Dive into six full-length urban fantasy novels by USA Today and national bestselling authors! Escape into tales of shifters and sorceresses, gamers and bakers, demons and artifact hunters, plus one very mischievous Norse god. Full of adventure, mystery, romance, and plenty of snark, these novels will immerse you in magical worlds while you turn pages far into the night. Huntress Born by Aimee Easterling - Werewolf and baker Ember leaves her pack to hunt for her missing half brother. But with danger growing on all sides, it's only a matter of time before she gets burned. By an author described as a "good choice for Patricia Briggs fans." Beyond the Veil by Pippa DaCosta - Half-demon and half-human, Muse tried to lead an ordinary life. But when an underworld assassin comes after her, she must embrace her powers—and make a formidable deal with the Prince of Greed. Justice Calling by Annie Bellet - Between hiding out from her evil ex-boyfriend who wants to steal her power and keeping her friends safe from dangerous magics, Jade Crow has all the problems. For fans of The Dresden Files and the Iron Druid, this is a nerdy urban fantasy full of snark and fireballs. Getting Wilde by Jenn Stark - Tarot-reading artifact hunter Sara Wilde can find anything, for a price. Then a wickedly sexy magician offers her the ultimate challenge: Sneak behind Vatican walls...and steal the Devil himself. Globe-trotting, fast-paced, high-stakes adventure perfect for fans of Darynda Jones, Faith Hunter, and Ilona Andrews! Wolves by C. Gockel - When Amy prays for help, Loki the Norse God of mischief and Chaos isn't the savior she has in mind. Loki can't resist Amy's summons, but he can insist that she help him outwit Odin, ruler of the Nine Realms. The start of an epic urban fantasy with myth, magic, and mayhem! Empowered: Agent by Dale Ivan Smith - The world says those possessing superpowers are either heroes or villains. But what if you're both? Former rogue empowered Mathilda Brandt must return to villainy in order to save her family and thousands of others from a psychotic criminal mastermind. Whether featuring tattooed demon hunters, angst-y vampires, supernatural gumshoes, or pixelated pixies, Urban Fantasy mashes up old-school tales with pop culture, creating iconic characters, diverging moralities, and complex settings. Urban fantasy is finally showcased in this star-studded collection, representing all three of its distinct styles, including the playful new mythologies of Charles de Lint, the sexy paranormal romances of Patricia Briggs, and the gritty urban noir of Neil Gaiman. Acclaimed by critics and readers on its first publication in 1987, winner of the Locus Award for Best First Novel, Emma Bull's War for the Oaks is one of the novels that has defined modern urban fantasy. Eddi McCandry sings rock and roll. But her boyfriend just dumped her, her band just broke up, and life could hardly be worse. Then, walking home through downtown Minneapolis on a dark night, she finds herself drafted into an invisible war between the faerie folk. Now, more than her own survival is at risk—and her own preferences, musical and personal, are very much beside the point. By turns tough and lyrical, fabulous and down-to-earth, War for the Oaks is a fantasy novel that's as much about this world as about the other one. It's about real love and loyalty, about real music and musicians, about false glamour and true art. It will change the way you hear and see your own daily life. At the Publisher's request,

this title is being sold without Digital Rights Management Software (DRM) applied. In this thrilling collection of original stories some of today's hottest paranormal authors delight, thrill, and captivate readers with otherworldly tales of magic and mischief. In Jim Butcher's "Curses" Harry Dresden investigates how to lift a curse laid by the Fair Folk on the Chicago Cubs. In Patricia Briggs' "Fairy Gifts," a vampire is called home by magic to save the Fae who freed him from a dark curse. In Melissa Marr's "Guns for the Dead," the newly dead Frankie Lee seeks a job in the afterlife on the wrong side of the law. In Holly Black's "Noble Rot," a dying rock star discovers that the young woman who brings him food every day has some strange appetites of her own. Featuring original stories from 20 authors, *Naked City*, edited by the award-winning Ellen Datlow, is a dark, captivating, fabulous and fantastical collection that's sure to have readers coming back for more. Fantasy is a creation