclusions. Michael Argyle discussed the recent psychological and social research bearing on the origins of aggression, delinquency, mental disorder, racial and international prejudice, and industrial discontent; he went on to

consider the implications of these studies for prevention and control and for the guidance of social change. This sophisticated and well-documented critique is presented with such lucidity and verve that it will appeal equally to laymen and to students and professional workers and can now be enjoyed in its historical context.

Crazy Over You Oct 15 2021 She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

Autumn in Scotland May 10 2021 Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary Scottish castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Holden's Resurrection Sep 01 2020 Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance. Military Aspects of Hydrogeology Feb 16 2022 This book contains 20 papers from authors in the UK, USA, Germany and Austria. Historically, it gives examples of the influence of groundwater on battlefield tactics and fortress construction; describes how groundwater was developed for water supply and overcome as an obstacle to military engineering and cross-country vehicular movement by both sides in World Wars I and II; and culminates with examples of the application of hydrogeology to site boreholes in recent conflicts, notably in Afghanistan. Examples of current research described include hydrological model development; the impact of variations in soil moisture on explosive threat detection and cross-country vehicle mobility; contamination arising from defence sites and its remediation; privatization of water supplies; and the equitable allocation of resources derived from an international transboundary aquifer.

The Perfect Disguise (A Jessie Hunt Psychological Suspense Thriller—Book Ten) Nov 03 2020 “A masterpiece of thriller and mystery. Stories in Stone Nov 27 2022 In a series of entertaining essays, geoscientist Jelle Zeilinga de Boer describes how early settlers discovered and exploited Connecticut's natural resources. Their successes as well as failures form the very basis of the state's history: Chatham's gold played a role in the acquisition of its Charter, and Middletown's lead helped the colony gain its freedom during the Revolution. Fertile soils in the Central Valley fueled the state's development into an agricultural power house, and iron ores discovered in the western highlands helped trigger its manufacturing eminence. The Statue of Liberty, a quintessential symbol of America, rests on Connecticut's Stony Creek granite. Geology not only shaped the state's physical landscape, but also provided an economic base and played a cultural role by inspiring folklore, paintings, and poems. Illuminated by 50 illustrations and 12 color plates, Stories in Stone describes the marvel of Connecticut's geologic diversity and also recounts the impact of past climates, earthquakes, and meteorites on the lives of the people who made Connecticut their home.

Blood Memory Apr 08 2021 Targeted for assassination after doing a story on an attempt by the Arapaho and Cheyenne tribes to file a claim on their ancestral lands, Denver reporter Catherine McLeod uncovers a conspiracy involving her ex-husband's wealthy family

and state politicians.

Code Name: Rook Aug 13 2021 Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.
