Mal, Zoë, and the rest of the ragtag crew of Serenity have been ambushed by bandits, kidnapped by zealots, pursued by bounty hunters, thrown in jail, broken out of jail, and thrown in jail again...but they'd go through it all again if it would mean staving off a second Unification War. In order to save the day, Mal will have to find allies in the most unexpected of places...and that starts with one of the most ruthless, terrifying people in the entire 'verse: his mother. Collects Firefly #9-12. In this, the second volume covering the war on the Western Front, Peter Simkins describes the last great battles of attrition at Arras, on the Aisne and at Passchendaele in 1917. Then he moves on to relate the successive offensives launched by Germany in the spring and summer of 1918 in an effort to achieve victory or a favourable peace before American manpower proved decisive. Again, questioning and correcting several myths and long-held assumptions about the nature and conduct of war on the Western Front, the author also looks at the aftermath and legacy of the 'war to end wars'. Excerpt from *The General History of the Late War, Vol. 3: Containing Its Rise, Progress, and Event, in Europe, Asia, Africa and America* The state of the Belligerent Powers at the Commence-ment of the War; their Interefs and Ob'eets in it's Continuation; and remarks on the Meafitres, which led great BR aim to Viétory and Conqueft. Theo's domain has expanded and his partnership with Siluca has deepened, but will it be enough to keep their enemies at bay? Siluca's renegade political maneuvering results in brutal consequences as they are forced to defend their territory against ally and enemy alike. Siluca's ready to continue her master plan, but it may be much too late for diplomacy to have any effect. -- VIZ Media The unstoppable march of the Dark Lord of the Sith continues! The natives of the planet Shu-Torin are

revolting. And there's no way the Empire will stand for that. Darth Vader is tasked with leading a military assault against Shu-Torin! Could it be that his rise to glory has begun? But who will follow Vader into war? Would you? Then again, it's better to fight alongside Vader than against him. That's a lesson that the Ore Barons are about to learn...COLLECTING: DARTH VADER ANNUAL #1, DARTH VADER #16-19. With half of the fighters down for the count, the Zodiac War rages on! Usagi—the fighter of the Rabbit—and his undead army continue to rampage across the battlefield, intent on destroying anyone who stands in their way. For an honorable fighter like Ox, Rabbit's desecration of and complete disregard for human life is unacceptable. To obliterate this heretical army, Ox teams up with an unlikely ally—the drunkard Tiger! -- VIZ Media The traitor revealed! The one behind the recent "accidents" has finally been unmasked--but Julius alone isn't strong enough to beat him! It'll take a team of unlikely allies to bring this fiend to justice. Those in the shadows know this is only the first of many threats to come. Things will heat up even more as the Festa draws near...! Major General J. F. C. Fuller, a pioneer of mechanized warfare in Great Britain, was one of this century's most renowned military strategists and historians. In this magisterial work he spans military history from the Greeks to the end of World War II, describing tactics, battle lines, the day-to-day struggles while always relating affairs on the field to the larger questions of social, political, and economic change in Western civilization. A masterpiece of scholarship and biting prose, these volumes are available for the first time in a handsome trade paperback edition. This third volume outlines the age of industrialism and the rise of American imperialism, the Civil War, expansionist policies of Japan and Russia, and World Wars I and II, offering fresh insights into the relationship between military history and social change. THERE'S NO ESCAPING THE PAST. Captain Malcolm Reynolds, his first mate Zoë Washburne and the ragtag crew of Serenity have been torn apart by Boss Moon, the Unificators and the gorrain Alliance itself—but they're nothing compared to the allies Mal's gonna have to turn to to stop them, starting with one of the most ruthless, terrifying people in the entire 'verse: Ma Reynolds! With a new war brewing, the Alliance on the verge of gaining more power than ever, and Mal's own freedom on the line, our good Captain is going to be reminded that saving the day always comes at a higher price than you thought. The New York Times best-selling author Greg Pak (Star Wars), artist Dan McDaid (Doom Patrol) and visionary Firefly creator Joss Whedon (Buffy The Vampire Slayer, Marvel's The Avengers) conclude the definitive story of the Unification War...and send the crew of Serenity in a shocking new direction. Collects Firefly #9-12 This volume provides a comprehensive guide to three major theaters of combat: the Atlantic, the Mediterranean, and the Indian Ocean. The war at sea was a critical contest, as sea-lanes provided the logistical arteries for British and subsequent Allied armies fighting on the three continents of Africa, Asia, and Europe. Land forces ultimately won World War II, but the battles at sea fundamentally altered the balance of military power on the ground. This, the third volume of the History of the Peninsular War, covers a longer period than either of its predecessors, extending over the sixteen months from Wellington's arrival at Badajoz on his retreat from Talavera (Sept. 3, 1809) to the deadlock in front of Santarem (Dec. 1810), which marked the end of Masséna's offensive campaign in Portugal. It thus embraces the central crisis of the whole war, the arrival of the French in front of the Lines of Torres Vedras and their first short retreat, after they had realized the impossibility of forcing that impregnable barrier to their advance. The retreat that began at Sobral on the night of Nov. 14, 1810, was to end at Toulouse on April 11, 1814. The armies of the Emperor were never able to repeat the experiment of 1810, and to assume a general and vigorous offensive against