of the Enlightenment, and the recognition that excitement and wonder can be found in imagining impossible things. From the ghost stories of the Gothic to the zombies and vampires of twenty-first-century popular literature, from Mrs Radcliffe to Ms Rowling, the fantastic has been popular with readers. Since Tolkien and his many imitators, however, it has become a major publishing phenomenon. In this volume, critics and authors of fantasy look at its history since the Enlightenment, introduce readers to some of the different codes for the reading and understanding of fantasy, and examine some of the many varieties and subgenres of fantasy; from magical realism at the more literary end of the genre, to paranormal romance at the more popular end. The book is edited by the same pair who produced *The Cambridge Companion to Science Fiction* (winner of a Hugo Award in 2005). The first three volumes in the New York Times bestselling *The Fallen* series is available as an eBook boxed set. Join the ultimate quest for redemption. The son of a mortal and an angel, Aaron has been chosen to redeem the Fallen. But as war rages between Heaven and Hell, evil powers gain strength at every turn. Aaron must harness the incredible force within him if he's going to save himself and the girl he loves—let alone the entire world. And Aaron is out to prove that what doesn't kill you makes you stronger. This eBook boxed set chronicles Aaron's quest for redemption and includes *The Fallen 1*, *The Fallen 2*, and *The Fallen 3*. My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly voluble, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying. The first book in the critically acclaimed *Obsidian* and *Blood*

trilogy: Year One-Knife, Tenochtitlan the capital of the Aztecs. Human sacrifice and the magic of the living blood are the only things keeping the sun in the sky and the earth fertile. A Priestess disappears from an empty room drenched in blood. It should be a usual investigation for Acatl, High Priest of the Dead--except that his estranged brother is involved, and the the more he digs, the deeper he is drawn into the political and magical intrigues of noblemen, soldiers, and priests--and of the gods themselves... **REVIEWS:** 'gripping mystery steeped in blood and ancient Aztec magic. I was enthralled.' — Sean Williams 'An Aztec priest of the dead tries to solve a murder mystery, and finds that politics may be even more powerful than magic. A vivid portrayal of an interesting culture in a truly fresh fantasy novel.' — Kevin J. Anderson 'Amid the mud and maize of the Mexica empire, Aliette de Bodard has composed a riveting story of murder, magic and sibling rivalry.' — Elizabeth Bear 'The world-building is exquisite and we *believe* we are transported to the 15th century Tenochtitlan and together with the superb voice they formed the main reason I enjoyed this book so much... Highly recommended... Ms. de Bodard is a writer to watch.' — Fantasy Book Critic

Always have an ace up your sleeve. Broken Mirrors, Book 1 If con games were taught in high school, Spencer Crain would be on the honor roll. As it is, he'll be riding the edge of failure to graduation next month. Then Spence gets the news that his long-gone father is not only dead, but was a Coyote, one of three clans of tricksters in the City. With a near-catatonic mother on his hands, Spence couldn't care less about the Coyotes' ongoing feud with the Phouka and the Kitsune-until it lands on his doorstep. Suddenly he's thrown headfirst into a dangerous world he knows next-to-nothing about. His only guide is Rourke, dashing King of the Phouka, plus a growing pack of half-siblings, a god, and Fate herself. As Spence embarks on a journey to learn the Coyote's creed, the truth about his heritage, and how to handle his growing attraction to Rourke, he wonders when his life turned from TV sitcom to real-life danger zone. And what price must he pay to survive the next roll of the dice... **Warning:** Contains PG-13 rated violence, R-rated language and X-rated hotel scenes. Meta-humor, pop-culture humor, utter disregard for the 4th wall abound. I watched in horror as dark magic sprang from my hand faster than an imp after your socks. I didn't know my name, let alone that I had such power. The man was dead. I panicked. I ran. How was I to know I was a dark magic enforcer, tasked with keeping magic hidden from the world? Yeah, total noob move, I know. But my memory is returning, and the Hidden have given me twenty-four hours to make amends. Cover it up. Finish the job I was given, or else. Failure isn't an option. Well, it is, but I like me, and I like being alive. The clock is ticking as I battle to make things right and exact revenge on those that took so much from me. Easier said than done as I deal with angry mages, bitey zombies, oversexed imps, creepy necromancers, and grumpy trolls—and those are just my friends!