"Nissan Z: 50 Years of Exhilarating Performance is a handsomely illustrated coffee-table book celebrating five decades of Nissan's immensely popular Z-Cars, from the ground-breaking 1970 240Z to today's top-performing 370Z, including the 50th anniversary Z. The story begins with the introduction of Nissan's (then Datsun) first foray into the sports-car world, the Datsun Roadster then gets into the details regarding the creation of the legendary 240Z. Each derivative is explored: including 260Z, 280Z, 280ZX, 300ZX through today's 370Z. Nissan's Z is one of the few sports car models to be in production for 50 years, and Nissan Z pays fitting tribute to its proud heritage"-- Discusses when using air bags is unsafe and specific steps to take to reduce the risk. Describes on-off switches and who should consider installing them. First published in 1981, this book has long been recognized as the 'bible of Scalextric', providing a complete catalogue of the cars and equipment produced. Now, for this seventh edition, the book has undergone a transformation, with a complete redesign and masses of new information about cars, sets and accessories produced around the world. As well as extra detail about earlier periods, there is full coverage of all the new Scalextric products launched in the four years that have elapsed since the previous edition. Now containing nearly 1,000 photographs, this book has become an extraordinarily detailed summary of everything in the world of Scalextric, written by an author who has been captivated by the subject for nearly 50 years. Ever wonder what it would be like to work Public Relations for Ford, or General Motors? Imagine a thousand cameras flashing in your eyes through a forest of microphones, everyone millions of dollars and world-wide headlines riding on your every word as you try to navigate your company through crisis, time and time again. It's not for the faint of heart... But it does make for one entertaining memoir! Welcome to the life of Jason Vines, the man who preserved the good name of Ford/Firestone, Jeep, General Motors, Nissan, Chevy, and other mega-companies throughout one catastrophe after the next. In

Vines' candid first book, "What Did Jesus Drive", you'll hear about all the trials, tribulations, hilarity, and heartbreak of being a master PR consultant – straight from the man with the silver tongue himself! Outrageous as it is insightful, shocking as it is refreshing: "What Did Jesus Drive" will have you laughing yourself hoarse all the while teaching you how to keep your cool with IT hits the fan! This isn't the PR class you took in Business School! And relax; this is not a book about Jesus. (Although he does appear in two chapters: first as a Hispanic grandfather from Waterford, Michigan, and later as the real Prince of Peace.) No, this book is about a life in the public relations blast furnace of the automotive industry; being the only man on the front line. If you're a company owner, CEO, PR professional, the lessons and stories in this book are INVALUABLE for you and everyone in your PR department! Even if you're just somebody who enjoys a look into the wild ride in the world of corporate America, this book is for you. Get your copy of "What Did Jesus Drive" now, and let the games begin! **Reviews** "Jason's story telling is his honest account of time well spent in a career documenting numerous pivotal events we all want to hear about." – Lee Iacocca "Get me Jason Vines! How I wish as the candidates I worked for screamed, screwed, or gaffed their way into crisis, I had called on Jason Vines. This is more than a corporate PR book - it's a masters' class, no holds barred, white knuckle ride of insights and wisdom for anyone whose job it is to communicate for a living." – ?????? "Jason Vines in raw and real story telling of his own journey explains to every politician, celebrity, corporate communications professional and government agency that has ever faced trouble (yes I am talking about you NFL - read this one Goodell!) why we have such a hard time telling the truth, why that's the whole frickin' problem and what we can do about it." – Joe Trippi, Democratic Campaign and Media Consultant. "Jason Vines lived The Hurt Locker, defusing one public relations I.E.D. after another. To think some of the largest corporations we can name have been this close to pure PR disaster, and yet were saved by the insight Jason earned from decades of corporate cage fights, is truly amazing." – Dutch Mandel, AutoWeek Publisher "I always knew I could count on Jason for an unbiased and honest opinion." – Dr. Ricardo Martinez, MD, FACEP and former NHTSA Administrator So you want to turn your Yugo into a Viper? Sorry--you need a certified magician. But if you want to turn your sedate sedan into a mean machine or your used car lot deal into a powerful, purring set of wheels, you've come to the right place. Car Hacks & Mods for Dummies will get you turbo-charged up about modifying your car and guide you smoothly through: Choosing a car to mod Considering warranties, legal, and safety issues Hacking the ECU (Engine Control Unit) to adjust performance-enhancing factors like fuel injection, firing the spark plugs, controlling the cooling fan, and more Replacing your ECU with a plug and play system such as the APEXi Power FC or the AEM EMS system Putting on the brakes (the faster you go, the faster you'll need to stop) Setting up your car for better handling and cornering Written by David Vespremi, automotive expert, frequent guest on national car-related TV shows, track driving instructor and self-proclaimed modder, Car Hacks & Mods for Dummies gets you into the ECU and under the hood and gives you the keys to: Choosing new wheels, including everything from the basics to dubs and spinners Putting your car on a diet, because lighter means faster Basic power bolt-ons and more expensive power adders Installing roll bars and cages to enhance safety Adding aero add-ons, including front "chin" spoilers, rear spoilers, side skirts, and canards Detailing, down to the best cleaners and waxes and cleaning under the hood Using OBD (on-board diagnostics) for troubleshooting Getting advice from general Internet sites and specific message boards and forums for your car's make or model, whether it's a Chevy pick-up or an Alfa Romeo roadster Whether you want to compete at drag strips or on road courses or simply accelerate faster on an interstate ramp, if you want to improve your car's performance, Car Hacks & Mods for Dummies is just the boost you need. Collects two stories of love featuring Hollington College alumni, including "RSVP with Love," in which former valedictorian Chloe falls in love with her reunion co-organizer Kevin, but his high-profile lifestyle and her past interfere with their romance. Some 35 years ago Datsun (now Nissan) introduced the 1970 Datsun 240Z sports car, emphatically disproving the perception that Japanese automakers could only produce economy cars. Designed specifically to appeal to the American market, the Z car has enjoyed long-term popularity with its sporty styling and impressive performance. Z car fans are loyal and numerous. Over 1.4 million Z cars have been sold worldwide, including 1 million-plus in the U.S. The five generations of Z cars include the latest version, the 350Z introduced in 2003, which has refueled interest in Z cars. This book will thoroughly cover the history of this breakthrough Japanese sports car, and will include official Datsun/Nissan photography and memorabilia such as advertising and international marketing materials.
