Gage reveals unique solutions to the deepest mysteries in the book of Revelation. He exposes the actual identity of the beast, the true meaning of the mark of the beast, the dreadful fate of those left behind after the rapture, and the mystery of the Red Heifer Sacrifice. The world is coming to an end, anytime soon, and ICT will strongly be involved in the process, according to Bible prophecies. ICT will change people, permanently, and it is not a coincidence. The Devil is behind it, and God will be after him to punish the vice, which will lead to the end of the world. A few years ago, it was unimaginable that the Revelation 13:16-17, concerning the deployment of the mark of the beast, 666, would ever be fulfilled. It's already happening - electronic objects are being inserted into people's hands and heads, for smarter ways of carrying out normal operations. Sometimes we fear the mark of the beast, 666, without really understanding the dangers that are associated with it, and why the Devil is obsessed with it. The danger is more in its objective than in the mark itself. However, ICT is not a bad idea per se. ICT is a very good development to the society. It has brought a lot more benefits and wealth, as well as easier and more efficient ways of doing things, than at any other time in history. Indeed, it is the Fourth Industrial Revolution. The world has never had impact-making technological breakthroughs as in the era of ICT. The only problem is that it provides a perfect infrastructure that Satan will leverage to deploy the 666 mark. About the Author Dr. Donart Ngarambe has a PhD in Computer Engineering, and he has been a researcher and scholar in IT for 17 years. Dr. Donart Ngarambe has been born again since 1982, and he is the author of "The Inexhaustible Wealth the World Knows

Little About". A fresh look at what the Mark of the beast really is. If it's not a chip, then what is it? Seal of God, or Mark of the beast. You choose. "The Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour."--1 John 2:18 We see evidence of the Antichrist and his spirit in the chaos, fear, hate, deceit, arrogance and cruelty both in news headlines and in the world around us. Our ancient enemy is cunning, and his subtle deceptions can infiltrate an unsuspecting heart--and church. When we don't know or take seriously the daily relevance of the Bible's teaching on Satan and the end times, we can unwittingly get swept up in his schemes. In this eye-opening book, trusted Bible scholar Derek Prince reveals what the Scriptures really say about Satan, the Antichrist and the mark of the Beast--and why Jesus Christ as the Lamb is so important. Derek also gives you the tools you need to · defend against confusion and fear · guard your heart with purity and assurance · hold fast in the midst of great opposition Today and in the days ahead, a destiny-determining choice lies before you: Will you give in to the nature and deception of the Beast? Or will you stand firm in the nature of the Lamb, preparing yourself for the day He returns? What is the mark of the beast? Are there any indications that it could be near? What should be our attitude? What does the Bible teach about it? Come and explore these issues and more in this concise booklet. This is a new, updated version. I saw two different news broadcasts on a CEO getting a microchip in his hand. And then the employees were next. The phrase they used on the local news at 6:00 was, the C.E.O is leading the way. "They are starting today at the top of this company starting with the C.E.O, of the company, leading the way" The blind leading the blind. I say, well, I know my Bible, and it says to let them take off your head before receiving the mark 666 in your hand. And don't let any man deceive you by any means. Well, I felt I had to get a warning out, because let's face it, not everyone reads the Bible. And I also know how sly the old devil is. So these are my words: Don't take the chip. Get yourself in a good Bible-preaching church. Get ready, stay ready, things are wrapping up according to prophecies. The medieval bestiary was a contribution to didactic

religious literature, addressing concerns central to all walks of Christian and secular life. These essays analyze the bestiary from both literary and art historical perspectives, exploring issues including kinship, romance, sex, death, and the afterlife. Just before the coronavirus became a pandemic, the Lord came to me and showed me that this event would be the beginning and the implementation of the mark of the beast. He began showing and giving me all the knowledge that he wanted to reveal to the world. The Lord told me to prophesy on his behalf and reveal to the world what the mark actually is. He showed me its relationship to the virus, the vaccine, and also the cell phones that are in people's right hands. It was given to me, every word that had been sealed away for its given time, to unequivocally prove in accordance with the Holy Bible that we are in those times of Revelation. What I began revealing spread like a wildfire and became known worldwide; it grew into what is now the opposition to this vaccine/mark. Realize I was the first one that revealed this. This book explains in great detail how the mark came to be and how it works. Christians view the mark of the beast as something futuristic. The receiving of the mark of the beast commands the wrath and indignation of God; and the consequences are severe. Many Christians has already accepted the mark of the beast; unbeknownst to them. They do not have a clear vision as to whom or what is the beast. Each denomination has their interpretation of the beast and how and when it will manifest. The word says, And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb. Revelation 14: 9, 10. Many Christian denominations believe the prophecy points to the papacy as the beast. However, in scripture, the Papal system has never been a beast, is not a beast and will never be a beast. To call that system the beast is to take the word of God on a very long stretch. This horn functions both politically and as a Christian Church. It

