The "New York Times" bestseller by actor, activist, and martial arts expert Norris urges Americans to recapture a national spirit of faith, freedom, and respect for tradition, history, and human life. Collected from across the nation, over twenty writers, film critics, academics, artists, filmmakers and editors tackle the complete film oeuvre of action star Chuck Norris. The swift kicks to the head, from Bruce Lee all the way to the Texas Rangers, knocked some sense into American action fans for almost fifty years. Beloved, hated, feared, misunderstood, ignored, Chuck Norris is a meme-worthy icon and the subject of innumerable internet jokes, but that doesn't explain how this all happened. In examining Chuck's films, maybe this eclectic group of professionals can answer those nagging questions. Regardless, Chuck Norris performances are always... **Missing the Action.** Chuck Norris has spent a lifetime studying the martial arts, earning several black belts and world championships. Now, through anecdotes about his own personal struggles and triumphs, Norris explains how the ancient system of Zen--the core philosophy behind the martial arts--can help each of us achieve spiritual tranquillity and self-confidence. **The Secret Power Within** is both a highly accessible lesson in Zen philosophy as well as the compelling story of Chuck Norris's own remarkable success. In this highly entertaining and inspiring account, Norris shows how Zen can be applicable to everyday situations, from the conference room to the living room. Chapters include: * **Winning by Losing:** If you have nothing to prove, you have no need to fight. * **Complete the Wheel:** How to balance your life to achieve success. * **Your Master, Your Art:** To maintain self-respect you must respect the work you do, and do it as well as possible. * **My Way of Meditating:** Norris's personal technique for achieving tranquillity under pressure. The message is simple: There are no limits for the person who refuses to accept them. Part of the **Bruce Lee's Fighting Method** series, this book teaches how to perform jeet kune do's devastating strikes and exploit an opponent's weaknesses with crafty counterattacks like finger jabs and spin kicks. Discusses the life and career of Norris. **Chuck Norris Inspirational Adult Coloring Book.** 153 Page **Chuck Norris Supreme Quality Journal Diary Notebook** This practical study of competition training for any rank is the first book by Chuck Norris. International film star, former world middleweight champion, and **Black Belt** magazine's **Fighter of the Year** in 1969, Norris covers all phases of executing speedy attacks, conditioning, fighting form drills, and one-step sparring techniques. Illustrated with hundreds of step-by-step photos. **Professor and Mathemagician, Harvey Mudd College, Claremont, CA --** This debut novel by the star of TV's "Walker: Texas Ranger" and a posse of authors introduces men of simple faith, unsung Civil War heroes who have ventured to the open plains of Texas to bring justice to places that have none. **Chuck Norris Jokes** The ultimate collection of 1,500 facts about the world's toughest and most awesome man. Finally, the wait is over. The most comprehensive collection of Chuck Norris facts from the **New York Times** bestselling series by Ian Spector is ready to blow your mind. Only the manliest of men will be able to handle this bind-up of **The Truth About Chuck Norris**, **Chuck Norris vs. Mr. T**, **Chuck Norris Cannot Be Stopped**, **The Last Stand of Chuck Norris**, and over one hundred new facts. There is nowhere to run, nowhere to hide from these 1,500 facts about the man so powerful we quake when uttering his name: **Chuck Norris**. The author provides tongue-in-cheek advice on what he considers to be manliness, such as beating up on other men, groping women, disciplining children more violently, and becoming a more efficient communicator of road rage. 153 Page **Chuck Norris Supreme Quality Journal Diary Notebook** Have you ever wondered what happens to luggage that goes unclaimed at the airport? Millions of people worldwide know **Chuck Norris** as the star of more than twenty motion pictures, a martial arts expert, and the only man in the Western Hemisphere to hold an eighth degree **Black Belt Grand Master** in **Tae Kwon Do**. Countless others see him daily in syndicated reruns as the hero of the longest running CBS series to date, "Walker, Texas Ranger." What many don't know is that **Chuck Norris** is a sincere Christian--a man whose faith plays a