Wellington and Portugal. In 1811 they were on the defensive, despite of certain local and partial attempts to recover their lost initiative. In 1812 they had to abandon half Spain—Andalusia, Estremadura, Asturias, La Mancha, and much more,—despite of Wellington's temporary check before Burgos. In 1813 they were swept across the Pyrenees and the Bidassoa; in 1814 they were fighting a losing game in their own land. Rightly then may Masséna's retreat to Santarem be called the beginning of the end—though it was not for a full year more that Wellington's final offensive commenced, with the investment of Ciudad Rodrigo on Jan. 8, 1812. The campaign of Bussaco and Torres Vedras, therefore, marked the turning-point of the whole war, and I have endeavoured to set forth its meaning in full detail, devoting special care to the explanation of Wellington's triple device for arresting the French advance—his combination of the system of devastation, of the raising of the levée en masse in Portugal, and of the construction of great defensive lines in front of Lisbon. Each of these three measures would have been incomplete without the

other two. For the Lines of Torres Vedras might not have saved Portugal and Europe from the domination of Napoleon, if the invading army had not been surrounded on all sides by the light screen of irregular troops, which cut its communications, and prevented it from foraging far afield. Nor would Masséna have been turned back, if the land through which he had advanced had been left unravaged, and if every large village had contained enough food to subsist a brigade for a day or a battalion for a week. The preparations, the advance, and the retreat of Masséna cover about half of this volume. The rest of it is occupied with the operations of the French in Northern, Eastern, and Southern Spain—operations which seemed decisive at the moment, but which turned out to be mere side-issues in the great contest. For Soult's conquest of Andalusia, and Suchet's victories in Aragon, Catalonia, and Valencia only distracted the imperial generals from their central task—the expulsion of Wellington and his army from the Peninsula. Most readers will, I think, find a good deal of new information in the accounts of the siege of Gerona and the battle of Ocaña. The credit due to Alvarez for the defence of the Catalonian city has never been properly set forth before in any English history, nor have the details of Areizaga's miserable campaign in La Mancha been fully studied. In particular, the composition and strength of his army have never before been elucidated, and Appendices V, VI of this volume consist of absolutely unpublished documents. To be continue in this ebook... Crossroads: Choose Your Path! Weary from their failed attempt to invade the Republic of Habeeed, the Segua Army returns to find the kingdom's capital in ruins. Gear and Opal fight remnants of the terrorists who bombed the castle while others look for survivors. More details emerge during the skirmish, but then Opal suddenly vanishes! When Gear catches up to her, he learns more about Opal's past and why she joined the Army in the first place. As her dark secrets are revealed, Gear may be forced to choose between his friend and his kingdom. TRANSYLVANIA IS BURNING! As vampire civil war throws the world into chaos, the mysterious Shadow Colonel and his squad of undead revolutionaries have one burning question on their murderous minds: Where is Dracula? And if the Avengers find him first, will the lord of the damned be friend or foe? COLLECTING: AVENGERS 13-17 Will Kaguya and Miyuki share the shelter of an umbrella in a storm? Is carrying a knife dripping with blood proof that Kaguya is trying to kill a member of the student council? How will Kaguya react when Chika introduces her to potty humor? Then, Chika must intervene when Miyuki dispenses bad advice on a topic he knows nothing about, Miyuki tries to develop his kinesthetic intelligence, and Kaguya and her personal assistant play a practical joke on Miyuki that has dire consequences. Caffeine is required drinking. -- VIZ Media In 1916, Charley Bourne lies about his age to enlist and fight on the battlefields of France. He has survived four months on the lines so far, but is facing the most dedicated German counter-offensive yet: the attack of the 'Judgment Troopers.'" In 1916, Charley Bourne lies about his age to enlist and fight on the battlefields of France. But thoughts of glory and patriotism are swept aside by the bloody artillery barrage of soul-crushing drudgery and needless sacrifice amidst the trenches of the First World War.--From publisher description. Collects Thor (2018) #12-16. Tales of the War of the Realms! Adopted by Odin as an infant, Loki never had a chance to bond with his birth people — the fearsome Frost Giants. Now, as the Frost Giants invade New York, Loki spends some quality time with his dear old dad, Laufey! But not the way you'd think... Meanwhile, Odin sent his brother Cul, God of Fear, into the depths of Svartalfheim on a vital mission. Will Cul redeem himself at last? And as a young god, Thor pined for a hammer beyond legend. Now his destiny arrives at last — for the War of the Realms will reach even here, centuries in the past! Plus: When the war ends, what is left for Thor? The status quo is shattered in the beginning of the end of Jason Aaron's legendary run! Collects Civil War II #0-8, Free Comic Book Day 2016 (Civil War II) #1. When a new Inhuman emerges with the ability to profile the future, the Marvel Universe will be rocked to its core! While Captain Marvel harnesses Ulysses' powers to prevent crime, Iron Man is violently opposed to the implications. As Tony Stark takes matters (and the law) into his own hands and declares war on the Inhumans, others are willing to fight — and even die — to stop him. And when one of the biggest heroes of all falls, the resulting trial of the century stokes the fire. Friendships crumble, teams are torn apart and the conflict goes galactic — but when the truth about Ulysses' visions is revealed, all bets are off in one of the biggest battles in Marvel history!