—all while trying to stop myself falling in love with my best friend, Kate, who just so happens to be a hot vampire. I'm Faz Pound, a.k.a. Black Spark, Dark Magic Enforcer, and time is running out. At least I have my looks. For now. Night Sanchez walks the darkest road of all. As the Apocalypse closes in and the world breaks under the strain, can she stop the destruction? Months after Night becomes one with the Angel of Death, she has barely begun to understand her transformation. Her found family doesn't trust the new Night. But she needs them more than ever once the fourth Horseman rises. When the Angel of Death reveals his catastrophic endgame, only Night stands between the world and his apocalyptic fire, but even she doesn't have the power to defeat him. Night's heart might hold the key to victory—but only if she's willing to surrender her soul... 'Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James'

TELEGRAPH BOUND BY BLOOD. TEMPTED BY DESIRE. UNLEASHED BY DESTINY. Bryce Quinlan loves her life. Every night is a party, and Bryce is going to savour all the pleasures Lunathion – also known as Crescent City – has to offer. But when a brutal murder shakes the very foundations of the city, Bryce's world comes crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs – but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom – and the power of love. "I will embrace my darkness if it means spilling your blood." Samira finally gave up the one thing she vowed to keep forever, the Kiss of Eternal Night, in hopes of saving her one true love. But

fate had something else in store for her, and the Kiss was replaced by something far more dangerous. If she's not careful, it will take her to a place she can't come back from. But Samira won't let this new curse pull her away from her only desire. Kill Korin, the vampire who nearly destroyed her and took everything she's ever loved. She's willing to give up everything to accomplish her goal, even if it means crossing over to the other side. Because sometimes it takes the dead to kill the living. Readers LOVE this dark and exciting world full of shifters, vampires, and witches. If you like Charlaine Harris, Patricia Briggs, Shayne Silvers or K.F. Breene, you'll enjoy this new series. Scroll up and grab this gritty urban fantasy TODAY! An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of The Last Magician and Serpent & Dove, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule. Sookie Stackhouse is a small-time cocktail waitress in small-town Louisiana. She's quiet, keeps to herself, and doesn't get out much - not because she's not pretty - she's a very cute bubbly blonde - or not interested in a social life. She really is... but Sookie's got a bit of a disability. She can read minds. And that doesn't make her too dateable. And then along comes Bill: he's tall, he's dark and he's handsome - and Sookie can't 'hear' a word he's thinking. He's exactly the type of guy she's been waiting all her life for. But Bill has a disability of his own: he's fussy about his food, he doesn't like suntans and he's never around during the day... Yep, Bill's a vampire. Worse than that, he hangs with a seriously creepy crowd, with a reputation for trouble - of the murderous kind. And then one of Sookie's colleagues at the bar is killed, and it's beginning to look like Sookie might be the next victim... Read by Johanna Parker "The dragon's blood that saved her had one little unforeseen consequence—it turned her into a vampire. Leslie always wanted to be number one at something, and the Readers' Cruise was her chance to make a big splash into the romance writing world. Until she fell into the Atlantic Ocean. With her life hanging in the balance, it would take a miracle to save her from death's icy grip. That miracle is Alistair McLeod, a handsome dragon-shifter, who shouldn't exist. But now she's counted among the living dead. Marked and hungry, Leslie awakens as an unwilling vampire and a new member to the Order—the supernatural security force for a secret society of the shadow world. Danger, intrigue, and murder are her new reality. And when women end up drained, their bodies mangled by a vampire's bite, Leslie is the Order's top suspect. These murders threaten everything the Order stands for, which means the Order now threatens her. To save her life, Leslie must now embrace her magical destiny—or fall victim to a deadly menace. The Order of the Dragon series is best enjoyed when read in reading order. 