With an introduction by Harvard professor and author Maya Jasanoff. Taking its title from a work by the surrealist painter, Giorgio de Chirico, The Enigma of Arrival tells the story of a young Indian from the Caribbean arriving in post-imperial England and consciously, over many years, finding himself as a writer. It is the story of a journey, from one place to another, from the British colony of Trinidad to the ancient countryside of England, and from one state of mind to another, and is perhaps V. S. Naipaul's most autobiographical work. Finding depth and pathos in the smallest moments Naipaul also comprehends the bigger picture - watching as the old world is lost to the gradual but permanent changes wrought on the English landscape. It is a moving and beautiful novel told with great dignity, compassion, and candour. The unforgettable Margaret of Ashbury returns in the second book of this historical medieval trilogy Margaret, a resourceful midwife, is living with the insufferable relatives of her third husband, Gilbert de Vilers, known as Gregory. Together the trio plan to rescue Gregory and bring him back to London, where he and Margaret can start a new life away from his meddling family. Margaret will not only need her special gift of healing, her quick mind, and her independent spirit but the loyalty of her friends and the love of her new husband to carry them all safely home. In Pursuit of the Green Lion, the second novel in The Margaret of Ashbury Trilogy, is perfect for fans of Ariana Franklin, Andrew Caldecott and Susanna Clarke. 'Fascinating and factual... If all chronicles of earthly life were recorded with such drama, flair, and wit, the world would be full of history majors' Los Angeles Times 'Arresting and absorbing... rich with the ambience and flavor of the Middle Ages... a fourteenth-century story told with a twentieth-century sensibility' The New York Times Book Review WHEN THE DEVIL MEETS AN ANGEL Country bred Lucy Craddock-Hayes is content with***
