A digital-culture expert who writes for The New York Times Magazine discusses the logic, aesthetics, cultural potential and societal impact of the Internet, a medium that favors speed, accuracy, wit, prolificacy and versatility." The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest

continuing LGBT publication in the United States. A pioneering exploration of form, meaning, theme and function in African American slang, illustrated with thousands of contextual examples. This book profiles eighteen of our funniest elections, from 1828, the first election in which all states had electors, to the election from hell in 2000. The book also includes chapters on Watergate and impeachment, and a gallery of official photographs. This book constitutes the refereed proceedings of the 8th International Conference of the CLEF Initiative, CLEF 2017, held in Dublin, Ireland, in September 2017. The 7 full papers and 9 short papers presented together with 6 best of the labs papers were carefully reviewed and selected from 38 submissions. In addition, this volume contains the results of 10 benchmarking labs reporting their year long activities in overview talks and lab sessions. The papers address all aspects of information access in any modality and language and cover a broad range of topics in the field of multilingual and multimodal information access evaluation. The Mirror of Laughter presents a theory of humor and laughter by examining their relationship to human behaviors. Kozintsev is especially interested in the relationship between biological and cultural factors that influence behaviors. He divides his work into four chapters, the first of which establishes a theme of the book, focusing on the study of meaning from the perspective of philosophy and psychology, while examining linguistic theories of humor. The second chapter examines biological data regarding laughter and the evolutionary origins of laughter and humor. It demonstrates the author's interest in studying humor objectively by detailing physiological reactions and underlying psychological issues. The third section on play, including linguistic play, distinguishes between orderly and disorderly play. While orderly play has no biological roots and is synonymous with culture, disorderly play is rooted in the pre-human past. The final chapter discusses the conflict between culture and nature and how culture has transformed the original semantics of laughter. Kozintsev seeks to understand the relationship between the biological, cultural, and social origins of humor and, from here, he seeks to create new understanding that only the alliance of several disciplines could provide. All of this is done while the author challenges many popular ideas of humor, such as that humor is inherently related to hostility. Originally written in Russian, this work makes great strides towards its goal, and it does so in an interesting and enlightening way. Never before has a monologue book been written completely by people who are actually funny for a living. This incredibly hysterical, cutting-edge collection of monologues will give an actress the extra bang she needs to land the perfect comedic role. Women's Comedic Monologues features 60 monologues by writers and comics who have written for or performed on Chelsea Lately, Carson Daly, The Tonight Show, Last Comic Standing, Comedy Central Stage, and many more. This book is the answer to the comedic monologue needs of female actors everywhere! "The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades, and the time seems ripe for a broadly-conceived work that assesses the current state of the field, offers examples of work in that field, and suggests directions for further study. This Handbook includes a wide range of topics organized under several broad themes, including biblical characters and themes in popular culture; the Bible in popular cultural genres; "lived" examples; and a concluding section in which we take stock of methodologies like Reception History and the impact of the field on teaching and publishing. These topics are all addressed by focusing on specific examples from film, television, comics, music, literature, video games, science fiction, material culture, museums, and theme parks, to name a few. This book represents a major contribution to the field by some of its leading practitioners, and will be a key resource for the future development of the study of Bible and American popular culture"-- Producing Women examines the ways femininity is produced through new media. Michele White considers how women are constructed, produce themselves as subjects, form vital production cultures on sites like Etsy, and deploy technological processes to reshape their identities and digital characteristics. She studies the means through which women market traditional female roles, are viewed, and produce and restructure their gendered, raced, eroticized, and sexual identities. Incorporating a range of examples across numerous forms of media—including trash the dress wedding photography, Internet how-to instructions about zombie walk brides, nail polish blogging, DIY crafting, and reborn doll production—Producing Women elucidates women's production cultures online, and the ways that individuals can critically study and engage with these practices. Not all original works invoke the encore impulse in their audiences. Those that do generally spawn replications - sequels, spin-offs, or re-makes. This book presents a theory of why some replications succeed and others fail across genres and media. Kathryn (Kit) Jennings is a single 30-something living in Toronto with her BFF, Mel Melrose. Kit has completely given up on love and finding Mr. Right and has decided that "Sex with the Single Ex" is the only way to live that will protect her heart from being broken again. In a sequence of events, Kits finds herself in possession of three engagement rings, all with marriage proposals attached. While Mel is amassing exquisite bouquets and handbags, Kit is accruing a mess of men. Marc, the construction guy, who adores Kits from the first time he sees her. Derek, the investment banker, who sweeps Kit off her feet