1. Zero Hour: Prequel 2. Once Bitten 3. Twice as High 4. Three Little Words " An uncommon magic. MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . A class clown forced to lead the fight. A powerful girl who will do anything to belong. To save his city and his friends, Rude Davies must prevent a demon from rising. Rude is everyone's friend, the life of the party with uncanny luck, but only because no one has discovered his secret. He is a faery seer's apprentice, training to enforce magical law, and magic is the only true family he has. When a troubled girl asks him for help, he realizes too late that she—and her supernatural emergency—are way out of his league... With the boss missing and allies abandoning the fight, it's on Rude to organize the resistance as Hell arrives on earth. Before time runs out, he must face his own demons or risk becoming one himself... In this sequel to the Nebula Award-nominated and Tiptree Award Honor Book that New York Times bestselling author Seanan McGuire called "exciting, inventive, and brilliantly plotted," Millie unwillingly returns to the Arcadia Project when an impossible and deadly situation pulls her back in. Four months ago, Millie left the Arcadia Project after losing her partner Teo to the lethal magic of an Unseelie fey countess. Now, in a final visit to the scene of the crime, Millie and her former boss Caryl encounter Teo's tormented ghost. But there's one problem: according to Caryl, ghosts don't exist. Millie has a new life, a stressful job, and no time to get pulled back into the Project, but she agrees to tell her side of the ghost story to the agents from the Project's National Headquarters. During her visit though,

tragedy strikes when one of the agents is gruesomely murdered in a way only Caryl could have achieved. Millie knows Caryl is innocent, but the only way to save her from the Project's severe, off-the-books justice is to find the mysterious culprits that can only be seen when they want to be seen. Millie must solve the mystery not only to save Caryl, but also to foil an insidious, arcane terrorist plot that would leave two worlds in ruins. The war has begun. The Dragons are gaining power, and the Gray Clan stands alone. Desperate to find a way to stop the Pendragon, Emilia is forced to seek answers from someone who hasn't been seen in seventeen years... Her mother. Embarking on a magical journey filled with witches, wizards, centaurs and a dangerous and powerful Siren, Jacob and Emilia must take a leap of faith to a land neither could have ever imagined ... and hope they can find their way home. Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.

Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. You won't be able to put down this epic story once you start.” - Julalicious Book Paradise “From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between the main characters feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won't want to put it down.” - Love Book Triangle “From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon “From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” – Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year.” – Valerie from Stuck In Books “From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits All magic has a price, and I'm paying it. My actions have attracted the kind of attention I've tried my whole life to avoid. Now a dangerous vampire shows up at my house, uninvited, with an offer I can't refuse. He claims to have information on my mother, someone I've long believed to be dead. But his price for that information means agreeing to work with him to discover the reason behind the NWR's attack. I find myself getting drawn further and further into his games that risk all my secrets. When my future goes up in flames, literally, that's only the beginning. Maybelle has gone missing, and Patrick hasn't been himself lately. All the ghosts from my past (some I didn't even know about) are here to haunt me, and I'm quickly learning that I can't run from everything, no matter how hard I try. Witch's Bite a complete series -Borrowed Magic -Price of Magic - Blood