persecuted and killed any Christian who disagrees with its dogmas. The word says the Saints shall be given into his hand until a time and times and the dividing of time and he would come to his end unto the end. Nowhere in scripture is it indicated that this horn power will regain its dominion to persecute the saints of God as it did for over twelve hundred years. Then who is the beast? This book has the answer. Reviewed by Online Book Club: Official Review: The Mark of the Beast Revelation 13 Within this volume, the American dream of prosperity and freedom from labor is unmasked as the "beast" designed to serve the elite and fulfill their selfish desires. While very few are lavishing in riches, the majority of people--both within and outside of the United States--are suffocating in stress, inequality, poverty, pollution, and violence. (Christian) Many are aware of perilous times we are facing, have a conceptual understanding of "end time signs" and are experiencing various degrees of a deep gut-wrenching fear due to pending unknowns. However, due to our human nature it is much easier to live in denial (i.e. "sleepwalking") than to take a good hard look at what's going on and prepare for the One that will come in the twinkling of an eye. Our continually worsening global economy, political ineptitudes, social decline and technological advancements are a prelude to (and preparation for) the prophetic entrance of the beast and the fulfillment of his mark - as stated in Revelations. Written almost 2,000 years ago, in the last book in the Bible, Revelation chapter 13 versus 16 & 17 warns us of a decisive event of great consequences that will occur during the last days. Simply stated, the mark's benefits and consequences will cause each person to make an eternal decision. The mark of the beast will occur. It's an absolute. God's word states it. Therefore, questions that remain are when, how and why? The book Mark of the Beast: • Will explain why the aforementioned is occurring. • Will illuminate and expand your understanding of past and present social, economic, technological and political changes that are providing the foundation for the fulfillment of the prophetic mark of the beast as stated in Revelation 13:16-17. • Will provide you with valuable and insightful information so that you can make

informed decisions. • Is short, concise and easy-to-read. • Will possibly change your life for eternity. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. The Mark of the Beast by Sidney Watson is about the theories related to the prophecies in the Bible of the Second Coming and the mark of the beast or the antichrist. Excerpt: "After the Lord's Second Coming, what will happen to those left behind? What will the Tribulation period be like? What will happen during the reign of the Antichrist? What is meant by "The Mark of the Beast"? What will be the fate of those who refuse to bear this mark? All of these questions and many others connected with the mark of the beast are answered in this realistic, startling, awe-inspiring story. Although entirely fictional, the author has based his narrative on just what the Bible teaches concerning the Great Tribulation—that awful period of distress and woe that is coming upon this earth when the Antichrist will rule with unhindered sway." No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us. This book is a passport to the future of humanity and will explain the end-times in simple ways, for the most part, based on Biblical interpretation and not on widely accepted views or mine. Most of the prevalent views on Revelation that you have learnt or learning are incorrect. Not knowing the future with respect to God's plan could jeopardize the timing of your salvation which could put one in the receiving end of God's plagues. Revelation was written for us today in the end-times and not for the Jews and ancient Romans 2000 years ago. This book will prove this to be true beyond a shadow of a doubt. Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole. It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations. IMPOSSIBLE. We are presently

near the end of the Great Tribulation with the Day of our Lord fast approaching. Already five of the seven seals have been opened with the sixth approaching rapidly. The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use. A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million-man army would follow. There is good news though. Read this book. Did you know that you will soon be living in a world where: There are no checks, coins or paper money? All your money will exist only as electronic ones and zeros stored in computers? There is an impenetrable wall between you and your wealth? There is no privacy? All buying and selling must be approved? The world's economy and even your personal finances are controlled by one entity? Are you ready for the world's new economic system? Prepare now, because ready or not, here it comes! Glenn Guest has served as a pastor for over 24 years and has also had a career in military and industrial electronics. The Mark of the Beast has long been the subject of heated debate and even outrageous sensationalism. While people can only speculate about the details of what it will be and how it will be implemented, there is no disputing at least one fact: The execution of the mark described in Revelation 13 will be an unprecedented landmark event in human history. Did you know that the world is being prepared now for its implementation? In every aspect of life on this earth -- from economy and government to religion -- there are strong indications that we are closer than ever to the time when a worldwide identification system is a