just to break her heart then wants her back. Rob, the bike courier, who sleeps with every eligible woman on his courier route while supposedly dating Kit exclusively, and Kevin, the up and coming rock star, who'd like to get to know Kit better before she runs off and marries someone else. Kit believes the life she's living would be funny, if it wasn't her life. Born in New York City to Puerto Rican immigrant parents, Lin-Manuel Miranda's creativity was influenced by the vibrant city. He began writing his first musical while he was in college and has since gone on to win a Pulitzer Prize, two Grammys, an Emmy, three Tonys, and many other accolades. He is possibly the best-known name in modern theater. This book is very much about what the name urbanTick literally says, about the ticking of the urban, the urban as we experience it everyday on the bus, in the park or between buildings. It is about the big orchestrated mass migration of commuters, the seasonal blossoms of the trees along the walkway and the frequency of the stamping rubbish-eater-trucks. It is also, not to forget, about climate, infrastructure, opening hours, term times, parking meters, time tables, growing shadows and moon light. But most of all it is about how all this is experienced by citizens on a daily basis and how they navigate within this complex structure of patterns. The content of this book is based on the content of the urbanTick blog between 2008-2010. One year blogging about this topic brought together a large collection of different aspects and thoughts. It is not at all a conclusive view, the opposite might be the case, it is an exploratory work in progress, while trying to capture as many facets of the topic as possible. Collects more than thirty true stories about amazing people, accidents, inventions, rulers, weapons, and tragedies. What if society wasn't fundamentally rational, but was motivated by insanity? This thought sets Jon Ronson on an utterly compelling adventure into the world of madness. Along the way, Jon meets psychopaths, those whose lives have been touched by madness and those whose job it is to diagnose it, including the influential psychologist who developed the Psychopath Test, from whom Jon learns the art of psychopath-spotting. A skill which seemingly reveals that madness could indeed be at the heart of everything . . . Combining Jon Ronson's trademark humour, charm and investigative incision, The Psychopath Test is both entertaining and honest, unearthing dangerous truths and asking serious questions about how we define normality in a world where we are increasingly judged by our maddest edges. An updated, repackaged edition of the bestselling divination tool and party favorite - ask a yes or no question, open the book, find your answer - with more than a million copies in print. Should you ask your boss for a raise? Call that cutie you met at a party? Sell your Google stock? Tell your best friend her boyfriend's cheating? The answer to these questions (and hundreds of others) is in this fun and weirdly wise little book that's impossible to put down. It's simple to use: just hold it closed in your hands and concentrate on your question for a few seconds. While visualizing or speaking your question, place one palm down on the book's front and stroke the edge of the pages back to front. When you sense the time is right, open to the page your fingers landed on and there is your answer! Fun, satisfying, and a lot less time-consuming than asking everyone you know for advice. Over 1 million copies in print! The magazine that helps career moms balance their personal and professional lives. An illustrated gift book that brings to life the universal parenting experience of saying strange and hilarious things to one's kids. As the father of five boys (all under age 10), graphic designer Nathan Ripperger has found himself saying some rather funny, absurd, and downright bizarre things to his children, from "Stop riding that penguin, we're leaving" to "I am NOT talking to you until you are wearing underwear." He created poster-like images for each and posted them online. The response from other parents was overwhelming. With Things I've Said to My Children, Ripperger has assembled around 80 of the funniest, weirdest, and most amusing sayings and paired them with full-color, designed images that bring these outrageously hysterical quotes to life. Covering the essential parenting topics like food, animals, don'ts, and of course, bodily functions, Things I've Said to My Children is a light-hearted illustrated reminder of the shared absurdity of parenthood. Especially for those parents who've ever found themselves uttering some variation of the line, "Please don't eat the goldfish crackers you've put in your butt." An honest, sharp-witted, practical guide to help you get and keep the job you want—from an outsider whose been there and done it, a woman who went from being a broke, divorced, college dropout to running some of the biggest websites in the world. Jennifer Romolini started her career as an awkward twenty-seven-year-old misfit, navigated her way through New York media and became a boss—an editor-in-chief, an editorial director, and a vice president—all within little more than a decade. Her book, Weird In A World That's Not, asserts that being outside-the-norm and achieving real, high-level success are not mutually exclusive, even if the perception of the business world often seems otherwise, even if it seems like only office-politicking extroverts are set up for reward. Part career memoir, part real-world guide, Weird in a World That's Not offers relatable advice on how to achieve your dreams, even when the odds seem stacked against you. Romolini helps you face down your fears, find a career that's right for you, and get and keep a job. She tackles practical issues and offers empathetic, clear-cut answers to important questions: How do I navigate the awkwardness of networking? How do I deal with intense office politics? How do I leave my crappy job? How do I learn how to be a boss not just a #boss? And, most importantly: How do I do all this and stay true to who I really am? Authentic, funny, and