Magic -Forbidden Magic My name is Maia Hickson, and fire seems to follow me everywhere I go. It took my parents, it took my foster home (good riddance), and now I was on my own again. No big deal, I like it better that way anyway. Nothing important ever seems to happen to me, but after more than twenty years on hiatus, my favourite punk band is finally releasing a new album. They're not touring and I've got just enough cash to get me to New York. Seems like fate, right? With her best friend trying to come to terms with being a newly minted vampire, and her boss pressuring her to take a management position at the coffee shop, not to mention the approach of her boyfriend's new album release party, Ophelia Turner has enough on her plate right now... and she definitely doesn't have time to deal with anything else, but she might not have a choice. Moonlight Burns is a standalone Urban Fantasy novel featuring witchcraft, ancient witches and a healthy dose of attitude. Follow the misadventures of Ophelia Turner and her friends with the Daughters of Hecate. *DAUGHTERS OF HECATE SERIES* PROLOGUE ~ Witchmark BOOK 1 ~ Sticks & Stones BOOK 2 ~ Moonlight Burns BOOK 3 ~ Power of Three COMPANION NOVELLA ~ Vampire Punk BOOK 4 ~ Haven BOOK 5 ~ Sands of Time Supernatural superhero Rachel Morgan must counter a strange magic that could spell civil war for the Hollows in this sexy and bewitching urban fantasy adventure in acclaimed New York Times bestselling author Kim Harrison's Hollows series. Witch and day-walking demon Rachel

Morgan has managed to save the demonic ever after from shrinking, but at a high cost. Now, strange magic is attacking Cincinnati and the Hollows, causing spells to backfire or go horribly wrong, and the truce between the races, between Inderlander and human, is shattering. Rachel must stop this dark necromancy before the undead vampire masters who keep the rest of the undead under control are lost and all-out supernatural war breaks out. Rachel knows of only one weapon to ensure the peace: ancient elven wild magic, which carries its own perils. And no one knows better than Rachel that no good deed goes unpunished . . . Being a vampire isn't all it's cracked up to be. Am I really supposed to just wait tables and sling beer to punk kids for the rest of eternity? I don't think so. Considering it wasn't my idea to end up immortal in the first place, this is definitely not the spooey life I had planned for myself. I'm tired of being told what to do by people who don't know what the hell they're doing either and it's obviously time that I took matters into my own hands. I need to get the hell out of this city and figure out what I'm supposed to be doing for the rest of eternity. Lacey Duncan didn't ask to be a vampire, and when it comes to being immortal, it's not surprising that she's feeling a little unprepared, and maybe even a little abandoned. It's not easy having a punk rock superstar for a mentor. Ophelia Turner is settling back into her own life, and with the added bonus (?) of having a new witch to train, she's also been given control of Haven, the coffee shop she's been working at for the last five years. Feeling more than a little left out, Lacey is determined to find her own path, and maybe even sort out her own place in the world. If that means leaving New York for a little while? So be it. The only problem? Finding a new mentor isn't like swiping left, and sometimes, the price of admission is too high. Power of Three is the third installment in the Daughters of Hecate series featuring witchcraft, ancient witches, a few vampires, and a healthy dose of attitude. Follow the misadventures of Ophelia Turner and her friends with the Daughters of Hecate. *DAUGHTERS OF HECATE SERIES* PROLOGUE ~ Witchmark BOOK 1 ~ Sticks & Stones BOOK 2 ~ Moonlight Burns BOOK 3 ~ Power of Three COMPANION NOVELLA ~ Vampire Punk BOOK 5 ~ Haven BOOK 6 ~ Sands of Time A little bit of magic is a dangerous thing. This collection includes the first three novels in the thrilling Urban Fantasy series MIST RIDERS. LUNA (Book 1) Being born a witch has always been just a detail from my past, you know, like summer camp, or the time Timmy ate a bug, but now, thanks to one very pushy Immortal, a handful of mutant shifters, a psycho named Chaos and a nice guy (I think) named Emmet, my magic's become a real pain in my ass. San Diego was a totally chill choice for college, until this whole moon-cycle madness was thrown in my lap (more like shoved in my face) and now I'm bumbling