Man is a complicated piece of machinery created and operated by God. From

the beginning of time, man has sought to control himself and everything around him. Although man has made much progress, he will never be able to attain complete control until he can overpower God's goal that even Lucifer could not accomplish. Billy Wilson is a seasoned pastor who passionately believes that God is still in charge despite man's rebellion. Within a comprehensive exploration of the Book of Revelation and man's determination to move away from God, Wilson shares thoughtful reflections that carefully examine the good work of the Lord and Satan's evil influence while pointing others to seek wisdom and guidance from the Spirit of God. Through it all, Wilson encourages God's followers to read the Bible and loyally preach and explain the Word to man, the one who ultimately holds the power to choose between right and wrong. The Mark of the Beast offers a pastor's examination of the sixteenth chapter of the Bible as he reflects on the issues that Satan is causing in today's world and guides spiritual seekers to find hope within the Word of God. This book is the **FIRST BOOK EVER WRITTEN** to identify the mark of the Beast, and to explain how this mark represents a **NAME** and a **NUMBER**. It is consequently the most authoritative book available on the Book of Revelation. This book **IDENTIFIES** the Beast as the USSR. The **NAME** of the Beast is **TROTZKY**. The **HAMMER AND SICKLE IS THE MARK OF THE BEAST**, a monogram of the name "Trotzky" in Hebrew, and the number "616" in Greek letters. The book looks at the evil nature of communism, and how it has always shown its Satanic nature through its persecution of Christians. It also examines how Christianity is still being threatened in the West by Marxist devotees in all their various colours. Christianity is being undermined from within the Church, Liberation Theology being just one example of this. The book identifies modern Israel as the Second Beast and Islam (Mecca) as Babylon the Great. **THE BEAST WILL RETURN!** The book examines how the balance of power is beginning to turn in favour of the Russian Federation and China. The Soviet Beast will soon return, its wound healed, and the West will not be able to match its military power. The book examines how the West was deceived by perestroika and various other Soviet strategies. This book is of

great international importance. Its significance cannot be overstated. The Church has entered the final half-week of Daniel's seventieth week, a period of persecution, and yet many are blind to what is happening. Most commentaries on Revelation are misleading. Blind guides! This book is a true guide, and does not shy away from speaking the truth and naming names. Things are not always as they seem. The Mark of the Beast by Rudyard Kipling is a short horror story set in mystic India where things are not always as they seem. One New Year's Eve, a group of British friends get drunk at a club. In the Book of the Revelation we see two mysterious signs, people will receive, the 'mark of the beast' or the 'seal of God'. The Scripture clearly tells us that those with the 'mark of the beast' will end up in the 'lake of fires with burning brimstone'. Yet those with the 'seal of God' will end up in the New Jerusalem eating from the tree of life., Revelation 12:9a, "... that old serpent, called the Devil, and Satan, which deceives the whole world Revelation 13:3b, and all the world wondered after the beast.' Most all Christians are worshiping the beast today, and think that they worship the true God. I will show you their deception in the Scripture, so you will be aware of it. I will show you how you may avoid the mark of the beast, and gain the 'seal of God'. The few ages of this book deal with God's sacred name. Most of the Jews say it is too holy to use. Most of the Christians don't know it, Yet the Scriptures commands us to call on God with that name. Have you ever heard of NESARA (the National Economic Stabilization and Recovery Act) written in the 1970's? I bet not. No one has. But those who have heard about it

are confused if it has something to do with the Mark of the Beast. These two topics are diametrically opposed to one another. A new financial system will be and is being released into the world (its corollary is called GESARA for Global Economic...) to pull the world away from the Fiat currency into a Gold-Backed currency that will bring about freedom and a lack of Debt. But too many have read Revelation's responses about the Mark of the Beast. They believe, mistakenly, that NESARA and GESARA is the Mark. I explain how these are two different concepts of monetary value and how they are completely important for the world to understand. No more should you not learn about money. You need to understand it. Today! This soul-winning sermon preached in many evangelistic meetings discusses an important doctrinal subject. - The Beast; Master of Kings; "A Deadly Wound"; Protestantism; The Seal of God's Law; The Seal of God; Shall It Be Man of God?; How Shall I Live This book is the result of years of research into the history of the Spear of Destiny and the struggle between good and evil in the Western world. For 2,000 years, the Spear of Destiny, purported to have pierced the side of Christ while he was on the cross, has been sought by rulers of the Western world, who have tried to harness the Spear's absolute power. This book explores the odyssey of the Spear and its potential role in the Apocalypse. Illustrated. The Scriptures is full of codes which have been placed for human identification and gain. The problem often is that man does not always have the resources to unlock these codes. While acquisition of the keys to these codes is within human grasp, most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man. Much of the time, we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject. Much of the time we glance past many of these, convinced there is nothing relevant in them for the modern man. However, there is a lot to learn and to uncover in the Bible. Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies. The Scriptures is replete with numbers. Often, these numbers have overwhelming value and significance. One