moving, Weird in a World That's Not will help you tap into your inner tenacity and find your path, no matter how offbeat you are. Alberta, Canada Why Loyalty Matters provides compelling insight into how our loyalties, large and small, lay the foundation for our happiness, and determine the kind of world we live in. Businesses across the country are suffering in today's rocky economic times, and Why Loyalty Matters offers a convincing call for revolutionary change in the way we view and conduct our professional and personal lives. Renowned loyalty experts Timothy Keiningham and Lerzan Aksoy combine their own groundbreaking research with the leading thinking in philosophy, sociology, psychology, economics and management to provide breakthrough insight into the role that loyalty can and should play in our lives, at home and at work. The book presents evidence that loyalty is the prescription to the emptiness we feel in our lives, and to the increasing fragmentation we see in our communities through countless failing businesses. Why Loyalty Matters offers a comprehensive guide to understanding what loyalty is, what it isn't and how to unlock its power. Examining the role of loyalty in all aspects of our lives, Why Loyalty Matters offers a new and potentially life-changing way to understand our innate need for loyalty, as well as our ability to sustain loyal relationships throughout our lives. Why Loyalty Matters is both a powerful contribution to the science of loyalty research, and a gift to all those who lament the decline in loyalty we witness all around us and seek to build the foundation for lasting fulfillment. Alaska Thunderfuck spills the tea on her meteoric rise from timid Pennsylvania kid to drag superstar in this intimate photographic memoir that will appeal to diehard Alaska admirers and broader drag fans alike. Before RuPaul's Drag Race became a worldwide phenomenon, Drag was mostly an underground art form, performed by the daring and the quick-witted, with maximum energy and a minimal budget. This is the story of one of the galaxy's greatest queens, Alaska Thunderfuck 5000, as she transforms from wearing

dresses made of trash bags because she has to, to wearing dresses made of trash bags because she wants to. Finally coming clean on her home planet (earth), this dishy, visual memoir tells the stories that shaped Alaska into an All Star: from prom king to the House of Haunt, to the very public breakup that almost destroyed her. Intimate and alluring with exclusive photography throughout, and illustrations by the author, My Name's Yours, What's Alaska? is the ultimate backstage pass. UNIQUE & PERSONAL: Chronicling Alaska's journey from small-town kid to drag superstar, this memoir stands out for its emotional resonance, distinct humor, and unapologetic realness. Filled with compelling personal stories told in Alaska's unique voice, it gives fans an exclusive look at Justin Honard the person, not just Alaska Thunderfuck the drag queen. LGBTQIA+ REPRESENTATION: LGBTQIA+ consumers will see their experiences and passions reflected in Alaska's authenticity and openness about her childhood struggles, and will be excited by a drag memoir that celebrates the whole story of queerness, not just the sassy, shady highlights. GREAT GIFT FOR FANS OF RUPAUL'S DRAG RACE: Behind the scenes stories of Alaska's journey to RuPaul's Drag Race fame, alongside full-color photography of Alaska's iconic trash-glam looks throughout her career, will deliver the exclusive content fans crave. Perfect for: • Diehard drag fans • Fans of Alaska Thunderfuck, RuPaul, Michelle Visage, Trixie Mattel, Bianca del Rio, Sharon Needles, Magnus Hastings, Cherri Baum, Veruca, and more • RuPaul's Drag Race enthusiasts who want to deep dive into a famous queen's rise to stardom Are you looking for a great way to increase your website traffic? Are all traffic sources treated equally by search engines? If you are looking for the answers to these questions and the perfect how-to approach, this book is for you. A marathon dance mix consisting of thousands of mashed up text and image samples, In the House of the Hangman tries to give a taste of what life is like there, where it is impolite to speak of the noose. It is the third part of the life project Zeitgeist Spam. If you can't afford a copy ask me for a pdf. How to make customers feel good about doing what you want Learn how companies make us feel good about doing what they want. Approaching persuasive design from the dark side, this book melds psychology, marketing, and design concepts to show why we're susceptible to certain persuasive techniques. Packed with examples from every nook and cranny of the web, it provides easily digestible and applicable patterns for putting these design techniques to work. Organized by the seven deadly sins, it includes: Pride — use social proof to position your product in line with your visitors' values Sloth — build a path of least resistance that leads users where you want them to go Gluttony — escalate customers' commitment and use loss aversion to keep them there Anger — understand the power of metaphysical arguments and anonymity Envy — create a culture of status around your product and feed aspirational desires Lust — turn desire into commitment by using emotion to defeat rational behavior Greed — keep customers engaged by reinforcing the behaviors you desire Now you too can leverage human fallibility to create powerful persuasive interfaces that people will love to use — but will you use your new knowledge for good or evil? I was having a very bad day, just taking a break, checking my e-mail, and this little window popped up, saying "hello" My first response was, "who are you and what do you want?" She said her name was Fabiola, but her friends call her Ann, and she just wants a friend. It took us five years of talking on line before I went down there to see her. We talked on yahoo quick chat for the longest time. After spending one week with her, I could not stand being with out her. I returned to Lima, Peru, South America in Jan. of 2006. I love my wife very much. This is my story, some of the things I did, and seen while I was there.