with basic spells, crash studying to go from zero to fierce in a matter of days. Only problem with this test is that it's graded pass/fail where failure is death. I wouldn't wish magic on anyone. It attracts all the wrong entities, the kind you can't run from, the kind who always find you, the kind who know your dark secrets even before you do. WINTER (Book 2) When her ex-boyfriend goes missing, Luna will stop at nothing to find him—even if it means teaming with a Shadow Warrior, something she vowed never to do again. Desperate to know the truth, she must conspire with friend and foe alike to uncover a scheme that threatens not just the life of her ex-boyfriend, but promises to unleash Horror, a being so cataclysmic that all life as we know it hangs in the balance. From the Deep Down to the Sacred Vault and in every dark place between, Luna Mae goes on her wildest adventure yet, traveling farther than she ever thought she could, seeking out a lost friend while trying not to lose herself along the way. SILVER DUST (Book 3) When she returns home for Easter break to spend time with Gram, the mystery of her past draws Luna to an eccentric seer who reveals a secret that spins her life out of control. Before she can get answers from the Lord of the Demon Hounds, a series of attacks with a deadly silver dust threaten the lives of all magic kind including those she holds dearest. Battling through her darkest journeys yet, enduring clashes with Winter, Chaos, the Lord of the Soul Swallowers, an aggressive alpha shifter and the entire magic world, Luna realizes she has no choice but to make the ultimate sacrifice. This isn't a joke. There's no punch line. My name is Alessia Hastings. Welcome to my personal hell. My weekly visit to Nanna's psychiatric hospital ends with me in a celestial jail cell. Now an impossibly gorgeous Nephilim with a face I want to kiss, and an attitude I want to punch, tells me I'm not quite human. Too bad they can't figure out exactly what I am. Only that my magic is dangerous. Which means I've earned a one way invitation to Bloodline Academy: A secret

magical school that teaches the next generation of supernatural monsters how to go bump in the night. You'd think the resident Fae mean girls, the shifters, and bloodthirsty vamps would be my biggest problem at the Academy. But it's the strange voices in my mind that truly scare me. Because Hastings women have always heard voices, and the ones in my head are telling me there's something worse out there hunting me. Finishing this semester alive is going to be treacherous. Not making it through could mean the end of the world. No pressure, right? Bloodline Academy is the first book in this Australian Young Adult Urban Fantasy series. Filled with pulse-pounding action, snarky dialogue and slow burn romance. Think Buffy meets Shadowspell Academy with a side order of Supernatural. What happens when the Order operative who trained Night tracks her down—not to kill her, but to make her an offer she can't refuse? When the stakes involve her daughter's life, Night will do anything—risk everything. The Order fears the sleeping god inside her daughter Faith. If Night prevents the god from waking, will she save Faith or doom her? The Order's help comes with deadly strings attached, and a secret draws Night into the terror she believed she left behind forever. Derek McCoy was a man who spent his entire life facing adversity and injustice. After being forced to settle with surviving rather than living, he had finally found his place in the world, until everything was taken from him one last time. After losing his life to avenge his murdered brother, he reincarnates until he finds a world worth living in, a world filled with magic and monsters. Follow him along his journey, from grieving brother to alien soldier. From infant to Supreme Magus. ----- Tags: Transmigration, Male MC, Western Fantasy Schedule: 12 chapters/week (unless I'm ill or stuff happens) Chapter Length: 1200 - 1400 words Warning: The MC is not a hero nor an anti-hero. He is a broken, cynic and misanthropic person looking only for his own gain. If you are looking for a forgiving, nice, MC that goes around saving people in distress, this is not your cup of tea. Same if you want an unchanging MC with no character development. WANTED: One Lunar Witch, preferably naïve. A sassy siren. A stolen blade. A paranormal conspiracy. An unexpected romance. The way I saw it, I had two choices: retrieve my pack's stolen blade or spend another night