number that has continued to hold a mysterious grip on many, and defy explication is the number 666. There can be no doubt that numbers in the Scriptures need to be studied. Numbers are signs. A survey of signs of the Lord, easily reveal that most signs of the Lord God are revealed to the beneficiaries, being almost always the people that the signs are meant for. Thus studying a number or group of numbers should not be limited to scholastic approach. There is a need to incline or dispose oneself to the Lord for the necessary revelation. Anything short of this may lead to conjecture and wrong assumptions, which may not stand rigorous empiricism. The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation. The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation. It is the wisdom of the Lord God that this code be used, and it is also the understanding that the Lord God Himself gives, that can break this code of a number. Rev 13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. We can see from verse 18 just above that 666 is the number of a man. This is a bit ambiguous. Most persons have misinterpreted it to be the number of a mans identification card or credit card. When the Scriptures talks of a man in this case, it is generalizing, meaning generic man, and not a specific person. Thus we can see that the beast is actually human. In actuality, the beast is both spirit and man. It is the product of a fusion of a spirit and a human female. The product is conspicuously a man, but latently a spirit. It is man that has degenerated to a sub human level. The beast does not have the number of a beast or the attributes of a beast, but that of a man. This is because, the beast is actually human. It is redolent of the analogy of defining the Devil as a Serpent. Thus instead of saying Devil, the Scripture also uses Serpent, while we are actually dealing with a being that is not a snake. He is supposed to have been one of the best in Heaven. Serpent is only used in analogy. In the same vein, beast is only a satirical application to a man who has refused to identify with the Lord God. The Devil himself was the first beast; the

beast of Eden. He came to the first people like a beast; that is a serpent. That is why he is known as the Serpent. The anti-Christ, being one with the devil comes in the image and spirit of his father, the Devil. That is why he is equally known and addressed as the Beast. The mark of the Beast is not placed on animals but on man. It is a sign which incorporates the numbers of the Living God and the number of the Devil. It is an unholy alliance, which is detested by the Lord God, and cursed. Read this book and understand without the least ambiguity, what the Mark of the Beast is really all about. You shall have your money refunded you if you have a better explanation to this and can prove it." I dare say that there is a whole lot of confusion, misunderstanding and misinterpretation of the Scriptures, especially the book of Revelation with particular reference to Rev. 13: 14-17 which speaks about the image, the mark, the name and the number of the beast. To understand of these concepts, especially the number of the beast, the Bible calls for wisdom. The key to understanding the Scriptures is based on the contextual, historical, literal, symbolical, prophetic and spiritual analysis of operative words and precepts, Isa. 28:10. Above all, prayer for God's revelation in making deductions is of paramount importance. Rev. 13:18 calls for wisdom in the interpretation of the number of the beast which it says is the number of a man. That number is 666. God Himself is wisdom. His wisdom is buried in the Scriptures. Committed search through the Bible and dedicational prayers are the essential instruments that will facilitate the required wisdom for the calculation of the number of the beast. This book aims at defining the terms - image, name, mark and number with the view to integrating their literal meanings and symbolical significance in attempt to calculate the number of the beast. While doing so, their historical, contextual and spiritual dimensions should form the background basis. Interpretations and deductions should be based on the Scriptures. Extra biblical references may just be misleading. Several writings, opinions, interpretations, articles and analytical studies from various sources have been quoted (some copied verbatim), with due acknowledgment, for the purpose of argument. The reader is encouraged to read the quoted

bible verses. The Mark of the Beast historically and critically examines the dire effects of the process of animalization on both humans and animals. Roberts provides a general account of the theoretical division between humans and animals begun largely in the work of Aristotle and continued in that of Descartes and Kant. Following the philosophical provenance of the idea of animality, Roberts explores the practical and "scientific" uses of this idea, focusing largely on what Stephen J. Gould terms the "biodeterministic tradition" by evaluating the primarily nineteenth century theories of atavism, craniology, recapitulation, and so on, while also exploring the use of medical and psychological techniques of animalization. Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle

can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.
