When You're Mine

Jul 28 2020 Take New York by storm and steer clear of serious

relationships.

That's the plan.

That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is.

Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night

long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

Waking the Dead

Mar 16 2022

Hyacinth always assumed dying would simplify her life. But when her new boss, Archangel Michael, sends her on her first official

mission—to retrieve a powerful rock from a collector in Germany—things go downhill fast. For one thing, the Dead keep popping up, expecting her to guide them to the Afterlife. For another, her part-demon nephew Geordi's powers are starting to leak out, at age seven. What if Michael finds out about him? Worse, what if Satan does? Then there's her love life-after-death. Rooming with a dead French cop no one else can see is complicated enough. But when Jason, Geordi's lying Dioguardi Demon cousin, resurrects himself—so to speak—all Hell breaks loose. Literally. Can Hyacinth get

Michael's rock back before Satan steals its powers and breaks free of his prison? Or will her single-minded pursuit put those she loves—and the rest of the world—in the path of Satan's fury?

Power and Distribution

Transformers Feb 21 2020 This book is based on the author's 50+ years experience in the power and distribution transformer industry. The first few chapters of the book provide a step-by-step procedures of transformer design. Engineers without prior knowledge or exposure to design can follow the procedures and calculation methods to acquire

reasonable proficiency necessary to designing a transformer. Although the transformer is a mature product, engineers working in the industry need to understand its fundamentals and design to enable them to offer products to meet the challenging demands of the power system and the customer. This book can function as a useful guide for practicing engineers to undertake new designs, cost optimization, design automation etc., without the need for external help or consultancy. The book extensively covers the design processes with necessary data and

calculations from a wide variety of transformers, including dry-type cast resin transformers, amorphous core transformers, earthing transformers, rectifier transformers, auto transformers, transformers for explosive atmospheres, and solid-state transformers. The other subjects covered include, carbon footprint calculation of transformers, condition monitoring of transformers and design optimization techniques. In addition to being useful for the transformer industry, this book can serve as a reference for power

utility engineers, consultants, research scholars, and teaching faculty at universities.

Death Waits in the Dark Sep 29 2020 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her

reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border

Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns

the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Aiden Inspired
Oct 19 2019 Aiden Fisher does well as a New York artist. In fact, he's known

among the art elite for being the man to watch. That doesn't keep his critics from arguing that his work lacks personality or emotion. Of course, his life doesn't have much of that either. While perusing a dating site that connects urban gay men to their rural counterparts, Aiden comes across a profile of a Washington state rancher. The silhouetted picture and matter-of-fact language trigger his inspiration and spin him into a creative journey that ends with a collection that surpasses perfection. After his collection sells to a prestigious buyer, Aiden feels he has no choice but to meet and thank his

muse. Little does he know the journey to the rugged mountains of Southeast Washington could change his life forever. Devin Pearce is tall, built and remarkably handsome, all of which is accentuated with the personality of an angry bear. When he first comes upon Aiden, he can't see past his anger -- this stranger is here because his nosy housekeeper set up that damned profile. But Aiden isn't a typical stranger, not only does this man have the looks but he has a work ethic Devin has seldom seen in another man. Sure, Devin wants love, but experience has taught him to be

leery. Can he trust his instinct that Aiden is an extraordinary person, or will he let the tragedy of past relationships get in his way? The fire between them burns hot, but they are truly opposites. Only the fates know if they are brave enough to overcome their differences and build the relationship they both dream of.

the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly surrenders to his every sexual whim—after haggling over the terms of giving up her virginity.