wishing I had. The plan was simple the execution was an epic failure. Before I knew what hit me, I was behind bars in Bethune. Home to the most savage inmates, disgusting food, and hot guards in body-hugging uniforms. If I could keep my head straight, I could do my time and go home. But no one ever accused me of following Rules. Nothing could prepare me for what happened next. I desperately need to escape. I have a plan, I know I can make it. Except there is one tiny problem—I'm head over heels in love with one of the guards. I can ask him to come with me but what if he refuses? I need to make a decision and fast. But I'm not exactly in a place known for inspiring brilliant decisions. Fans of Ilona Andrews will love the blend of urban fantasy and paranormal romance in ESCAPED BY MAGIC. Finalist for the 2022 Mythopoeic Scholarship Award for Myth and Fantasy Studies From the time of Charles Dickens, the imaginative power of the city of London has frequently inspired writers to their most creative flights of fantasy. Charting a new history of London fantasy writing from the Victorian era to the 21st century, Fairy Tales of London explores a powerful tradition of urban fantasy distinct from the rural tales of writers such as J.R.R. Tolkien. Hadas Elber-Aviram traces this urban tradition from Dickens, through the scientific romances of H.G. Wells, the anti-fantasies of George Orwell and Mervyn Peake to

contemporary science fiction and fantasy writers such as Michael Moorcock, Neil Gaiman and China Miéville. "Dark Hunt is a thrilling paranormal story, which will have you reading late into the night. I devoured it, and I couldn't stop." --Boundless Book Reviews

Broke and living in a one-bedroom apartment the size of a closet is not what you'd expect from an elite Hunter like me. But Hunting demons and half-breeds isn't your average nine-to-five job with benefits. The hours are long and the pay usually sucks. I didn't think I was going to make rent again until the Council, the group of angel-born who'd shunned me all those years ago, offered me a job--a paying one. I could either tell them to shove it, or take the job. So what's a gal to do? Take the gig, of course. Everything would have worked out fine if the Council hadn't forced me to work the case with Jax--an angel-born warrior who happened to be way too pretty to be legal. Turns out Jax has an agenda of his own and is determined to make my life hell, but I'm stuck with him. For now. And things went downhill from there when I found out the demon I'm Hunting is a Greater demon. And yeah, it's Hunting me too. Swell. *Recommended for mature YA+ due to language

Dark Hunt is a sassy, fast-paced urban fantasy filled with demons, angels, vampires, werewolves, witches, fae, leprechauns, jinn, and shifters. The city has always been a place of mystery, of magic, and wonder. In cities past, present, and future, in metropoli real and imagined, meet mutilated warrior women, dead boys, mechanical dogs, escape artists and more. From the dizzying heights of rooftops and spires to the sinister secrets of underpasses and gutters, some of the most talented authors writing today will take you on a trip through the urban fantastic. Edited by Ekaterina Sedia, author of *The Secret History of Moscow* and the forthcoming *Alchemy of Stone*. I hunt demons. I don't work for them. And I promised my mom one thing before she was murdered: Under no circumstances, would I ever go near the high demons. But I'll break that promise over and over again if it helps me avenge her death. When my only lead turns to ash in the middle of demon territory, I'm suddenly a dead witch walking. Violence in Samael's club is an automatic death sentence... unless he can use you. And it turns out that the most powerful demon in the country has a use for little ol' me. Demons are being slaughtered. His demons. And as a bounty hunter, it's up to me to find out who would dare hurt his people. I've got two weeks to find the killer, and if I fail, I'm bonded to Samael. Forever. Samael's certain that I'll be his, but I'm not the kinda girl who risks her freedom for a demon. I'm the kinda girl who won't let anyone get in the way of her vengeance-- not even the Machiavellian control freak who thinks he can run my life. The problem? I've pissed the wrong people off. Now I'm the one being hunted, and someone's coming for me with everything they have. But I'm never more dangerous than when my back is up against the wall. And I'm ready to come out swinging. ?