role in everything he does. Against All Odds is the inspirational story of how Norris overcame abject poverty from childhood, the effects of his father's alcoholism and desertion of the family, and his own shyness and lack of strength and ability early in his life. Norris writes candidly about the past and gives God full credit for where he is today. Chuck Norris 153 Pages Supreme Quality Journal Diary Notebook *Includes pictures *Includes their own quotes about their lives and work *Includes a bibliography for further reading

It would be nearly impossible for someone to pack more action into 32 years than Bruce Lee, whose name remains practically synonymous with martial arts excellence and kung fu movies. He was undoubtedly the forerunner to martial arts stars who came in his wake, including Chuck Norris and Jackie Chan, a feat made all the more impressive by the fact that he grew up as a sickly child. His upbringing was simultaneously one of great privilege and hardship, which had a huge impact on his career down the road; even when he began to fill out his skinny frame, trouble on the streets created a whirlwind set of circumstances that all but required Lee to move to America before he was 20. Despite being the most famous star of the genre and the man who almost singlehandedly popularized martial arts in the West, the films that helped make Lee a global icon were not even made in the United States but were instead shot and produced in Hong Kong, after which they received large-scale international distribution. Furthermore, for all of his fame, none of Bruce Lee's movies are commonly regarded as masterpieces, and they have always been viewed more as popular entertainment than as significant artistic achievements. Some might be able to name the short list of movies in which he starred and may know that Enter the Dragon (1973) is his most iconic picture, but his movies were never among those considered for Academy Award nominations. Bruce Lee was arguably the greatest martial artist who ever lived, but he's also remembered today for being spiritual and philosophical. In addition to writing at length about those topics, Lee considered those elements essential to his physical fitness and training. In reference to a form of martial arts that came to bear his name, he explained, "Too much time is given to the development of skill and too little to the development of the individual for participation...[Jeet Kune Do] ultimately is not a matter of petty techniques but of highly developed spirituality and physique." It is not uncommon for a culture to create intricate mythologies around its combat arts champions, but those celebrity fighters who have produced enough tangible accomplishments to merit such adulation are generally limited to a few in each generation. In the second half of the 20th century, boxer Muhammad Ali commanded such reverence, and in the martial arts, two stars have primarily reestablished the entire combat genre for the international movie-going population. In terms of raw popularity, Chuck Norris represents the West. In contrast to Lee's fame, which emerged from a Chinese version of martial arts entertainment laced with tinges of the superhuman, Chuck Norris was karate's verismo artist, with his characters based on the realities of actual tournament and military experiences. His films capitalized upon the preexisting model of the American international male persona, both as it was and as he and the studios believed that it should be. In this way, Norris followed in the footsteps of Gary Cooper and John Wayne, with the addition of martial arts as a spur to the action. Critics have derided the quality of his acting from the onset of his career, but Norris has always maintained that his interest in acting was for the messages he intended for viewers, and he has never expressed a moment's care for the pundits. A master of the paramilitary underdog and lone law enforcement officer film, his career would come to an apex with the television series Walker, Texas Ranger, a household name among viewers for nearly a decade and one that rivaled such classics as Gunsmoke and Bonanza. Along with pictures of important people, places, and events, you will learn about Bruce Lee and Chuck Norris like never before. A biography of the martial arts expert and actor, Chuck Norris. Hundreds of thousands of humorous Chuck Norris facts have been published, traveled around the globe via the Internet, and gained an international audience of millions. Chuck Norris facts are a quirky, extremely popular Internet phenomenon that has entertained fans from all over the globe. In the last several years, Chuck Norris has been asked repeatedly from the heartland of America to the battlefields of Iraq and Afghanistan, "Which facts are your favorites?" For the first time ever, in The Official Chuck Norris Fact Book, Chuck gives readers not only his favorite "facts," roundhouse-kicked by the man himself, but also the stories behind the facts and the code by which Chuck lives his life.
